SUGAR

NEW YORK, June 24. —Raw sugar was firmer today with offerings light and holders generally asking advances. Buyers however, showed no interest above 2.90 and the only sales confirmed were 30,500 bags of Cuban for first half August shipment to an operator at 2.95 and 18,200 bags of Porto Rican at 2.89 to a refiner. Late yesterday it developed that 27,000 bags of Philippines sold for July Aug. shipment to an operator at 2.98.

COTTON

NEW YORK, June 24.—Cotton futures closed steady. Spot closed quiet. Middling 530.

LIVERPOOL

Cotton spot small business done: price 3 points higher. American middling fair 5.36; strict good middling 4.91; good middling 4.51; strict middling 4.46; middling 4.41; strict low middling 4.31; low middling 4.21; strict ordinary 4.01; good ordinary 3.71.

Receipts were 36,000 bales including 27,500 American.

Grain Market

WINNIPEG, Man. June 24.—Fairly general rains over the Canadian prairie wheat belt and weakness displayed by stock markets pressed wheat prices to slightly lower levels here today. Higher prices at Liverpool were ignored as the markets in dull, monotonous trade sagged from unchanged figures to close 6-8 to 1¼ cents lower. July declined ⅝ to 53½; Oct ⅝ to ⅞ to 56 and Dec ⅜ to close at 57⅛ to ¼. Little export trade worked overnight could be traced. In view of the general lack of interest the market held fairly steady. Possibilities of black stem rust in the north western states were being ignored. Opening unchanged to a fraction lower the market held this level until near the close. Reports that fairly general rains had fallen throughout the west and a setback in stock prices gave prices a downward flip. Cash interest in the various grades of cash wheat was dull with spreads generally unchanged. Apart from a little buying in rye, presumably against export sales, all coarse grains commodities moved within a narrow range. Close wheat July 53½; Oct 55 Dec 57¼; Oats July 33¾; bid; Oct 28⅝; Dec 27; Barley Oct 35⅞; bid; Dec 33½; Cash wheat prices wheat no 1 hard 54; no 1 nor 53½; no 2 nor 50½; no 3 nor 47¼; no 4 nor 46¼; no 5 43; no 6 36½; feed 34½; track 53¾; no 1 durum 73; no 2 durum 66½; no 1 durum 50½; no 4 durum 43½; oats no 2 c w 33⅝; no 3 c w 31; ex 1 feed 31¼; no 1 feed 30⅜; no 2 feed 29¼; rejected. Barley no 3 c w 38¼; no 4 c w 54¼; no 5 c w 34⅝; no 6 c w 31⅝, track 38⅝.

CHICAGO

CHICAGO, June 24.—Overcome by bearish influence of the course of securities, grains turned downward today after an early display of firmness.

Aside from anxiety about black rust menace and relative to grasshoppers damage crop reports continued favorable both as to the United States and Canadian spring wheat outlook. Export demand for North American wheat remained slack.

Wheat closed heavy ⅝-¾ under yesterday's finish, corn ⅛-½ down, oats ⅛ off and provisions unchanged to a rise of 20 cents.

Foreign Exchange

NEW YORK, June 24.—Foreign exchange closed easily. Great Britain 3.60⅝; France 3.93 316; Italy 5.09; Belgium 3.91½; Germany 23.73; Canada 87.00

PRODUCE

MONTREAL, June 24. (By the Canadian Press)—Holiday feeling pervaded the dairy and produce markets at Montreal today, trading being quiet throughout the day, with some houses closing up at noon. Prices ruled nominally unchanged.

The butter market continued 16½ to 16¾ cents per pound for no 1 in cariots or less. Receipts were 2,512 boxes.

The cheese market remained 9½ to 9⅝ cents for Ontarios, and 9⅛ to 9¼ cents for Quebecs. Receipts were 9,946 boxes.

The egg market was quoted unchanged at 21 to 22 cents for extras, 17½ to 18 cents for firsts, and 15 cents to 15½ cents for seconds. These prices being for graded Ontarios or prairies. A straight car of extras from British Columbia has sold at 23½ cents per dozen. Receipts were 3,265 cases.

