The Other Man

By RUBY M. AYRES

Barbara moved restlessly. "It doesn't make him any less nice because he doesn't care for his wife, does it?" she asked a trifle impatiently.

"You may cheer up. In the play he goes back to her, so it's all quite satisfactory." "But it's not real," Pauline said.

"I don't call that a happy ending. I am sure you would like to see the other woman best all the time." "Dennis laughed. 'Don't take it so seriously. It's only a play.'"

"I suppose you won't be able to dance," Barbara was saying to him casually. "I suppose your leg isn't really fit enough."

Pauline broke in eagerly: "Oh, but it is, isn't it? Tomorrow night it would do him good to exercise it. Dennis is a lovely dancer! You must watch him. Before we were married—"

"I dare say your idea of a perfect dancer and Barbara's are very different," Dennis broke in calmly. "And hadn't you better sit down, my dear? You're in the way there."

Pauline moved hurriedly, her pretty face flushed with pleasure at the casual words of Barbara. Barbara noted it pityingly.

"Have you ever noticed, Jerry, that when a man begins to call his wife 'my dear' it is the end of romance." "Jerry guffawed. 'Can't say I have, but I say you're a realist!'

"Dennis—Pauline is very fond of me." "I know."

Educational Officer For District No. 6.

Major J. Frank MacMillan

Major J. Frank MacMillan, an officer with many years of experience in educational work, has been appointed educational officer for Military District No. 6, which includes Nova Scotia and Prince Edward Island, according to an announcement made in Ottawa.

Major MacMillan will direct refresher and upgrading courses in the academic field for men and officer candidates who need such courses, supervise courses in teaching methods for army instructors, and inaugurate background courses in the progress of the war, in citizenship, civics and leadership for platoon officers and for N. C. O. instructors.

Major MacMillan joined the Prince Edward Island Light Horse in 1921 as a trooper, and was chief instructor of the cadet corps of St. Dunstan's from 1922 to 1925. Commissioned with "D" Company, Prince Edward Island Highlanders in 1925, he completed the officers' militia staff course to qualify as a b'd grade major in 1938. He went on active service on the outbreak of war with his unit in France.

In February, 1941, as educational officer of the unit, he was instrumental in establishing at Citadel Hill, Halifax, the first soldiers' library in the Halifax area. Early in 1941, he was taken ill and spent five months in hospital. The following April he was appointed instructor of the 6th District Depot, Halifax, where he organized classes in mathematics, English and typing for Depot personnel. Last June, he was attached to the Canadian Legion Educational Services at Atlantic House, where he has assisted in preparing and editing courses in mathematics and English for service men in Canada and overseas. The mathematics course, which recently went to press, will be available shortly.

There was a strong tone to the hog market throughout and slightly higher prices were paid in some cases than those prevailing in the previous week. Toronto was on a basis of \$16.75 to \$16.85 for the basic grade, Montreal mostly \$17.00 to \$17.10, Winnipeg \$15.75 to \$15.85, Calgary \$15.40, Edmonton \$15.40 to \$15.50, Prince Albert \$15.50, Moose Jaw \$16.30 to \$16.40, and Moncton \$17.25.

The Clinton Women's Institute held their June meeting at the home of Mrs. Roy Woodside with the president, Mrs. Willard Riley presiding. There were 15 members and one visitor present. The minutes of last meeting were read and approved. It was decided to send for five more cook books. Library books were exchanged. Mrs. Sterling Mackay donated a quilt. One pair of pajamas, two pairs seaman's stockings and one heavy khaki sweater were handed in and yarn was given out. Mrs. George Riley, Miss Mildred MacKay, Miss Vivian Woodside, Mrs. Austin Woodside and Mrs. Chester Woodside were appointed to prepare programs for the district convention. A letter was read regarding income tax. It was decided to canvass the district for the Greek War Relief Fund. The following committees were appointed: Entertainment, Mrs. Willard Riley and Mrs. Earnest Pickering, Lunch, Mrs. C.B. Goss, Mrs. Sterling Mackay.

Weekly Livestock Market Report

Ottawa, Canada June 10, 1943.

