**LONDON.**—When the British recently brought down a Zeppelin on the East Anglian coast they captured two members of the crew, who in a miraculous manner escaped death as the airship plunged to earth. This fact was made known to the newspapers by the admiralty.

One of the prisoners is an officer and the other a private. The private sustained broken legs in the fall of the airship, but is recovering. His companion escaped virtually unscathed. The Zeppelin fell from a height of 13,000 feet and was in flames when it reached the ground. How the two Germans escaped death cannot be accounted for.

**\* CAPET INSPECTION.**—Friday June 29th, was surely a busy day in the Souris High School. Owing to unavoidable circumstances, only a few hours' notice was given and it was with fear and trembling that both cadets and the instructor, Mr. Green, awaited the arrival of Capt. Black on the noon train. But before inspection was half over, both the boys and the officers were realizing that the genial captain is the friend of cadets and is most considerate of the short-comings, especially of boys so young as those of the Souris corps. Taking into consideration the fact that their late instructor, Mr. Tierney, was no longer with them, and their present instructor was very busy with the other work of the school, the inspector was well pleased with the showing. He was also well pleased with the work of the officers, Lieutenants St. John and Fraser. After inspection the captain addressed the boys briefly, urging them to take a keener interest in the work of the corps. He then called Kimball McEwen and presented him with a medal for being the best shot in the corps. Apart from this "shoot" was held on Saturday, June 23rd, at which the winners of first, second and third prizes were Cadets Earle Roach, James Cheverie and Kimball McEwen. These three prizes were donated by Mr. M. A. Paquet in order to encourage the boys in their shooting practice.

(Canadian Press Despatch)

**LONDON.**—A despatch from Tien Tsin, China, to the Morning Post says that Tsao Kun, Military Governor of Chihli, whose attitude hitherto was dubious, repeatedly sent an ultimatum to General Chang Shun who restored the Emperor demanding that he withdraw from Peking within twenty-four hours. Esao Kun is now mobilizing his forces. His action, it is considered, will endanger the chances of the monarchy. Tuan Chi Jui, the former Premier, has accepted that post and is mobilizing 20,000 men in the province of Shan Tung to march against the monarchists. The Emperor has executed 9 republican leaders, including one prince.

**\* SCHOOL CLOSING.**—The public closing of the Souris High school, was held on Friday afternoon, 29th June. Parents and rate-payers were present. The pupils were examined by Rev. John Macdonald, Judge Fraser, Mr. A. Currie, Mrs. W. Wood and Richard St. John. Though none of the subjects could be dealt with exhaustively, the four departments being visited in the course of the afternoon, yet sufficient was done to give the parents an idea of the quality of the work being done, and the general condition of the school. The answers in most subjects were prompt and generally correct, though in all fairness, the results of the brief examination in Latin in the Principal's Department, was not all that could be expected. At the close, Rev. Father John Macdonald and Judge Fraser, on behalf of those present, expressed themselves as well pleased with the progress of the school. Fitting reference was made to the loss sustained by the school in Mr. Tierney's enlistment. Following is the Prize List: Grade VIII.—1. General Proficiency for the year, Governor General's Medal and a Book donated by the Principal, Winnie Sterns; 2. General Proficiency, (Gold Coin, donated by the Principal) John Keays; Grade VII.—1. ### SYMPATHETIC LETTERS ON SOLDIER'S DEATH

Mr. John McBride of Scotchfort, whose son, Lance Corporal James E. McBride was reported killed in action on May 13th has received numerous letters of sympathy from different sources, among them one from the Hon. A. E. Kemp, Minister of Militia. The Regina Standard publishes a fine photograph of L. Corp. McBride and also pays him the following tribute: "McBride was employed by the Dominion Dairy for several years. He was a member of Holy Rosary parish, of splendid physique and a nice

clean-living young man. He was born in Prince Edward Island where his family now reside. Word of his death came to J. A. McDonald of Winnipeg formerly of the Dairy Branch here."

The following letter was received from the Chaplain who officiated at his burial:

In the Field,  
24th May, 1917.

My Dear Mr. McBride,

I trust that you will accept my sincere sympathy for the loss you have suffered with regard to your boy who passed away on the morning of the 13th by shell fire.

We have placed his body near several of those of our lads in the area near where they fell and have

placed a cross above them. His personal effects will be sent to you and I trust that you will receive them safely.

I trust that you will let me know. With kind regards, I am, Sincerely yours,  
R. B. DAY.

Chaplain.

A comrade in arms sent the following:

France,  
May 17th, 1917.

J. W. McBride, Esq.  
Dear Sir,—

It is with the deepest regret I have to inform you of the death of your son, killed in action on the morning of May 13th. I am glad to

say his death was instantaneous and his grave is now well marked and wears our regimental cross. Its location will be sent you in due course through official channels.

I feel how weak and fruitless must be any word of mine which should attempt to beguile you from the grief of a loss so overwhelming. I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost and the solemn pride that must be yours to have laid so costly a sacrifice upon the altar of freedom.

Yours very sincerely and respectfully  
**KENNETH C. FURNESS,**