Potatoes were unchanged.

We read of a recent celebration in Spain "observed with simple honors."

The ace, jack and ten, of course; the king and queen no longer being available.

Induction At Belfast

The Presbytery of Prince Edward Island met in special session at 7 p.m. on Tuesday, June 14th, in the Presbyterian Church, Belfast, for the purpose of inducting Rev. D. L. Griffiths into the pastoral charge of the Belfast congregation and for any other business that might be legally brought before the court, and was opened in due form by the Moderator, Rev. Fred Williamson.

Those present were Rev. Fred Williamson, Moderator; Rev. R. Hensley Stavert, Clerk; Rev. Allister Murray, Rev. Alex. R. Gibson, Rev. G. Carlyle Webster and Rev. E. C. Robertson and Messrs. Thos. W. Morrison and Angus McLean representative elders.

Others not members of the court present at the service were Rev. M. E. Genge, D. D., Rev. W. H. Rhoad, Rev. J. E. Purdie and Messrs. R. E. McDonald John Cameron, Thos. G. McKenzie, W. H. McInnis, Chas. Gillis, Chas. Martin and Murdock Ross, Elders.

The clerk read a letter from Rev. R. Moorehead Legate expressing his regret at not being able to be present because of another engagement and extending to Rev. and Mrs. Cess in their new sphere of labor.

The principal business before the court was the induction of Rev. D. L. Griffiths for which arrangements were completed At the induction service which was held at 7.30 p.m. Rev. Fred Williamson presided and inducted; Rev. E. C. Robertson preached the sermon, Rev. Alex. R. Gibson, interim moderator of the Belfast session, narrated the steps leading up to the call. Rev. R. Hensley Stavert gave the charge to the newly inducted minister and Rev. G. Carlyle Webster addressed the people of the congregation. The addresses were all of a high order and the service throughout was a very dignified and impressive one. The people of Belfast are rejoiced at having a pastor again in their midst. Rev. Mr. Griffiths received his training in the University of Wales and was ordained to the ministry of the Presbyterian Church in his native land of Wales. He is also a graduate of the London College of Music. During his short stay among these people before his induction Mr. Griffiths has already made a good impression and the outlook for success in the work in the future in this historic congregation is bright with hope. At the close of the induction service the Presbytery re-convened for a short period.

Along with matters of routine and one or two other items of business it was agreed that the summer school would be held during parts of the last week of July and the first week of August. All arrangements have not yet been completed but the dates of the school will be July 28th to August 4th. All the ministers and the elders and all of the workers in the Sunday School and Young People's Societies are urged to do all in their power to have as many as possible of our young people in the various congregations attend the Summer School and also to be ready to assist with the programme whenever necessary.

The Presbytery then adjourned to meet at 11 a.m. on Tuesday, July 19th, in the Keir Memorial Church, Malpeque, of which public intimation was given and the meeting was closed with the benediction by Rev. Fred Williamson.

The ladies of the congregation served a dainty lunch in the school room of the church for all who came from a distance and they thus well sustained the reputation of this people—that no one is ever allowed to go away hungry from Belfast.

H.K.S. HEMMING B. A., C. P. A., C. G. A.
OF MONTREAL
CERTIFIED PUBLIC ACCOUNTANT
Member of
CANADIAN SOCIETY OF COST ACCOUNTANTS

Begs to announce that he is opening a branch office in Charlottetown, and now offers the services of himself and staff for the following purposes:

The opening and closing of books of account. Auditing in all its phrases—for Governments, Municipalities, Public Utility, Commercial and Financial Corporations, and for partnerships, private business and professional practices.

The instituting of Cost Accounting and business systems for offices, warehouses, factories and shops.

The revising of Company By-laws and Minutes, and consulting regarding other matters pertaining to the Dominion and Provincial Companies Acts.

Advising regarding Income Tax and Sales Tax returns.

The appraisal of Plants, Stocks of Merchandise, Book Accounts, &c.

The investigating of Insurance Policy conditions.

