A young lad at Bangor some days ago had a narrow escape from instant death. An empty naphtha barrel was in an outside building. He lit a match and placed it near the barrel when an explosion followed which drove parts of the barrel through the building. The lad escaped with a bad gash over the eye. Had there been any liquid in the barrel it would have been instant death and destruction to the building. Boys, don't fool with gasoline. M. The following are a few extracts from the minutes of the meeting held by the Town Council in the Town Hall, Souris, Monday evening. The Mayor and full board were present. The street committee reported that the money granted them had been expended and they were given a new grant of one hundred and twenty-five dollars. Part of this amount is to be used on Break Water Street and filling in the old well on Longworth Street. Three hundred dollars was granted for laying sidewalks. The tenders for this work are to be called immediately and the work is to be completed by July 10th. The approximate estimate of the revenue for the present year is twenty-six hundred dollars. J.

A score of 101 points out of a possible score of 105 points was the record established by R. C. McRae at the Souris Rifle Range yesterday in the second shoot in the Canadian Rifle League. This is the highest score ever made by a Provincial man in a prize shoot. When he was nearing the close of his score a great silence took possession of the boys, no one spoke or ever whispered and when the last shot was fired all held their breath till the white disk appeared. Then as he stepped from the firing point he was captured, bounced cheered and congratulated. The first five scores were: R. C. McLean, 101; J. F. Sterns, 97; Willy Terreny, 92; J. McQuaid, 90; Andrew McDonald, 87, making an average 94 1-5 out of a possible of 105. J. NATIONAL COUNCIL AT FORT WILLIAM. FORT WILLIAM, June 21—The last day of the sessions of the National Council of women yesterday was mainly taken up with a discussion of financial questions. Mrs. Freeman of St. John, N.
