DOWN THE BACK STRETCH

The fastest trotters and pacers in the United States will be at the Grand Circuit meeting which opens at Old Orchard, Maine, this week on Monday. They will spend two weeks there, then move to Massachusetts for six days at Goshen, thence to Goshen, New York where the Hambletonian—the largest trotting stake in the world—will be raced for.

Victor Fleming, the Canadian reinsman who makes his headquarters at the New York State Fair track, is having his most successful season in years. One day at week at North Randall he won every race on the card, equalling a record set twenty-five years ago by Scot Hudson, and during the week he had eight winners—even of which he developed. His four winners in a day were Billy Sweet 2:02, Peter Song 2:03, Gunar 2:04 and Emmanute 2:05 1/2.

Scot Hudson, is still living and up until a few weeks ago was president of the Atlanta Country Club an office which he held for fifteen years. Hudson was one of the greatest reinsmen of his day and generation, and when he won the four events in a day the most exciting was with Audubon Boy that he placed in the two-minute stake.

Harry O'Brien had a good crowd racing fast track kept free from dust with plenty of water, a good stand and starter for his successful races last Wednesday. Many favorable comments were heard regarding the way he has improved his plant. It was given out that he and his partner Mr. Perry will give a second meeting at Summerside, Wednesday, July 18th, when they expect to bring in a number of outside horses.

There was some fast stepping at Woodstock and North Sydney Wednesday. Tracy Hanover, the 2:13 double which Earle Avery is training for T. V. Holdaway, set a new season's mark for New Brunswick by pacing a winning heat in the 2:14 class of 2:08 1/2. Alloway, one of the leading trotters in the season of 1935 and also grand winner last year, won the 2:15 class with the best heat in 1:58 which is the season's trotting record for the Maritimes. Earle is said to have fifteen candidates in training in his stable at Woodstock. His must be a busy life keeping that bunch shod, exercised and trained.

Ronald Hanover 2:04 1/2, that Mrs. Margaret Hanover purchased from parties in Maine a few months ago, appears to be a real speed find and has won both starts but dropped one heat to Signal Senator Wednesday. Marjorie M. did not start but will be available later as her owners were simply marking time.

Perhaps the most interesting event in Maritime racing on Wednesday was the performance of the four-year-old Sully, owned by Mrs. Balard, that was 1-1-1 at North Sydney, beating out Quaker Girl 2:09 1/2 and Calumet Duke 2:12. Both top notch performers. Sully has served notice on the 2:20 class pacers and others that he is a real competitor.

The officials who handled the meeting at Alberton so well were: Starter, Dr. F. C. Dougan; Judges, George Hooper and James Arbing, Charlottetown, Carl Weeks, Alberton; timers, Mary Matthews, Alberton; J. Pope Clark, Charlottetown; Martin Reeves, Sydney.

In the race in which Billy Direct took a record of 2:02 at Toledo two weeks ago, Miss Budlong (2) 2:10—now a three-year-old—was only beaten a small margin in heat in 2:03 1/2 by Lula Strong. Billy finished a close third to Billy Direct in 2:02. She was timed her last half in .58 seconds despite the fact that she met with interference but straightened out for the home stretch. Miss Budlong is owned by Frank McKay, East Royalty.

One thousand dollars has been posted by the owner of Greyhound (57) to cover the expenses of Muscletone (3) 2:02, who is expected to race Greyhound for the world's championship. Afterwards Greyhound will meet Muscletone in Italy. The first race will take place about September 15th.

Heatherbell chalked up his second win of the season at Amherst on Wednesday. The track was very slow and the opposition not stout enough to cause the old warrior to extend himself. No doubt he was thinking as he sped around the oval of the difference in the year before when he met a big field of pacers at Montague and in every heat lowered the track trotting record.

ton. Holly Direct her quarter in 32 seconds. She seems to be improving with every workout and should trot in 2:14 by Exhibition. Holly is the best slow class trotter that has shown up this year.

Oh Boy Fischer 2:11, that will remember das a bad actor when racing around the circuit in this province last year, is trotting nicely this season and won a race at Amherst Wednesday, and incidentally the fastest heat—2:17 1/2—not bad going over that oval. He headed Martindell 2:11 that has been winning consistently in good time, Diamond Mac 2:14 1/2 and Foxy Peter 2:13 1/2.

Aylmer Worthy, which Mr. C.H. Chandler received in trade for Captain Jackson 2:14, some years ago, is commencing to show the form which he is believed capable of at Amherst Wednesday he was 2-1-1 over a bunch of pacers.

The many friends of Lusty Frisco, 2:07 1/2, will be glad to know that he has completely recovered from the injury sustained Dominion Day. On Tuesday he worked a mile in 2:17 with the last half in 1:06 over Upton track, which is many a trotting slow. Mr. Chandler, who was an onlooker, was delighted with his horse's form and is confident that he will be as good as last year when he headed four summaries in a row.