The Liquidating of Limited Liability Companies and of Estates, and the Trusteeship in Bankruptcy.

Reference is given by permission to the Managers of the several Chartered Banks in Charlottetown.

Temporary Address—for appointments

Down The Back Stretch

Continued from page 7

Located there is trainer George F. Smith, who last year migrated from the great west and settled down in little P. E. I. where he broke into the fame column by trimming Lucky Lindy and Billy Cope with Real Worthy at Summerside, July 1st and incidentally leaving behind a track record of 2.15 for the boys to shoot at. Real Worthy also holds the track record at Willowdale where he stepped in 2.18. Trainer Smith is known as a very careful trainer who believes in a lot of slow miles so there is nothing sensational to report from his string, but that does not say they won't figure in the money winning when they turn for the coin.

Bingara Todd 2.21½ owned by Art Jay, Borden, has been a mile in 2.24 with the last half in 1.08½.

Al B. Jr., owned by Smith, has been in exactly the same notch. Mollie F. is a green pacer owned by Don McFayden, Augustine Cove. She has registered in 2.40. Sanobelle is a green pacer owned by Smith, best mile 2.35. Alberta Moore is a green trotter owned by Charles Crossman, 2.35 is her fastest to date. Jean McGregor is a well bred one being sired by The Senator 2.03½, is owned by Art Jay. She is getting her first lessons as a pacer. Jimmy Witt and Queen Zombro are both pacers owned by Gordon Dawson of Summerside. They have been working around 2.40.

Trainer Smith will likely start some of his charges at Summerside Dominion Day and then follow on through the Island circuit.

Johnny Miles 2.11½, whose education was changed to the pace this spring, evidently could not forget that when changed back to the trot, after he refused to go away at that mode of locomotion last Wednesday at Upton, persisting in pacing away from the wire. This was his trouble last spring so it is not a new complaint. Somebody no doubt could make a great pacer out of him if they just took plenty of time to give him slow miles.

Marge Direct, operated on by the great Toronto Veterinarian last year who was brought here by our enterprising friend George Buntain to operate on Major Aubrey, is commencing to get back to old form under the careful tutulage of Clarence Schuman. Clarence was a tickled boy when she finished third the first heat, separately timed in 2.19½. "Just going easy with her" said Clarence, "Wait, boys, until I pull out the plug and I will show you something." Marge worked a quarter in thirty seconds early in the week.

Hush, the product of Silence and Longset, justified the breeding experiment of crossing a trotter and a thoroughbred by pulling Pomp around the course at Upton the second heat in 2.17 on Wednesday; Pomp was foxing with Hush on Tuesday, carrying a willow switch and making believe he was trying hard but failing to accomplish much in the speed line. Oh, if it were only the old days and the pool box was in operation, what a clean up could have been made with Hush after the exhibition at the Charlottetown track on Tuesday!

Believe it or not, Hush stepped an eighth from the wire timed by Well McNeill at the race track recently in fourteen seconds, the most speed we have ever seen exhibited the first eighth on any track; then Pomp closed the shutters and the last eighth was in twenty-eight.

Dr. Green will likely have charge of several of the horses now in training at the Charlottetown Driving Park shortly. They have failed to meet the acid test after several weeks of training and the use of leg paint. Dr. Spon, condition powders, etc., so back to pasture or to some purchaser whose egoism makes him believe he can do what other good men have failed to do.

Silver Doctor by Kentucky Marque out of Helen R., owned by Notting and Ross, was third the second heat at Upton, separately timed in 2.17½ This is a sweet gaited pacer and who knows but what will yet go as fast as Helen R. who it will be remembered paced the Charlottetown Driving Park track in the fall of 1914 an exhibition mile in 2.12½.

There are several good green pacers showing up for the season's races and just off the bat we think of Real Great, Frank McKay's mare bred by George Reddin. Silver Doctor, Hush, owned locally and two owned by Harry O'Brien at Alberton and three others at present in training at Northam. Out of this bunch should come one that will pace in 2.14 or better.

Grandma owned by Rankin McLaine and driven by him last Wednesday, was minus the hopples. She needed them at a critical period in the second heat when Billy Cope tackled her on the home stretch. She went up in the air and Billy went on to win.

