

CHARLOTTETOWN AND QUEEN'S COUNTY

It pays to buy in this Province.

It is not often that the city has such an expert organist as Prof. Ball. The recital tonight will be very fine.

The C. G. S. Aberdeen, which has been in this port taking out the winter buoys and picking up the heavy summer buoys, has sailed on steam to Halifax.

The following were registered at the Queen Hotel in this city yesterday: Capt. D. A. McDonald, Souris; L. McDonald, East Point; Wilfred Forbes, Pt. Vernon; L. Wood, Mt. Herbert; B. I. Raynor, Alberton; J. R. Herron, Toronto; W. Richards, Bideford; F. T. Aitken, Edmonton; Miss Copeland, city.

There is an exhibition in the show window of The Two Mace Drug Store in this city a handsome silver cup brought over from Amherst by A. A. McBeath, Marshfield. This cup which stands about eighteen inches high, mounted on a pretty square ebony base, was awarded to Mr. McBeath at the recent Winter Fair for the championship in the sweepstakes in the swine classes. Mr. McBeath is only a young farmer but is proceeding along the proper lines for success in stock raising. This cup is one of the most sought after of the prizes at the Fair and the winner is to be heartily congratulated on his success.

The Home of Good Chocolates. Our big clean chocolates are surely the home of Good Chocolates. In it will be found the freshest and cleanest stock of boxed and bulk chocolates to be found anywhere. When you buy chocolates here you know that you are getting them "right"—no old or stale stock is ever sold. The MacKinnon Drug Co., Cor. Gt. Geo. and Kent Sts.

READING THE NEWSPAPERS. Some men complain that they have not time to read the newspapers. They make a great mistake. The day's news is the most marvelous stimulant that can be found.

Some women rarely read the papers. As girls they never found the habit. As grown housewives they value a broom more than a page of human history. Society gossip or glaring accounts of a calamity they manage to read, if their next-door neighbor does not gossip too long over the telephone.

Aged people live too much in the past. To prolong the vitality of the aged, get them all the daily news. If their fond old eyes are failing, then you can do them no greater service than when you say: "I have come in, grandma, to sit by your chair and read aloud the newspaper to you." Do young people realize what an invaluable service this is?

The free press is, take it all in all, the highest prize of a free state. We do not stop long enough to confess it. We ought to weigh it, ought to treasure it, we do to rightly value this costly machine, the daily press. It is not too much to say that nothing ever did or ever will come into the poor man's home that stands for so much expended energy as the newspaper which he may lightly, perhaps, toss upon the floor.—New York Mail.

Canon Simpson, Priest Incumbent of St. Peter's Cathedral, City, will, on Sunday next, celebrate the twenty-fifth anniversary of his incumbency of that Cathedral. At next Sunday morning's 11 o'clock service Canon Simpson in his sermon will allude to this important epoch in his life, referring to the many changes that have transpired since he came to Charlottetown. It is doubtful if there is another clergyman in Canada who holds a similar record for long service.

At a Liberal Convention held in this city last evening George E. Hughes and Frederick J. Nash were nominated by that party to contest the Charlottetown district in the coming local election. Col. H. M. Davison, City, who was tendered the nomination earlier in the day, declined to offer as a candidate.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound in your ears, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing cannot be recovered. Deafness is not caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. P. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

SUCCESSFUL MOTHERHOOD means more than a fat baby. It means laying the foundation of a strong, sturdy constitution. Fat alone is not enough; there must be bone, muscle, brain and nerves. Scott's Emulsion is the Acme of perfection for Mother and Child. ALL DRUGGISTS 11-61

ANNUAL MEETING BOYNE LOYAL ORANGE LODGE

The Orange organization of this City has never in its history made greater advances than it has during the past two years. This is not only true in regard to the association in Prince Edward Island or even the Dominion of Canada but is equally so throughout the whole world, and judging from the enthusiasms of the annual meeting of Boyne L. The members expect initiation at every meeting during 1912. At the annual meeting there was one initiation and six applications for membership received.

The retiring officers when presenting their reports referred to several important events during the year with which Boyne Lodge was connected with especially the Coronation of Our King on June 22nd.
