Canada And New Zealand Sign Trade Agreement

Official Announcement Of The Terms Of The Pact Expected To Be Made Within Forty-Eight Hours

OTTAWA, April 24. (By The Canadian Press)—Canada and New Zealand, it is reported tonight, have signed a trade agreement. The pact was executed on behalf of the two sister Dominions during the week-end, it is understood. An official announcement of the terms of the agreement is expected to be made within the next forty-eight hours when arrangements have been completed. In the meantime, no official confirmation is available.

The agreement gives Canada, it is understood, considerable concessions under the British preference to exports of this country, largely manufactured. The duty on butter coming into Canada from New Zealand, it is reported, will be five cents per pound. This rate is similar to the duty on Australian butter. Imports of New Zealand wool will likely be on the free list under the British preference.

The agreement is fully expected to be tabled in the House of Commons this session. Parliamentary approval will probably be given to the pact before prorogation next month.

In May, 1925, it will be recalled, Canada and Australia entered into a trade agreement. The provisions of the treaty were extended shortly afterwards to New Zealand by order-in-council. On May 1, 1930, notice was given to New Zealand that this arrangement would be cancelled on November 1 of that year.

Negotiations towards a trade treaty have been under way for some time between Canada and New Zealand. In December last, Hon. H. H. Stevens, Canadian Minister of Trade and Commerce, and Hon. Downie Stewart, New Zealand Minister of Customs, conferred in Honolulu on the subject.

Lord Ashfield sailed for Canada

LONDON, April 24.—(Canadian Press Cable)—Lord Ashfield, chairman of the Royal Commission on Railways and Transportation in Canada, sailed on the liner Berengaria yesterday for New York en route to Canada.

Lord Ashfield said he was going to attend important conferences in the Dominion in connection with the concluding stages of his assignment.

He sailed under the name of "Mr. Edwards," and explained to newspapermen he was concealing his identity for purely personal reasons and there was nothing "serious or mysterious" in the fact.

BUDGET DEBATE WILL CLOSE TOMORROW

Lively Proceedings Predicted On Parliament Hill This Week.

OTTAWA, April 24.—(By The Canadian Press)—The closing of the budget debate in the House of Commons probably on Tuesday and the opening of the debate in the Senate Wednesday on the report of the committee which investigated the relations of certain Senators to the Beauharnois project will enliven proceedings on Parliament Hill this week. The Beauharnois report, criticizing Senators W. L. McDougall, (Cap. D.) Andrew Haydon and Donald Raymond, will doubtless be strenuously opposed by Liberal Senators and Senator George F. Graham indicated several amendments will be

LORD IRWIN VISITS CANADA

QUEBEC, April 24.—Lord Irwin, former Viceroy of India, arrived here over the week-end. The distinguished visitor will deliver a Massey foundation lecture in Toronto this week. During his short stay in Canada Lord Irwin said he hoped to be able to visit Winnipeg, Ottawa and Montreal. He will return to England at the end of May.

On Saturday, Lord Irwin was the guest of His Honor H. G. Carroll, Lieutenant-Governor of the Province of Quebec. He left for Port Hope, Ont., Saturday night where he will be the guest of Hon. Vincent Massey until Tuesday, arriving in Toronto on that day. The former Canadian Minister at Washington was in Quebec to greet Lord Irwin on his arrival.

In a press interview Lord Irwin had this to say in regard to the forthcoming Empire Conference at Ottawa:

"If we go into these meetings trying to see what we can contribute rather than what each can get out of them we are bound to come closer to achievement."

WOODSTOCK, N. B., April 24.—(By The Canadian Press)—A child was burned to death and his two small sisters suffered painful burns when a barn was destroyed by fire that started while playing in the structure at Doves settlement, near Canterbury. Neighbors succeeded in rescuing the girls, but were unable to reach Jeremiah Grant, five year old son of Mr. and Mrs. Norman Grant.

Photo Leads To Romance

When an American university band toured Holland during the summer of 1931 a young Hollander, A. L. van Assenderp (ABOVE) looked through the college's yearbook, which contained a picture of Miss Carol Johnson (ABOVE) of Lou'sana, who had in the spring, been selected as the most beautiful girl in the group by Gary Cooper, the film star. The young man promptly fell in love with the girl and he fell so hard he journeyed to Albene, Texas, to visit her. His affection transferred from picture to girl. She responded to his ardor and they were married in Holland last week.

Hitler Socialists Lead Five States

Are Not Strong Enough, However, To Take Over The German Government Alone.

(By Louis F. Lochner, Associated Press Staff Correspondent) BERLIN, April 24.—Adolf Hitler's National Socialists (Nazis) became the strongest political party in five German States, including Prussia, which alone constitutes two-thirds of Germany, in Diet elections today, but nowhere did they prove strong enough to take over the Government alone.

While in Anhalt, and possibly in Wurtemberg, they were almost certain to head Rightist coalitions, they apparently failed to gain a place in the cabinets of Prussia, Bavaria and Hamburg.