Some good workouts occurred at the Charlottetown race track early this week. Golden, grandson of Lee Axworthy 1.58¼, world's champion trotter, and grandson also on his dam's side of Nancy Hanks, 2.04, former world's champion trotter, stepped a half mile from the wire in 1.04. He also worked a mile in 2.14½ showing that he is getting into form.

Volo Rico 2.04 paced the fastest mile over the Charlottetown track so far this season when he tramped the oval in 2.12, both halves alike.

Speed is the most important item in a racing stable and right now it looks as if P. E. I. trainers have a lot of it to turn on this season. Never in our experience has there been so many fast quarters and halves reported, yes, and miles too, so early in the season. They are predicting 2.10 at Northam.

Summerside July 1st will fire the opening gun of the purse racing season. The three classes will fill well and with the track improved would look to see Real Worthy's 2.15 splintered as a pacing record and Frank Ortolan's 2.15 as a trotting record.

Toledo Grand Circuit meeting where $40,000. in purses will be raced for July 11th to 20th, will hold nine evening's racing with 36 events. The track will be literally flooded by electric lights, so arranged that no shadow is cast and the spectators can see perfectly. Night racing is a great relief to horses, caretakers and drivers in that section of the world. In July for pure torridness it is hard to beat Ohio.

At the recent race meeting in Simcoe, Ont., where 2000 people were in attendance an exchange says "They were handed out a line of racing that sent all away satisfied with the days program which was featured by several close finishes. There were no less than five spills and six drivers were thrown from their bikes. Four of these very shortly after leaving the wire." We wonder which satisfied the spectators most the spills or the finishes.

An exchange says that six million dollars in purses and stakes will be competed for in Canada and the United States by trotters and pacers in 1932.

Guy the Tramp 2.04, Canadian pacer is looked upon to duplicate the feats of Grattan Bars, Jean Grattan, Prue Grattan, Tolgate, Winnipeg and other Canadian horses which the past few years have regularly copped the big purses in the United States.

The fastest mile reported so far from Ontario was made at the Glencoe races June 15th when the track record of 2.11½ was broken by Tony Mac when he paced the second heat of the 2.17 class in 2.09½.

Tolgate 2.00½, sensational Canadian pacer compaigned by Vic Fleming last year is being prepared for another try this year. He recently worked the New Market, Ont., half mile track in 2.16 with the last quarter in .28½ seconds.

At the annual spring races, Vienna, Austria, June 14th, fifteen thousand people were present to see the stellar attraction of the day, the 48th renewal of the Austrian trotting derby. It was won by the colt Rollo, bred in Austria, by the French sire Nelusko. The purse was forty thousand shillings, equal to $10,000. which shows they may be short of cash in Austria but not for horse racing.

The following lines in memory of Walter Palmer, the poet laureate of the trotting turf are very fine. Cut them out and paste them in your book.

"A bard has passed, a silvery voice is still.
No more his song's so sweet will thrill.
The host of friends of horseman clan,
Who loved him as a real man,
In all his sports and business, too,
The soul of honor through and through.
As driver up he drove to win,
As Judge, no bribe could reach to him.
In dealing thus with friend and foe,
Blue ribbons went where they should go.
No better line to do him honor,
God rest the soul of Walter Palmer."

J. J. Mooney, Fremont, Ohio. June 10th.

Bellefontaine Ohio races June 7th, drew the largest attendance for years. On one afternoon 39 horses faced the starter in three classes and the day was featured by the terrific speed shown in each and every class. The papers say the grand stand was filled to capacity and enthusiasm prevailed everywhere. The fastest heat trotted during the meeting was in the 2.15 trot where Lindy D. by Walter Cochato stepped the first heat in 2.06¼. The fastest heat paced was in the Free for All by Easter Mary winning the third heat in 2.06.

"Currycomb" in the Horseman, says the Irish Sweepstakes, have come and gone, but the suckers go on for ever. Although the list was cut in half through the vigilance of U. S. agents, the fact is there were many thousands of counterfeit tickets sold in the U. S. A.

