THE PROVINCIAL GUARDIAN

Offices in New Prowse Block
Charlottetown.

REV. E. J. RATTEE, Malpeque, is in the city.

FOR an interesting item read the Rink ad on first page.

THERE is an excellent opening at this office for a good strong boy.

ATTENTION is called to the advertisement of Hyndman & Co. in this issue, with reference to reduction in fire insurance rates.

THE sale takes place on Thursday, March 22nd at 2 p. m. of the farm owned by Arthur Wright, West River, eight miles from Charlottetown.

THE annual meeting of the Milton branch of the Farmers' Dairying Association will be held at North Milton Hall on Monday the 12th of March inst at 7 o'clock p. m.

THE music page in the Saturday issue of March 10th will contain the music of a new and popular march and two steps, also Home Circle page. Magazine page, colored comic page, interesting short story, Sermon by Rev. Wm. Dobson, notes on the S. S. Lesson a week hence, and all the latest telegraphic and local news. Only fifty cents per year or twenty-five cents for six months. If

AT the last regular meeting of the Eurioterian Society of Mt. Allison University, G. Roy Long '06 of Tyne Valley P. E. I. was unanimously elected President for the ensuing quarter. This is one of the highest positions in College life as only those of marked literary and debating ability are eligible for election. Mr. Long is also leader in many phases of Collegiate life. He is Editor-in-Chief of the Argosy, the University Magazine, Leader of the Intercollegiate Debating team, President of the Senior class, and representative for the University on the Maritime Intercollegiate Debating League. Mr. Long has also had an unusually brilliant record, leading his class throughout his course and winning three valuable scholarships. He was also a member of the first football team which won the intercollegiate championship and is an ardent hockey and baseball player.

REV. T. F. FULLERTON returned to the city yesterday having the previous evening delivered his able and instructive lecture on the Russo Japanese war in Malpeque to a very large audience which completely taxed the seating capacity of the Hall. The views of noted commanders on either side, and of the scenes of battle by land and sea, were aptly and vividly described in the lecturer's best manner. The audience showed its deep appreciation by the passing of a hearty vote of thanks moved by Rev. E. J. Rattee, seconded by W. McN Simpson, and tendered by the chairman, Geo. E. McNutt in a few well chosen words. As the lecture was under the auspices of King Edward Lodge A. P. and A. M., at its close the entire membership, with Mr. Fullerton as their guest, repaired to the Hodgson House where an elaborate supper was served in the best style of the genial host and hostess. The toast of Our Guest of the evening was suitably proposed by D. P. McNutt, enthusiastically received and responded to by the lecturer of the evening. After several such happy proposals eliciting speeches from various members the company separated, having thoroughly enjoyed both the instructive and fraternal aspect of their gathering. Com.

THE Guardian's Clifton correspondent writes:—The entertainment and picnic social held under the auspices of Clifton Division in the hall at Clifton on the 1st inst was notwithstanding the inclemency of the weather a complete success. The opening address was given by the Division Chaplain Rev. John M. Murray P. W. P. of the Grand Division of Nova Scotia, who gave an eloquent and stirring address on behalf of the Temperance cause, renewing briefly his own connection with the society and impressing on the members the necessity of guarding jealously the good name of their division. Of the literary part of the program it is sufficient to say that it was under the efficient management of Messrs Green and McGregor and every member came in for hearty applause. A song by Mr. and Mrs. Harlan P. Found, without which no concert in Clifton would be complete, was also heartily applauded; but the feature of the evening was admittedly the singing of Miss Hazel Bremner of Charlottetown whose beautiful clear soprano voice completely won the hearts of the Clifton people and whose appearance at any time in the future on Clifton stage will be sufficient in itself to secure a full house. The sale of the pies with G. Harding as auctioneer brought a very enjoyable evening to a close and the proceeds some \$5.00 dollars will do much towards smoothing out any financial difficulties which may arise in Clifton Division. During her stay in the country Miss Bremner was the guest of Miss Emma J. Harding of Graham's Road.