SUMMARY

Active cattle markets prevailed throughout the Dominion and strong prices were paid during the past week, with fractional increases in the price level. Prices were slightly higher at both Toronto and Winnipeg as well as at a number of other centres, under the influence of moderate receipts and a good demand for beef. On the other hand calves were lower by 25c to 50c at some markets. Hogs were strong sellers and showed slight gains around midweek, but toward the close prices had mostly receded to their opening levels. Lambs were strong sellers, notably at Toronto where spring lambs gained 50c.

Eastern Cattle Markets

Cattle prices at Toronto were strong to 15c higher, with weighty steers making a new high of \$13.25 and butcher steers selling from \$11.50 to \$12.75. Receipts were again light at Montreal on an active market and good steers were bought at \$12.50 to \$13, with a top lot at \$13.25. Heavier cows moved at \$10 to \$10.50 and an odd \$11. In the Maritimes the market was strong under light receipts and the better grades of steers were quoted at \$10.50 to \$11.25.

Western Cattle Markets

Cattle receipts were slightly lower at Winnipeg and trading was active with a firm undertone. Top quality was slightly higher and some grain-fed weights sold at \$12 to \$12.50, while stocker trade continued active, with top quality at \$10.50 to \$11.25. Calgary had some heavy steers up to \$12.50 and Edmonton paid 25c higher for really choice heavy steers, with odd choice kinds at \$12.25. Prince Albert had good butcher steers at \$11 to \$11.25. Moose Jaw paid \$11.50 to \$11.75, and an odd \$12. Regina \$12, and Vancouver had not sufficient stock offered to establish a market.

United States Market

Dairy cattle exports to the United States during the week, not including those from the Maritime Provinces and Quebec (the figures for which were not received in time for publication) were 571 head. Exports from all Canada in the same week last year were 17,503 dairy cattle as against 9,305 in the corresponding period of last year.

Calf Market Easier

Calf prices dropped off at major markets during the week and Toronto was on a basis of \$11.50 to \$11.75, Montreal had good veals mostly at \$15 and up to a high of \$16. Winnipeg was slightly easier, with some good veals at \$14.50 to \$15.40. Edmonton \$12.50 to \$13.50, Prince Albert \$13, Moose Jaw \$12 to \$12.50, and Regina \$13, and Vancouver \$13.

Strong Hog Market

The Dominion hog run for the week ended June 5th was 124,224 head as compared with 124,569 in the same week of 1942. Hog receipts to date this year are 2,821,918 head as against 2,846,748 in the same period last year.

Lambs Higher at Toronto

Spring lambs made a further advance of 50c at Toronto to close at \$18 to \$18.50 for choice, while Montreal paid up to \$11 for good kinds, and Winnipeg had bids up to \$16, Calgary \$13 for good quality with some spring lambs at \$14.75, Edmonton \$14 to \$15 for spring lambs and \$13.25, Regina an odd \$15 for spring lambs.

Kay and Mrs. Wilfred Pickering. Next meeting to be held at the home of Mrs. Ralph Heaney, roll call to be answered by a riddle or joke. Collection was taken amounting to \$1.20. Programme consisted of a soap contest carried out by Mrs. William Warren and won by several members. The singing of the National Anthem brought the evening to a close. Lunch was served by hostess and committee in charge.

No, this familiar early-summer scene is not in South London, but in the circus carries on, war or no war. These British youngsters, just like their Canadian cousins, can't or prefer not to read the "Keep Out" signs as they scramble under the tent to see big show.

Winnipeg And vicinity

A large number of young friends of Miss Reta MacDonald gathered at the home of Mrs. Melvin Ferguson on Monday evening to tender Miss MacDonald a shower in honor of her marriage that will take place very shortly. Miss MacDonald received many beautiful gifts and following this presentation the evening was spent in dancing, music being furnished by the four Scullys, famous violin players from the Morell Indian reservation.

Mrs. Ernest Baker will leave next week for Montreal to spend some time with her daughter and son-in-law Mr. and Mrs. Dupuis. Mrs. Baker, who has been in poor health for a long time will undergo treatment in the metropolitan city before returning home later in the summer.

