Red Wings Take 2nd Straight Victory

Detroit Overcomes 2-1 Lead By Boston To Win 4-3; Bruins Are Improved

DETROIT, April 4—(CP)—Detroit flashed back in the third period and blasted three goals past goalie Frank Brimsek, to humiliate Boston 4-3 and give the Red Wings their second straight victory in the final series for the Stanley Cup.

Trailing by 2-1 as the last period opened, the Wings surged back with the same fire and dish that gave them a 6-2 decision over the Bruins Thursday, and knotted the score at 5:55 minute mark on Joe Carveth's goal. Twenty six seconds later Carl Liscombe bagged another to put them ahead, and Syd Howe made it 4-2 at 12:13. Art Jackson's final tally at 15:38 was anti-climax.

But the 13,827 fans who packed Olympia Stadium will attest that this Boston team tonight was an article drastically different from the slow, weary one that was drubbed in the first game.

Checking sharply and hustling all the time, the Bruins counted the first tally of the night, when Jack Crawford, injured defenceman who returned to action tonight drilled a shot through seven pairs of legs from 50 feet out. Mowers turned around for his first glimpse of the puck.

Art Jackson bagged his first goal less than a minute later, taking a pass from Bill Cowley and socking it from about six feet. Detroit rallied immediately. Les Douglas scoring at 17:06 and then came the fatal third period.

Brimsek has had some good nights in this ice rink, but since this crucial series opened the Wings have flashed the red light over his head 10 times. Tonight two of the goals skidded off his pads into the cage, and he didn't touch two others.

The man once known as "Mr. Zero" was not idle at any time, however. Jack Adams' offensive-minded red shirts peppered him with 31 shots that he handled safely, while the Wings' Johnny Mowers was called upon to make only 19 saves.

The Wings admittedly are aiming to cop the series and the cup in four straight games, the same count by which Boston crushed Detroit in 1941. Both teams board a train for Boston tonight, with the next two games scheduled there for Wednesday and Thursday.

Kiefer's Swim Winning Steak Snapped Saturday

NEW YORK, April 4—(AP)—Ohio State dominated the United States swimming world today as it has never been dominated before, but even the romp of Ohio's classy splashes in the National A.A.U. championships wasn't enough to take the spotlight from the surprise end to Adolph Kiefer's eight-year backstroke winning streak.

This was the string that began in 1935, swept to 22 national championships and probably was the longest winning run in all sports history. After lasting through an estimated 250 races in North and South America, Asia and Europe in competitive tours and the Olympic Games, it came to an end Saturday night as Michigan's Harry Holiday nipped the Chicago veteran for the 150-yard backstroke title at this year's nationals.

The six-foot-five Michigan swimmer, who hails from Butler, Pa., turned the trick in 1:32.8 for a record for the New York A.C. pool.

Ottawa Shows Reversal Of Form Defeating Halifax 6-1 To Tie Semi-Finals

OTTAWA, April 4—(CP)— Ottawa's R.C.A.F. Flyers, Allan Cup winners last year, scored an easy 6-1 win over Pilot Officer Jack McGill's Halifax airmen Saturday night, leaving their 3-of-five eastern Canadian hockey semi-final tied at two games apiece.

After winning the opening game 4-2, Bill Touhey's Flyers dropped two in a row to the Maritimers and faced possible elimination in the Saturday Allan Cup play-off contest. But the return of centre Boucher to the Ottawa lineup and first-period injuries suffered by two Halifax players turned the tide.

Boucher, making his first appearance in the series, rapped in four goals and assisted in another for a total of five scoring points.

Halifax lost Jud Snell, one of their wings when he collided with Flyers' defenceman Thain Simon with five minutes to go in the first period. He was helped from the ice with a deep cut over one eye and he was out of the game for the whole second period, coming back in the third with seven stitches in his wound.

Gene Reinhardt of the Halifax defence line wrenched a shoulder during the first period and was removed from the lineup when the period ended. For the rest of the game the Maritime team played with two defencemen Jimmy Gray taking a turn on the blue line between up-front assignments.

Vic Haneberry and Tony Licari accounted for the two goals not scored by Boucher, Frankie's counters were the first two of the game and the last two—and the last ones both came during the final minute of play.

Bobby Copp, former Toronto Leaf defenceman, scored the only Halifax goal, just as the siren sounded to end the second period. Members of the Ottawa team argued loudly that the siren actually had sounded before the goal was scored. The officials—Ken Millins and George Gravel, both of Montreal—ruled it good.

Bobby Bauer, one third of the Boston Bruins' famous Kraut Line who was nursing a bruised knee during the game, and Johnny Acheson were credited with assists on Copp's goal

Compromise On Stanley Cup Dates

DETROIT, April 4 — (A. P) — Mervyn (Red) Dutton, acting President of the National Hockey League, announced Saturday night that a compromise has been reached in the squabble between Deroit Red Wings and Boston Bruins over the remainder of the Stanley Cup play-off dates.

The compromise is that the third and fourth games will be played in Boston Wednesday and Thursday and the fifth game, if needed, in Detroit next Sunday. If the finals go to six games the sixth contest will be in Boston April 15. No date has been set for a seventh game but it is likely if the finals go that far that it will be played in Detroit about April 19.

Manager Art Ross of Boston had asked that the dates originally scheduled for the Boston games, Tuesday and Thursday, be changed because his Bruins would not get enough rest after tonight's game. Detroit demanded that the original dates be adhered to and Dutton at first backed its stand.

AC2 Norm McAtee, stocky centre, and AC2. Lloyd Gronsdal, wingman, led the Flyers to their triumph, each getting three goals while the others went to AC2. Norm Lipsett, Sgt. Joe Conner got the lone tally for Commandos.

Attendance was 12,923.

Cleveland Has Two Good Rookie Pitchers

By Charles Chamberlain
Associated Press Sport Writer

MUNCIE, Ind., April 4—(AP)—Cleveland has one of the most colorful rookie pitching combinations in the major leagues in Paul Calvert of Montreal and Allie (Chief) Reynolds, an Indian from Oklahoma.

Both are college graduates. Calvert majoring in commerce at the University of Montreal and the Chief receiving his B.S. degree at Oklahoma Aggies. Together they won 35 games for Wilkes-Barre last year.

The 26-year-old Indian, a strapping 195-pounder, had a hard time getting started in baseball because his father, a minister, would not allow him to play the game on Sunday.

Last year he won 18 games.

Calvert's big problem has been a sore arm, a chronic spring ailment which developed five years ago when he forgot to wear long underwear after emerging from a Montreal Y.M.C.A. swimming pool. After weeks of heat treatments he tanned 129 batters in a Montreal semi-pro league and attracted scouts from Boston Red Sox and New York Yankees.

Calvert, a 24-year-old bespectacled youngster, was passed up, however, when teamates advised him to hold out for more coin.

The Canadian finally hooked up with Cleveland, and was sent out for seasoning last year. He made his big comeback with Wilkes-Barre by winning 17 games, fanning 103 men in 207 innings and posting an earned run average of 2.22 through 30 games.