George McIntyre paid a visit to this city on Thursday and was all agog with enthusiasm re his boss August 4th. George has been working hard getting his track in that wonderful condition which makes possible new records. Montague track is peculiar in its subsoil, and unlike other tracks has to be handled with skill and considerable manual and mechanical effort.

Forty-seven owners have been communicated with by George in an effort to bring together the best horses racing in the Maritimes. George threw out a hint that there might be the purchase of a horse or two made by parties in Montague who were good patrons in the past and have returned the strong combination of the following yesterday's tournament play. The match was scheduled for 3:30 p.m.

Chandler and MacMillan defeated the strong combination of Art Hogan and Dick Rice in straight sets to enter the final. Scores were 6-3, 6-4. In the other semi-final match Pierce and MacKenzie were forced to three sets by Dr. Giddings and Fred Kelly before emerging victorious. They captured the first set, 8-6, but lost the second, 6-3. Showing a reversal of form Pierce and MacKenzie ran out the final set, 6-2.

With the prospects of a number of Maritime records being broken in the coming harness racing season, it is interesting to recall the fastest records in the province in 1897—40 years ago—states James W. Powers, of Halifax, N.S. Among the trotters were Warren Guy, owned by H. C. Lydiard, of Kentville, in 2:19 1/2; Minota, owned by J. R. Lamy, of Amherst, in the same time, the fastest mile made in the province in a Brock, Montrose, owned by Redden, of Charlottetown, 2:20 1/2, was the fastest gelding. The latter also had the fastest first heat, 2:21 1/2; the fastest second, 2:20 1/2; Warren Guy the fastest third, 2:21, and seventh, 2:19 1/2; Minota the fastest fifth, 2:19 1/2, all made at Charlottetown in 1897. Minota also shared with Arlight, owned by W.H. Fowler, Saint John, the fastest fourth heat, 2:21 1/2, made at Fredericton, and at the same track she trotted the fastest three heats on a provincial track, 2:21 1/2, 2:21, 2:21 1/2, all made in 1897. Pilot J.B., by Black Pilot, owned by W.B. Rockwell, Kentville, had the fastest record for sixth heat, 2:21, at Amherst in 1894. Later as Special Blend, owned by E. LeRoe Willis, of Saint John, he took a record of 2:18 1/2 in Maine and then became the fastest trotter owned and bred in the Maritimes.

Tomah, 2:10, by Edgardo, owned by G. A. Hall of Boston, was the fastest trotter bred in the province in 1893. Blimot, owned by J. A. Leaman & Co., had the three-year-old record of 2:30, made at Amherst in 1897, and Brazilian, owned by J. C. Mahon, of Havelock, N.B., four-year-old, 2:24 1/2, at Saint Stephen in 1893.

Esquires and Canads meet in a junior league encounter at the Park diamond tomorrow afternoon. Murphy for the Canadians and McAleer for the Esquires will likely be the opposing moundsmen and a hurling duel appears to be in the offing. The game gets underway at 3:30.

Rovers Are Halted By Brigade Team

1st Medium Brigade team regained first place in the City Softball League last night by turning back Ev. McNeill's Rovers. 12-10 in a game that was closely contested all the way. Artillery's superior batting punched the tide in their favor as both teams committed damaging errors in almost every inning. The winners went to the front to stay in the third frame with a four-run burst that overtook the Rovers 4-3 lead. The losers drew up to within one run of their opponents in the fourth but Artillery added another counter to their total in the fifth. The teams each scored three runs in the sixth and divided a brace of tallies in the eighth. There was no scoring in the ninth with the winners retaining the two-run lead they had garnered in the fifth frame.

Men's Doubles Final Scheduled This Afternoon

George Chandler and Don MacMillan will meet Rev. A. MacKenzie and Fulton Pierce today for the men's doubles championship of the Charlottetown Lawn Tennis Club following yesterday's tournament play. The match was scheduled for 3:30 p.m.

Chandler and MacMillan defeated the strong combination of Art Hogan and Dick Rice in straight sets to enter the final. Scores were 6-3, 6-4. In the other semi-final match Pierce and MacKenzie were forced to three sets by Dr. Giddings and Fred Kelly before emerging victorious. They captured the first set, 8-6, but lost the second, 6-3. Cubs Hold On To Slim Lead In National, Yankees Defeated In Weird Contest

NEW YORK, July 16—(AP)—The Giants threw away a fine chance to regain the National League lead today by giving up an unearned run in the 11th inning and thereby handing Pittsburgh Pirates a 4-3 victory in their overtime clash. Cliff Melton walked two of the first three batters to face him in that frame, and was replaced by Dick Coffman. Pop Young then hit what should have been an easy double-play ball, but Burgess Whitehead made a two-base wild throw past first allowing Al Todd to score the winning run.