Mrs. John G. MacDonald spent the week-end in the city with her daughters Elinor and Mary. Mrs. MacDonald will, it is understood, move to the city in the fall as her husband John G., passed away several months ago.

Many friends here and in Tracadie where she taught school for a number of years will be pleased to hear that Miss Mary O'Brien, who entered the R.C.A.F. branch of the civil service at Ottawa over a year ago has recently been promoted to grade three in charge of a staff of ten girls. Starting at grade one, Miss O'Brien has risen fast in the service and her position ranks second highest in the service and carries a very good salary. Congratulations are extended to Miss O'Brien.

Pte. Joseph W. MacDonald who was home on leave has left for the mainland and his training centre somewhere in Eastern Canada.

Some men from this vicinity and others of the college class who are on holidays have left for the eastern seaboard where they have entered war work for several months.

Friends here of Mr. Henry Woolridge, who was driver on Holman's Ltd. large truck will regret to learn he has been forced to resign his position under doctor's orders and seek lighter work.

120 Millions In Subsidies To Consumers

OTTAWA, June 17 — (CP) — Consumer's subsidies to be paid by the Prices Board during the fiscal year ending next March 31 to keep down the cost of living are estimated at \$120,000,000, the Senate Finance Committee was told today by D.C. Abbott, Parliamentary Assistant to Finance Minister Hiesey. He said the payments would be made through the Commodity Prices Stabilization Corp. The total is an increase of \$40,000,000 over subsidies paid last year, of which the major item was for more than \$26,000,000 — a transportation subsidy on petroleum products chiefly for the army force.

The senate committee is studying Canada's \$3,890,000,000 war appropriation bill. When the committee came to an item of \$6,503,000 for A.R.P. work this year, Senator C.B. Ballantyne, Conservative Leader, said: "I certainly consider that amount could be cut in half."

He said he was not apprehensive of any armed invasion of Canada, although armed forces must be kept in readiness on both coasts. But to spend \$6,500,000 this year — including \$1,000,000 for gas masks — on the "remote possibility" of an air raid was unjustifiable, he said.

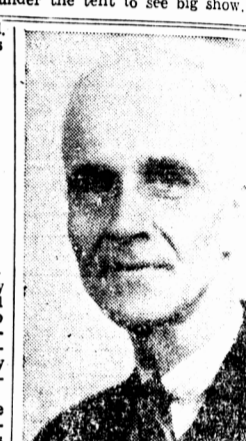

FAREWELL GATHERING

On the evening of March 4th, a large number of members and adherents of Hartsville Church and vicinity assembled at the home of Mrs. A.B. MacLeod to bid farewell to their beloved pastor, Dr. A.O. Thompson and his good wife, Mrs. Thompson who with her husband labored faithfully in the congregation for the past five years and in spite of unfavorable weather and bad roads was seldom absent from church services.

Dr. A.O. Thompson has received and accepted a call to the congregation of Auburn, Ontario. The meeting was called to order by Mr. John MacLennan and Mr. Everett MacLeod was appointed chairman. In a few well chosen words he stated the purpose of the gathering and called upon Mr. Neil Nicholson to read an address to Dr. and Mrs. A. O. Thompson. Miss Julia MacLeod presented them with a well filled purse as a small token of the love and esteem in which they were held.

Speeches were given by several members from Hartsville testifying to the good work done by Dr. Thompson and his good partner, especially with the young people and the sick were they ever ready to minister to their spiritual needs, and were always found carrying on the good work of our Beloved Master whom they serve.

Dr. and Mrs. Thompson in their usual cheery manner thanked the congregation for their kindness and thoughtfulness, and spoke on how they enjoyed working with the people of Hartsville. A vote of thanks was tendered.

E. W. Dunham, recently appointed Plant Supervisor of the Canadian National Telegraphs at Moncton, N. B., succeeding H. A. Marquis who has been appointed Plant Assisant at Toronto. Mr. Dunham is a native of Saint John, N. B.
