**LIVE WIRE IN TRURO.**

TRURO, October 29.—A very heavy  
wind and rain storm raged here last even-  
ing. A line of electric wire was blown  
down in front of the agency of the Mil-  
fax Banking Company on Prince street,  
and in less than five minutes five horses  
passing over it were knocked down in  
quick succession. The animals tumbled  
as suddenly as though shot through the  
heart with a bullet, but all quickly re-  
covered, sprang to their feet and went on  
their way apparently none the worse of  
their experience.

**A STEAMER SINKS.**

**Definitions.**

The following definitions are fresh  
from the school-room and are given un-  
diluted in the "World's Work."  
"Apherbility is the state of being an  
apherbille."  
"Afferbility is the state of being insane  
on one subject only."  
"Reverberation is when it is made  
again into a verb."  
"The Te Deum is a grand opera."  
"The British Museum is the principal  
ouilding in Paris."  
"Virgil was a Vestal Virgin."  
"Julius Caesar was the mother of the  
Bračchi."  
"Her Picture."

**Her Picture.**

She—I took this picture with my "ko-  
lak" while abroad. He—What is it?  
She—Well, that building that stands up  
perfectly straight is the leaning tower  
of Pisa—those leaning buildings are the  
perpendicular edifices adjacent.—"Puck."

He—I think she wears a very short  
golfing skirt. She—Well, why shouldn't  
she? She has a perfect right. He—Her  
left looks all right, too.

He—Now look as if you were being  
kissed. She—Before or after?—"Life."

**CHANGE OF LIFE.**

**A TIME OF INTEREST  
AND GREAT IMPORT-  
ANCE TO ALL WOMEN.**

Wrecked health is produced by neglect  
during this trying period, and small  
wonder that women look forward with  
dread to its coming, for if not properly  
passed, is but the beginning of an endless  
chain of troubles.

As soon as the unmistakable signs  
known to all women make their first ap-  
pearances, Ferrozone should be used  
regularly, and if persistently taken will  
be a guarantee of happy, healthy, old  
age.

Nothing can bring more pleasure than  
to know that the days of sickness and  
suffering are over. This can be accom-  
plished by building up the system with  
Ferrozone, which produces blood, muscle,  
brain, and strength to resist and ward  
off disease.

Ferrozone increases the appetite,  
strengthens and improves nerve tone,  
and digestive processes, thereby strength-  
ening and invigorating the whole system  
it gives tone to the hear, regulates its  
action, removes distressing palpitation,  
and it lays the sound foundation of per-  
fect health.

Ferrozone is a sensible and efficient  
tonic: it brings back strength very quickly  
and people are so strong and healthy  
that they would not be benefited by us-  
ing it.

Be advised and try Ferrozone. It is  
very pleasant to take, one tablet after  
each meal. All reliable druggists sell it  
for 50c. per box, or three boxes for \$1.25.

ston, Ont.

**Good Intentions.**

"Our minister did not take any vaca-  
tion this summer," said Brown, with a  
smile. "Why not?" asked the other  
man. "Circumstances over which he had  
no control forced him to stay at home,"  
replied Brown.

"He intended to go away and had  
made his arrangements, when several  
enthusiastic members of his congrega-  
tion—my wife was among them, and the  
others were all women, too—took the  
matter out of his hands, and told his  
wife confidentially not to pinch and save  
for his outing, because the members of  
the church had hit upon the happy idea  
of raising a sum especially for his vaca-  
tion."

"As the minister has a large family  
and his wife finds it hard to make both  
ends meet, she was only too glad to  
spend the vacation money in other ways.  
"Well, the women held several affairs,"  
and managed to get something over fifty  
dollars together. Then they decided to  
make the presentation a gala event, and  
give all the members of the church a  
chance to speed the parson on his way  
with good wishes.

"It occurred to them that a little mu-  
sic would add to the occasion, and so  
they engaged some musicians. One mem-  
ber of the committee thought that if  
there was music, light refreshments  
would be in order, and she took it upon  
herself to see that they were provided.  
A third hit on the plan of having the  
church decorated for the occasion, and  
hired a man to do the work.

"Early in the evening when they met  
to compare notes they discovered that  
their expenses had not only eaten up  
the amount that they had raised for the  
minister, but left them a matter of two  
or three dollars in debt.

"Oh, yes, the evening was a pleasant  
one to some, but there wasn't any presen-  
tation. On the way home I asked my  
wife who was going to square the debt."  
"Why, Joseph," she said, "what a ques-  
tion! The minister, of course. It was all  
done in his interest."

Many readers of the Guardian have no  
doubt seen the many advertisements of  
"The Macey Sectional Bookcase," in al-  
most every magazine they pick up, but  
do not understand how this wonderful  
case is put together and grows as your  
library grows. We wish to announce  
that we have them in stock and will be  
glad at any time to have everybody in  
Charlottetown come in and see them, we  
will be happy to show you exactly how  
they work, and can save you money if you  
want to buy.—John Newson. 30 21

**HE CAN PROVE IT.**

Mr Chalker is prepared to Substantiate  
the Truth of the Statements He  
Has Made.

**HOUSEY'S RAPIDS, Ont. 27th—(Special)—**  
The open letter of Mr. George C. Chalker,  
of this place, published in the daily papers  
some time ago, has created quite a sensa-  
tion and considerable inquiry from those  
who do not know Mr. Chalker. His friends  
are well aware that he would not put his  
name to any statement that he could not  
substantiate the truth of every assertion  
he made. In the letter he said—

"I was laid up with Kidney Trouble and  
was so bad that I could not do a day's  
work. My back was very sore. I had  
heavy, aching arms and dull, bloated eyes,  
I was very weak and much reduced in  
weight. Six boxes of Dodd's Kidney Pill  
cured me completely and I have not the  
slightest trace of Backache or Kidney  
Trouble."