In Boston Lou Fette, Bees' sensational freshman, limited the pace-setting Cubs to three hits, while chalking up his 11th win in 14 starts by a 6-1 margin. St. Louis won the first game in quick fashion by knocking Walters out of the box in the first inning with five runs and then gave Jordan the same dose in the fifth to clinch the contest.

The second game was a see-saw battle of base hits with the Cardinals finally knocking Walters out of the box again in the 10th with an eight-run rally. The Dodgers belted 10 hits but

Greyhound Sets New World Record For Trotters Over Half Mile Track At Goshen

GOSHEN, N. Y., July 16—(AP)—Greyhound, American trotting champion, owned by E. J. Baker of St. Charles, Ill., smashed the world half-mile track record for trotting one mile today as he made his first start of the season on the semi-final day of Goshen's Grand Circuit race meeting.

The lanky gray horse, which has been matched with the Italian-owned Muscletone, champion of Europe, for a pair of races this fall and winter, trotted the mile over the Historic Oval in 1:59 1/2. This bettered his own world record of 2:02 made on the Allentown, Pa., half-mile oval last fall, and the local track record of 2:02 1/2, made by Uhlman in 1911. It also surpassed the best mile ever made by a pacer over a half-mile track, 2:01.

Yesterday's rain left the track still slow. Nevertheless, Greyhound, driven by Sep. Palin and paced by a running horse driven by Will Fleming, covered the first quarter in 29 1-2 seconds, the half in 1:00, three-quarters in 1:30 1/2 and the last quarter in 2:31 seconds to finish in 1:59 1/2. Billy Direct, owned by P.J. Downey of Worcester, Mass., and driven by Vic Fleming formerly of Dundas, Ont., scored an easy victory in the Village Farm Stake for three-year-old pacers.

had to put on a three-run splurge in the ninth inning to nose out Cincinnati Reds 6-5. Five straight singles scored three runs off three different pitchers in the final-inning dash and broke up the ball game.

NEW YORK, July 16—(CP)—Tigers emerged from one of the wildest ball games to be played in the American League this summer to trim New York Yankees 14-7 in Detroit today. In one wild inning, the sixth Tigers scored seven runs on one hit. Monte Pearson, the veteran Pat Malone, and Frank Mako'sky walked seven batters to fall one short of the major league record.

In Chicago, the White Sox pounded Bud Thomas and Lynn Nelson for 18 hits to beat the Athletics, 9-4, in the final of the series. Every player on the Chicago team made at least one hit. Boston Red Sox held tight to second place by taking the odd game of a series of three from St. Louis Browns 6-4.

Cleveland Indians won their fourth straight game by defeating Washington, 11-5, in Cleveland, blasting their former teammate, Wesley Ferrell, from the mound in the fourth inning. Ferrell gave the Indians nine hits in a little less than four innings, before being replaced by Ed Linke. Mel Harder, winning his sixth game of the season for the Indians, granted 13 hits to the Senators, but kept them well-contained.

Playoffs To Get Underway In Ind. League

Playoffs for the Industrial Baseball League will start over the week-end and it was decided at a meeting Thursday night held in President Dr. F.C. Dougan's office with representatives of the various squads present.

The meeting decided that it was the best move because of the way things were going practically since the league opened. Teams were failing to show up for scheduled games; games were being postponed regularly and both players and fans were fast losing interest.

All-Stars and Cubs meet in one best two-out-of-three semi-final series while Anchors and Bees play a like series. National having drawn the bye. At the conclusion of the first round of the semi-finals the two winners will then draw with the Nationals for the second bye, the team drawing this bye ultimately getting into the finals against the winners of the second round semi-finals.

All-Stars and Cubs open their series tomorrow at the Park in front of a large crowd. These two squads are probably the smoothest fielding teams in the league, boasting also of the two smartest pitchers in McCallum and Robins, so the series should and probably will be closely-contested, likely to go the limit of three games.

Grant Paired Against Von Cramm Today

BY SCOTTY RESTON Associated Press Sports Writer WIMBLEDON, July 16—(AP)—Don Budge of Oakland, Calif., and Bryan M. (Bobby) Grant from Atlanta, Ga., today were nominated to face Baron Gottfried Von Cramm and Heinrich Henkel of Germany in the opening singles matches of the Davis Cup inter-zone finals tomorrow on Wimbledon's centre court.

Il or lame ever since arriving in England a month ago, and practically reconciled to a reserved seat in the stands, Grant's name was dropped into the hat with that of Budge and drawn out against Von Cramm in the first match tomorrow.

Budge then automatically drew Henkel as his opponent on the same court. They will trade opponents in the other two singles matches on Tuesday and Budge and Gene Mako will play the two German blonds in doubles on Monday.

