## CANCER CAMPAIGN For Funds Opens Tuesday, April 28

### \$5,000 Needed So That 1<sup>Out</sup> Of 3 May Be Saved

### Early Cancer Is CURABLE

Cancer is curable — provided it is detected early enough. But cancer specialists cannot make the rounds of Canadian homes, probing for the early sore in the housewife, collecting a case history of the man of the house, examining son or daughter. That isn't the way we operate in Canada and, even if we did work things that way, there wouldn't be enough doctors.

The public must take the initiative in this matter of early detection. Such initiative, however, can only be expected where there is public awareness of cancer, where there is public understanding of its nature and treatment.

To enable Canadians to face this problem fairly and squarely is the task of national education — a task which has been shouldered by the Canadian Cancer Society.

The Canadian Cancer Society is dedicated to education of the general public, to coordination of individual and group efforts across Canada, to the promotion of research and, last but not least, to collecting from the public the necessary funds to carry on the fight.

The opening gun of the drive will be fired on Tuesday, April 22nd, when thirty of our leading citizens comprising the "Special Names Committee" will call on the business firms to make certain the success of the campaign.

### Dawson-Mullis

#### Wedding

A very pretty wedding was solemnized at the home of Mr. and Mrs. Otto C. Johnson, Churchill Farm, North Tryon, P. E. I. on April 2nd, 1947 at 7 p. m. by the Rev. C. A. Hicks of the Tryon United Baptist Church, when Daisy Victoria, only daughter of Mr. and Mrs. Fred Mullis, Woodstock, N. B., was united in marriage to Mr. Charles Sidney Dawson, son of Mrs. Elsie Mae Dawson and the late Thomas O. Dawson of North Tryon, P. E. I. The house was gaily decorated with white bells and streamers and a profusion of bright flowers and ferns banked one corner of the parlor to form a beautifully decorated arch. The lovely young bride was a charming picture as she entered the parlor on the arm of Mr. Otto C. Johnson to the strains of Lohengrin's Wedding March played by Mrs. Parker Francis.

The bride chose for her wedding dress a street length gown of aqua crepe made on pretty lines with short scalloped sleeves and peplum. The bride and groom were unattended. At the close of the ceremony a telegram was passed the bride and groom from St. Petersburg, Florida, extending congratulations and good wishes.

Following a buffet luncheon was served to thirty five guests, friends and relatives of the contracting parties. The dining room table was centered with two beautiful cakes, the bride's topped with a miniature bride and groom. Those who assisted in serving were: Miss Dorothy Taylor, Salisbury, N. B., Mrs. Lewis Francis,

Mrs. Parker Francis, Mrs. Elsie Gamble and Mrs. Otto Johnson, read the amusing verses and names which accompanied the gifts. Mrs. Lewis Francis arranged the gifts on the table which were numerous and costly consisting of china, linen, silver, cut glass and money.

For They Are Jolly Good Fellows was sung and the bride and groom bounced. The ladies then served refreshments and at a late hour the guests wended their way home after wishing the guests of honor many years of happiness. (Patriot please copy)
