What are You Giving To Make Christmas Bright? NO LUXURY TAX

Umbrellas For Christmas

Almost everybody is hoping for a new Umbrella for Christmas. It's a safe gift. No one ever has too many, and it is always useful. One of the most effective gifts that the price will buy--for man, or woman.

A SILK PETTICOAT IS ALWAYS A PLEASING GIFT

It looks so handsome when the box is opened. The silk or satin is so rich--the colors are so effective--the platings and rufflings are so impressive; and it is always gratifying to any woman to have a liberal supply of these useful garments. Our Heatherbloom with fancy frill is exquisite. Prices range from \$3.50 to \$10.00.

THIS WILL BE A GLORIOUS CHRISTMAS FOR THE WIFE WHO RECEIVES NEW FURS!

Perhaps you have been putting off the longed-for purchase for several years, because prices were high.

Then this is the time to make the waiting worth while--to give the careful wife the joy of possessing the beautiful Furs that she has been wanting, and to buy them for a much lower price than heretofore. Remember you have 20 p. c. on all furs.

It will be a gift for many Christmases--a possession that will give pride and service for many years.

Patons have two sport coats in seal or poney with Opposum trimmings, which were \$280 and \$445. They are now marked \$230 and \$375.

One sporty coat for the woman who drives is of goatett, warmly lined and padded. An ideal article for warmth. Special at \$83.

Lovely rat coats, five styles to choose from, are specially priced at \$298, while cloth coats and the Salts Plusr garments are exceptionally lovely.

CHRISTMAS BRINGS A DOWNFALL IN PRICES OF GIRLS' DRESSES.

The maker anticipated Christmas gift giving so we are able to turn them over to the girls a couple of months ahead, marking them at the little prices seen in many months. Pretty dresses, sizes 8 to 14 in size sell from \$8 to \$20 with light weights for smaller children, ever the dainty white mull dress for baby.

A CHARMING NEW BLOUSE FOR THE HOLIDAY

The pleasure of selecting it will not be dimmed by the fact that you will pay so much less for it than you might have hoped or we expected, a few weeks ago.

Many are in the new high-neck models that have galloped so quickly into favor; but there are plenty as well, in the low neck styles, with ruffles, to which many women will always be loyal, in Georgette, Crepe de Chene, Silk, Satins and combinations.

And the new prices will prove a delightful surprise. One manufacturer's line of lovely waists is marked at \$4.95.

Child Welfare in P. E. Island

There is now a well intentioned movement for the advancement of child welfare, and it is to be hoped that every effort along that line will meet with the greatest success.

It is conservative to say that nothing has ever come to this province which has done so much for the health of children as the Farador. In every home where the Farador is put to good use you will find rosy cheeked children radiating health in all its loveliness. Those who have the welfare of children at heart should recommend the Farador as one of the greatest agencies for health that the world has ever thus far found.

Here are a few examples of children snatched from the verge of the grave but now in the bloom of health.

Child of Mr. Ed McLean, Fitzroy St., Charlottetown cured of a complication of ailments.

Children of Mr. John Weatherbie, Lake Verde cured of influenza.

Child of Mr. Edmund McMillan, Covehead cured of infantile paralysis and fits.

Child of Mr. William O'Brien, Sydney St. cured of pneumonia.

Child of Mr. Garvin Murdoch, Murray River, cured of eczema.

Child of Mrs. J. Carver, Summerside R. R. cured of bronchitis.

Children of Mr. F. S. McPhail, Southport, cured of various ailments.

The names of hundreds of people who can testify that the Farador has proved of great value for the health of their children will be given for the asking.