Athletes To Gather Here Next Week

The Mecca of the Maritimes—Charlottetown is the meeting place of the leading athletes next week, over sixty sturdy performers in the squared circle, ten outstanding bike riders, and eight footracers.

Not only is the gathering point of exponents of the mainly art of speedsters of the bicycle and wearers of the spiked shoes—but on Wednesday night overs of the old dances will revel in the Big Barn Dance. It is anticipated that thousands will assemble at the Forum to participate in these great major sporting attractions on Tuesday and Wednesday nights next.

Of course the great magnet is the Golden Gloves Tournament. Never in the history of Maritime Boxing Championships has there been such a large entry list. With sixty-two boxers entered every class will be abundantly filled—and among these will be some stars of the boxing fraternity. The enthusiasm, the absence of all wiles, the love of the mitt game will afford spectators much over which to enthuse, and it is believed that the amateur fighters will prove as popular and attractive here as in other Maritime centres. From beyond the Strait the visitors will arrive Monday. On Tuesday afternoon they will be examined, weighed and matched, so that all details will have been ironed out for a prompt opening at 8 o'clock. At six o'clock the 10 mile foot race will start, finishing at the Forum. Among the starters will be Oliver of New Glasgow, Maritime Champion.

The boxing eliminations will all be concluded Tuesday night and winners in the respective groups will meet in the finals on Wednesday night. Spectators will have two performances of high merit, creating interest, enthusiasm and excitement. From Summerside will start the 40 mile grind for the bicycle racers. This event will be sent off by His Worship p Mayor Robinson. The finish will be at the Forum.

Seven Canadians Qualify For Final Stage Of King's Prize To Be Fired Today

BISLEY CAMP, England, July 16—(CP Cable)—Seven Canadians are in the select circle of the "King's Hundred," who fire tomorrow in the final stage of the King's Prize, classic climax of the Empire meeting of the National Rifle Association.

The seven qualified today in the second stage of the big shoot and tomorrow test their skill again in the most arduous competition of the entire meeting, the final stage calling for 15 shots at 900 and 1,000 yards on a bull's eye 30 inches in diameter.

Scotland's team of 12 won the MacKinnon Challenge Cup in an unusually close contest that saw Canada gain second place seven points behind, and only a point ahead of the third-place Australians.

Matchett Wins Aggregate

The King's second stage and the MacKinnon and Junior MacKinnon, the latter won by the Falkland Isles, were the only matches fired today but Canada's victory of the meeting came when Lieut. G. E. Matchett of Hamilton was posted winner of the Grand Aggregate.

Matchett's winning score was 381 out of a possible 615 in the 10 big individual matches that make up the Grand, taking the Dominion of Canada Challenge Trophy, the N. R. A. gold cross and coronation medal, the first cash prize of \$50. Matchett, who celebrated his 26th birthday on July 6, scored Canada's only previous win, taking the \$250; first prize and badge in the Duke of Gloucester match, formerly the Prince of Wales.

The final stage of the King's and the final stage of the St. George's Challenge Vase, in which at least three Canadians are qualified to shoot, wind up the big meeting tomorrow. The scores in today's second stage of the King's Prize, fired at 300, 500 and 600 yards, will be added to scores in the third stage to determine the final placings. Six Canadians were eliminated in the first stage Wednesday and five more fell by the wayside today, leaving seven in the final.

Canada's finalists with their scores in the second stage are: Sgt. T. A. Jensen of Inuvik, Alta. 142; Sgt. M. F. Dixon, Ottawa 141; Lieut. Matchett, Hamilton 139; Lieut. Wayne MacKinnon, Ottawa 139; Capt. S. W. Graham Toronto 136; and Lieut. C. F. Kennedy, Hilden, N. S. 134. Scoring was close in the MacKinnon before the Scotsmen registered their 11th victory in the team shoot which started in 1891. Canada has won the trophy eight times, the last in 1934. South Africa, winner last year, did not defend the cup. The team scoring in the MacKinnon follows:

Trophy Is Won By U. S. Yacht

YARMOUTH, N.S., July 16—(CP)—Vineyard Haven, Mass., Yacht Club won permanent possession of the Prince of Wales Trophy for international junior yacht racing here today.

The Massachusetts crew sailed through today to defeat a fighting Bedford, N.S., crew and was the cup, presented for competition in 1931 by the Prince of Wales now the Duke of Windsor for the third time in four years. Orrin Archibald and William Hagen, of the Bedford entry, turned in an excellent performance as the only Canadian crew ever to make the finals in the international series but went down before the experienced Americans in three straight races. For Kingman Brewster, skipper of the Vineyard craft, it was a second win in three years. His mate Edward A. Robie, has been aboard every victorious Vineyard entry.
