Traditions of fine craftsmanship are cherished with reverence... in Canada.

The skill and conscience and love-of-one's-art which built those traditions, are still realities... in Canada.

Truly fine coach-working is not becoming a lost art. It thrives and progresses... in Canada.

Credit this happy fact to the pride of workmanship inspired in his men by that great pioneer Canadian industrialist... Robert McLaughlin.

Take patriotic pride in the work of those men still employed by his associates and successors in the institution he founded—General Motors of Canada, Limited.

A masterpiece of their deft hands is exhibited in every Canadian-built Fisher body. And superior Canadian craftsmanship truly enhances the significance of the nameplate, "Body by Fisher". Shaping the best Canadian steels, working selected Canadian hardwoods, using the finest Canadian paints and Duco finishes and the choicest Canadian upholsteries, these veteran workmen, day after day, produce Fisher bodies known the world over for beauty and craftsmanship beyond comparison.

Admiring the superb beauty of any Canadian-built General Motors car, you conceive an appreciation of these men, grown gray at their labors of love.

In each their handiwork appears, each bears their master touch.

Large Red Pimples Itched Terribly Cuticura Heals

"My face became full of large, red, scaly pimples and at times they itched terribly. They spread in great blotches and formed large, sore eruptions that burned a great deal. I was ashamed to go anywhere on account of them, and the trouble kept getting worse. The trouble lasted about a year. I tried various kinds of ointments without success. I sent for a free sample of Cuticura Soap and Ointment and they helped me. I purchased more, and after using three boxes of Cuticura Ointment together with the Cuticura Soap, I was healed in about two months." (Signed) Miss Mildred M. Brau, Crousestown, Nova Scotia.

Prevent pimples by daily use of Cuticura Soap, assisted by touches of Cuticura Ointment when required. Dust with Cuticura Talcum.

Sample sent free by mail. Address Canadian Dept., "Cuticura Ltd., Montreal," Print, Soap, etc. Ointment 25 and 50c. Talcum 25c.
