HATS! HATS! HATS!

Your "Christy" Is Waiting For You! Sir!

We have just opened our spring stock of the famous

"Christy London Hat"

Thousands to choose from, one for every face. No two men look alike.

Is it then reasonable to suppose that the same style of hat will be equally becoming to all men?

We are inclined to think not. We go upon the supposition that the

Greater the Variety

of shapes, widths of brims, height of crowns and colorings the greater the satisfaction. Accordingly we present the greatest variety of Spring Hats to be seen in the City.

Remember there is only one place to buy a genuine "Christy" and that is here.

Prices \$1, \$2, \$3 each.

Other grades of Hats and other makes at \$3 to \$5, such as Hawes' Celebrated \$3 Hats, Stitson's and Scott's, Every Hat the best Hat for the money, that, your money can buy anywhere.

The countryman who appeared in the City Police Court recently said he got the liquor which made him drunk from two agents on the train.

The freight leaving this port by the Minto this morning for Pictou includes 11 horses, 1 car hides; 1 car condensed milk for British Columbia, 4 cars oats and 2 cars way freight.

Among the shipments by the Minto this morning will be eleven draught horses shipped by Henry Jones and Herbert Carver, Hazelbrook, to Wilfred Lawton, St. John. B. These horses are among the best that have been shipped from this Province for some time.

A case against two young men charged with drunkenness was dismissed at the Police Court yesterday being their first offence. Patrick McCloskey charged with lurking around street corners, had a fine of \$5 or 30 days placed against his name. McCloskey recently escaped from Falconwood and when found will probably be sent back instead of going to jail.

Rev. Aquila Lucas, well known in this Province, the representative of the International S.S. Assn., is doing great work in the West Indies and South Africa. He has just organized the Panama Isthmus Sunday School Association with a full list of officers. St. Kitts, one of the smaller islands of the West Indies, has ordered one hundred teachers training books for their students.

The Tabernacle parsonage St. John, was the scene of a pleasant gathering last week when a large number of the congregation called on the eve of Mrs. Kierstead's birthday to offer congratulations. On behalf of the company, Deacon Andrew Patterson presented to Mrs. Kierstead a valuable dinner set and a purse containing \$20. Rev. Mr. Kierstead well known throughout this Province replied on behalf of his wife.

The call which Rev. A. H. Foster, pastor of St. Matthew's Presbyterian church in St. John has received, is from the church at Maitland, Hants county (N. S.). As already stated, Mr. Foster's congregation at a recent meeting voted to make no opposition to his removal from the pastorate, and this was done at his urgent request as he has felt for some little time that a change of place of living was necessary in the interests of the health of certain members of his family. Mr. Foster is quite well known in this Province.

The following is taken from an American paper Benjamin Bray, whose home is at Springfield, Mass., was crushed and killed while at work in a carshop in Springfield Saturday afternoon, February 29. He was at work on a staging 60 feet above the floor and while busily engaged in sawing off a bolt, a big locomotive bodily from the tracks towards him and before he noticed it, or had time to get out of the way if he did, it crushed him against the side of the building. Two other men were working close by and they saw the crane coming and stepped out of the way. The place is a very noisy one, and Mr. Bray apparently did not hear any warning of the crane's approach. Mr. Bray is survived by a wife and seven children. His father Simon Bray is living in New Brunswick, and he has also two brothers, there, Chas. and Fred. Another brother William, lives in British Columbia, and a sister, Miss Laura Bray, resides in Prince Edward Island. Mr. Bray was 50 years of age.

W. E. Enman, City, has gone to St. John.

The Minto got into port of Charlottetown at 11.15 yesterday.

At the recent social in Tyne Gallet the sum of \$22.19 in aid of the school library was realized.

The people who have been running down the automobiles have evidently cause for believing they are now run down.

The Guardian regrets to report the illness of Chester McBride of St. Dunstan's College who is in the Charlottetown Hospital.

The inward cargo to this port yesterday by the Minto included two cars seed, one car wheat, one car of sugar and two cars way freight.

Miss Maud Carver, Hazelbrook, leaves this morning by the Minto en route to St. John, where she will spend a few weeks visiting friends.

In Hartland, N. B., hay is quoted at from \$3 to \$9 per ton with quite a quantity offering; oats are in good demand at 40 cents per bushel.

"Looking backwards on P. E. Island" is the heading under which the Halifax Chronicle gives particulars of automobile question recently before the legislature in Province.

The Guardian has received a message from Ex-Mayor Paton, dated at Cairo and containing the information that he and Miss Paton were having a most enjoyable time in the land of the Pharaohs.

Mrs. A. E. Vessey, St. Stephen, N. B., whose husband is a native of this Province, and well known in banking circles pleasantly entertained some lady friends to afternoon tea recently.

The Rev. Wm. R. Pepper, who was at one time stationed as a Methodist minister in this Province has accepted a unanimous invitation to return to the Sheffield, N. B., circuit for a fourth year.

The cheese course at the Sussex, N. B. dairy school opened on the 28th, inst., with a good attendance from this Province and also from New Brunswick. The P. E. Island students embrace some of the leading makers, and are as follows: C. A. Stevenson, manager New Glasgow; Peter Burke, Alberton; Geo. J. Murphy, Tignish; Joseph B. McDonald, Egmont Bay; Heber McQuarrie, Reid's Corner; Joseph Arsenaud, Egmont Bay; Douglas Campbell, Lakeville; David Collings, Sturgeon; James Finlay, Vernon; also Inspector Morrow, who is one of the school's instructors in cheese-making. The course consists of practical work in cheese making. Each day for ten days half of the students have charge of milk testing and chemistry alternately. After each day's work a lecture and discussion on how quality could be improved by changing to conditions that would be more favorable, which is taken part in by instructors and students. The course in creamery, buttermaking and home dairy work, which closed previous to the commencement of the cheese course was also well attended by some of the cheese makers named. Among those attending the home dairy courses from this Province were Neleta Jones, Pownal, and Clementine Drake, West River.