Our Compound Syrup of Hypophosphites always benefits the nervous system. It gives a good appetite, builds the blood, aids the digestion and makes you feel like doing your work with more energy. Only 75c. per bottle.—A. W. Reddin Pharm B, Sunnyside.

A COMPLETE driving outfit for sale cheap. See announcement.

THE many friends of John Gillespie, Clyde River will regret to learn of his illness.

THE comic page for this week's Saturday Guardian is the best yet. What happened to Percy when he tried to drown two kittens. Willie invents a windmill by which he planned to give the pleek-alony a pleasant ride in its baby carriage, but—

THE death took place at Clyde River, on Feb. 24, of Violet aged 7 years, the beloved child of Nell and Mrs. McKinnon. The little one who lived with her grandparents, John and Mrs. Gillespie, was attacked by pneumonia. Dr. Murchison was called in and the patient was nursed by her S. S. teacher, Miss Murchison, until her aunt who was telegraphed for, arrived from Boston. The funeral was largely attended. The services were conducted by Rev. Wm. Harrison.

GUARDIAN advertisers will be glad to know that its Saturday issue with its many special features is now read by at least five hundred more people than any other during the week. This increase is in addition to its already much larger sale on Saturday. Every body should read the Guardian and have a copy of the special Saturday edition sent regularly from this office to their friends. They will appreciate it more than a letter. Only fifty cents per year or 25c for six months.

THE attention of the general public is called to the advertisement of the N. B. Wire Fence Co. in this issue, and also to the fact that they are the only manufacturers of woven wire fencing in the Maritime Provinces. They therefore would solicit a fair share of the trade in their line. They also wish to call your attention to the fact, that in their high or medium weight fencing, they use from one to two sizes larger wire in their upright or stay wires than any other medium or light weight fences on market. They claim for their heavy weight fencing, that there is nothing better made it being manufactured exclusively of No 9 High Carbon and Hard Steel Wire. They manufacture everything that they advertise, with the exception of the wire, which is imported particularly to suit the climate and conditions in the Maritime Provinces.

DEATH BY INDIGESTION.

A Long Train of Fatalities is the Direct Result of Undigested Food.

Undigested food, by fermenting, forms a poison in the stomach and this is absorbed in the blood. If this goes on very long, and your heart happens to be weak, you will be found some morning dead in bed, or you may fall back down the stairs about an hour and a half after dinner, and the doctor will call it heart disease. Yes, that may be the result, but not the cause. The cause is indigestion. Indigestion is a simple, common word, but it has a terrible import.

And so you may get apoplexy, and die suddenly while you're standing. If you have a weak liver, the poison of undigested food will attack it and you will get jaundice. If you have weak kidneys, you will get Bright's Disease or diabetes, from which there is no rescue for any man.

It was a learned physician who said that the progress of a race depended upon the stomachs of its members. And you have at some time in your life eaten a heavy meal, or eaten in a hurry, and felt that "lump of lead" immediately afterward. That lump of lead is a hard ball of undigested food. The stomach can't digest it and finds it hard to throw it out. And so it sours, and it makes you sour and everybody sour who talks with you. It gives you bad breath and is building for you the road to dyspepsia and death unless you stop it.

Stop it with Stuart's Dyspepsia Tablets. Just think, these little tablets are every bit as powerful as the gastric juice in your stomach. One grain will digest 3,000 grains of food. Isn't this wonderful? And it is true, just try it, and prove it.

If you have any brash, gas on the stomach, fermentation, burning, bloaty feeling, indigestion, dyspepsia or heartburn, Stuart's Dyspepsia Tablets will make it disappear before it can do any harm to your heart or other organs.

They will invigorate the stomach, relieve the stomach of two-thirds of its work and give it a chance to rest. They will increase the flow of gastric juice, and if you will ever "live" in your lifetime it will be after you have eaten a good, hearty meal, and taken one of these little tablets immediately afterward. You'll just feel fine.

Take Stuart's Dyspepsia Tablets after your next meal to-day and you will use them ever afterward. You will be cheerful, vigorous and your mind will be clear; you'll have snap and vim, and add many a day to your life.

You can get these wonderful little tablets at any druggist's for 50c. a package.
