MISERABLE FROM STOMACH TROUBLE

Felt Wretched Until He Started To Take "Fruit-a-tives"

594 CHAMPLAIN ST., MONTREAL.
"For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I had frequent Dizzy Spells, and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints, and my hands swollen. A friend advised "Fruit-a-tives" and from the outset, they did me good. After the first box, I felt I was getting well and I can truthfully say that "Fruit-a-tives" is the only medicine that helped me." LOUIS LABRIE.

Soldiers Gardening In England

LONDON, June 19.—The cultivation of ground in Bramshott camp for growing vegetables is the subject of a recent order by General Watson and soldiers are already doing garden work. Efforts are being made in various directions to induce ordinary citizens to cultivate house gardens with a view to easing the anticipated rise in foodstuffs next winter. The price of meat has risen so high that the press is advocating that the government should commandeer all supplies.

---A New Piano, Now, at the Price You'd Have Paid a Year Ago

Prices have advanced (on a general average, about 96 per cent) on all materials used in making pianos. It costs far more to make a piano today than it did last year. So prices on all pianos have advanced—and will go higher yet.

- We were fortunate, though, in having an accepted order with the makers before the big increase in prices came—and we can now offer you—
- 3 Heintzman Pianos
 - 6 Sherlock-Manning Pianos
 - 3 Karn Pianos
 - 2 Ennis Pianos

at the same prices you would have paid a year ago—and many dollars less than they are selling for now.

But You Can Have Your Choice of Any Instrument at Last Year's Price

But it is up to you to act today—right now. There are only 14 pianos in the lot and at these money saving prices they will go quickly.

If you ever intend to buy a piano NOW is the time of all times. The saving you can make by buying now is well worth while.