A bitter campaign for supremacy between the Republican Government factions and the Fascist legions of the fiery Hitler, who only two weeks ago failed to win the German Presidency from President Paul Von Hindenburg, ended with three fatalities, a number of other

casualties and minor disorders. The election determined the political complexion of the state diets.

All parties concentrated their efforts on Prussia on the theory that "whoever controls Prussia controls the Reich." Here the Nazis made a phenomenal gain from nine seats to 159 at the expense of the German Nationals, People's and State's (Democratic) parties, which suffered crushing defeats.

The only other party gaining in Prussia was the Communist, which now has 56 as compared to its former 48. The Social Democrats (Socialists) were heavy losers, dropping from 137 to 91. Even the Catholic Centreists lost four seats.

The Hitlerites polled 7,444,000 votes in Prussia, the Socialists 4,251,000; Centreists, 3,241,000; Communist, 2,620,000; German Nationalist, 1,200,000.

SCOUTS ATTEND SERVICES AT CITY CHURCHES

St. George's Day Observed By Parade To St. Paul's And Holy Redeemer Churches.

St. George's Day was duly celebrated yesterday by Boy Scouts of the City by a group attendance at St. Paul's Church and Holy Redeemer Church. The entire body of Scouts some 100 strong assembled under the direction of Assistant Scoutmaster William Warren at Rochford Square. Here they separated, the Catholic Scouts marched by way of Kent and Queen Streets to the Church of the Most Holy Redeemer. The scouts from the various Protestant churches marched by way of Pownall, Fitzroy and Prince Streets to St. Paul's Church where an appropriate sermon was preached by Rev. H. D. Raymond.

At St. Paul's Church the first and second lessons were read by Scouts, Maitland Owen and George Hart. A unique feature of the service was the investiture of Scout Preston McLean of Zion Church and Scout John Denny of St. James Church as Assistant Scoutmasters.

After the service the scouts marched to the Market Square and there dispersed.

Honolulu Trial Coming To Close

HONOLULU, April 24. (A.P.)—Dr. Joseph Catton, San Francisco alienist expected to be the final prosecution rebuttal witness in the trial of four persons charged with the revenge murder of Joseph Kahahawai, submitted a report on his findings in the case today.

While both Catton and counsel refused to divulge the contents of the report, it was learned authoritatively that Catton's findings support the prosecution contention that Lieut. Thomas H. Masie, United States navy, one of the defendants, was not insane when he held the pistol that killed the young native.

Catton will be the third alienist to combat the claim of the defence that the Lieutenant was mentally deranged when he shot the alleged attacker of his young wife.

The Automobile Tourist Business Holds Up Well

The Interchange Of Tourists Is One Business In Which Canada Has Much The Better Of United States

WASHINGTON, April 24. (By Ken Clark, Canadian Press Staff Correspondent)—The automobile tourist business in Canada holds up well, according to report of the United States Commerce Department made public today.

Spending of United States motor tourists in the Dominion in 1931 were only 7 per cent less than in the previous year, and 12.7 per cent less than in the peak year of 1929. Automobiles crossing north in 1931 were numbered at 4,909,889 and their occupants spent \$188,000,000.

The interchange of tourists is one business in which Canada has much the better of it. The decline in numbers of tourists has been about the same either way. In 1931 Americans touring Canada spent a total of \$238,758,000 while Canadians in the United States spent \$59,902,000. But Canadians are spending much less proportionately.

The tourist credit balance in Canada's favor has declined only about

MOUNTIES ARE CALLED TO QUELL RIOTS

Religious Sect In N.S. Settlement Responsible For Serious Outbreaks.

MAHONE BAY, N. S., April 24.—(By The Canadian Press)—Violence engendered by the conflict of differing religious creeds has broken out in the hitherto quiet country community of Martin's River. Tonight a detachment of Royal Canadian Mounted Police patrolled the roads of that district to prevent outbreaks of rioting which inflamed the settlement on Thursday, Friday and Saturday night.

Animosity of a group of men toward the Pentecostal Society or Holy Rollers, is blamed for the stabbing of one man, the partial demolition of two houses, the stoning of a number of worshippers, and minor injuries to several, with consequent summoning of 25 rioters to appear in magistrate's court on various charges.

The trouble started on Thursday night when a group of the Pentecostal faith, headed for the home of a communicant to hold service,

3,400 CANDIDATES ARE IN THE FIELD

French Elections Will Be Held On Sunday Next — 615 Seats Will Be Contested.

(By George Hambleton Canadian Press Staff Writer)
PARIS, April 24.—(Canadian Press Cable)—Three thousand four hundred candidates a week from today will contest 615 seats in the general election for the next French Chamber of Deputies. Taking the country as a whole this means practically six-cornered fights right through. France has no acclamations. Yet, heavy as is the total of nominations it is 300 less than it was in the general elections four years ago, and this year there are three more seats to be filled.

In Paris itself nominations have run riot. For 59 seats in Paris and the Department of La Seine 751 candidates have been nominated, an
