## ALL NEWS OF LOCAL INTEREST

Reporters and Correspondents Everywhere.

Fourth Regt. Band are preparing special music for Xmas opening at the rink.

An interesting event took place at the residence of James A. and Mrs. Webb, O'Leary on the 15th ult., when their youngest daughter Lizzie B. Webb and W. Herbert Champion were united in the holy bonds of matrimony, the nuptial knot being tied by the venerable Archdeacon Reagh of Milton, in the presence of their near relatives. The bride's sister Mrs. R. H. Rayner played the wedding march in her usual good style. The bride was beautifully attired in cream cashmere with lace trimmings made up in the latest style. After partaking of a sumptuous repast the happy couple drove to their cosy new home at Alberton amid showers of rice and old slippers and best wishes for their future happiness. The young bride referred to was up to a few months ago the popular organist of St. Luke's Church O'Leary.

Tanton Lodge, No. 1128, was organized in the year 1880. The first meetings were held at Hazel Grove but after a time a hall was erected at Brookfield which is owned by the Lodge and where the brethren now meet. A good and worthy brother, the late George F. Tanton, in honor of whom the name was given, lent valuable assistance to the Lodge in its infancy and whose kind actions and good counsel many of the brethren will ever remember.

The story of Stuart's Dyspepsia Tablets can be told in a word. They actually do the work that the weak and wasted stomach is unable to do and allow it to recuperate and regain its strength. They contain all the essential properties that the gastric juice and other digestive fluids do, and they digest the food just as a sound and well stomach would. They relieve the stomach just as one rested and refreshed workman relieves the one on duty that is tired and worn, and Nature does her own work of restoration. It is a simple, natural process that a child can understand. You can eat all you want without fear of results. Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box. Druggists all know better than to try to get along without them, as the demand for them is great and universal.

**LIPTON WILL CHALLENGE.**  
LONDON, Dec. 18.—Sir Thomas Lipton announced his readiness to again challenge for the America's cup when the silver service subscribed for by the people of the United States was presented to him at a dinner held at the Hyde Park hotel to-night.

**STARTLING REVELATIONS.**  
It frequently happens that people suffer for years from kidney derangements without knowing the cause of their backaches, aching limbs and other bodily sufferings, suddenly the truth is revealed to them that they are the victims of serious kidney disease and in imminent danger. There is no medicine which gives such prompt and lasting relief for every form of kidney disease as Dr. Chase's Kidney-Liver Pills. They are positively effective even in the most chronic cases.

Kingston was very much enlivened last Sunday by the large turn out of Temperance people under the auspices of Kingston Star Division. They joined in procession at their hall, and marched to the Methodist Church of that place, displaying the emblem of the Order, the red, white and blue, to hear Rev. W. B. Thomas who preached a very eloquent and forcible sermon from Jer. 35 and 6, urging the young people to be true to their pledge, and to stand firm to the binding obligation they have taken upon themselves. He showed plainly that total abstinence was the only sure and safe way for a young man wishing to make the most of life. The good advice given, and the earnest appeal of the reverend gentleman will not soon be forgotten. The selections rendered by the choir added much in making the service impressive. At the close they again formed in procession and marched back to the Hall where they disrobed themselves of their badges and repaired to their homes more determined than ever to be true sons and daughters of temperance.

### RICH MEN ARE NOT ALL HAPPY

Croesus, King of Lydia, Had Troubles of His Own, and There Are Others.

Croesus, the John D. Rockefeller of the kingdom of Lydia, was very well to do in worldly goods and chattels. "As rich as Croesus" is a saying about 2,500 years old. He had his troubles, however, and some of them were full grown. He was taken captive once by Cyrus and only saved himself from being burned alive by quoting a saying of Solon, the Sage. He finally had to flee from his kingdom for parts unknown.

Many of the rich man's troubles today come from high living and could be avoided. They are brought on by eating all kinds of rich, heavy foods at irregular times, lack of proper exercise, undue mental strain, unnatural stimulants, etc., and are commonly known as indigestion, dyspepsia and weak stomach. They are serious troubles, all right, but not only can they be avoided, but can also be cured, and that without loss of time or proper food and nourishment.

Stuart's Dyspepsia Tablets are the certain relief of dyspepsia, rich and poor alike. There is no such thing as stopping their onward progress now. A great nation has placed its stamp of approval upon their noble work. The thousands and thousands of cures they have effected and the happiness resulting therefrom have made their name a household word throughout the land.