Says the Horseman: "Attending a race meeting is a better relief from business worries than jumping out of hotel windows. It is a common sense way to relax and obtain a true perspective of life as it really is. It is a mighty good world after all."

We wonder what old John D. Sr., will say to this. Fortunately John D. Jr., has obtained a big share of the money bags. An exchange says: "John D. Rockefeller, Jr., admits that he bet $350,000. on a losing horse."

Lucky Lindy showed two exceptional miles Thursday afternoon driven by owner McNeill, tramping the first in 2.12 4-5 and the second in 2.12 3-5. The track could not be called fast as it had not dried out thoroughly after Wednesday nights rain.

Neil Frisco, winner of the Free for All at Black Diamond track, North Sydney on June 19th, was purchased at last Old Glory sale for a very small figure due to the fact that he was a notorious bad scorer. Billy Hood seems to have found his combination, however, as he won in straight heats from Trampsmug, Lambert Todd, Janette Royal and Ruby P. The first heat was in 2.13, mighty fast time for the track and day. The Pup was 2, 2, 2, to Aeron W. starting in the 2.21 trot. The fastest heat was 2.23. Waltz a son of Colonel Waltz and formerly owned by Mr. McDonald, Souris West or thereabouts, who sold him to Well McNeill last winter, won the 2.24 pace in straight heats, best time 2.21.

Peter Dawes 2.12 owned by Dr. H. McIntyre Charlottetown, was a mile Friday morning in company with Volo Rico who failed to get to him. The "Doctor's Hoss" was finishing strong in 2.14 over a heavy wet track.

DON'T TAKE THE RISK!

The loss or destruction of a single important paper will many times outweigh the annual cost of a safety deposit box. Shelve your fears permanently by thus protecting your securities, insurance policies and other documents.

Rollo Bay East District Convention

The Rollo Bay East division taking in Rollo Bay East, Souris West, Gowan Brae, and Bear River South, held their second district convention in St. Alexis Hall, Rollo Bay East on Thursday, June 9. The first session opened with a chorus: O Canada. The address of welcome was read by Minnie A. Chaisson and the reply to the address was given by Mrs. Alphonsus McDonald. The followng nominations were made for the convention: President, Mrs. R. Kickham. Secretary, Minnie A. Chaisson. The minutes of last district convention were read. Reports of the different Institutes were given and showed the splendid work that had been accomplished through the efforts of the members. Mrs. Hansen gave a very interesting talk on how the ladies of Western Canada carried on their work, also their meetings. Another important part of the afternoon's program was a delicious lunch to which each member was copiously served. Meeting adjourned.

EVENING SESSION

The evening session opened with the President in the chair. We were very proud to have with us Senator Hughes and Supervisor Mullin who delighted the audience with their speeches. Senator Hughes particularly sterssed the importance of having children read and articulate properly. He also gave a recitation that was highly appreciated. Supervisor Mullin spoke principally on School Fairs. This too was very instructive. He also gave a demonstration on the use of the sand table in schools. The rest of the program consisted of: Chorus: O Canada, by Souris West pupils.

Dialogue: Neighbors, by pupils of Bear River Souh.

Song: The Duel, Souris West pupils.

Dialogue: Train to Mauro, Gowan Brae pupils.

Coon Song: by Frances White.

Recitation: Common Bill, by Irene Kickham.

Song: When the Work's All Done This Fall, by three girls from Bear River South School.

Dialogue: Tillie and Millie in New York, Souris West pupils.

Song: Smiles, Bear River South pupils.

Recitation: The Graves of a Household, by Miss Mary Mc Gillvray.

Song: by the Misses Mary Mullally and Mary Howlett.

Song: Thistle, Shamrock, and Rose, Souris West pupils.

Chorus: Island Hymn, Bear River pupils.

National Anthem.

We offer—
New Issue
TOWN OF SUMMERSIDE
6% Bonds
Dated June 15, 1932
Maturing June 15, 1952
Denominations 500—1000
Price: 96 and accrued interest to yield over
