Moderation the best health habit. Proper Food and Exercise, by ARTHUR A. McGOVERN. Former physical director, Cornell Medical College.

If we want to be youthful we will have to be moderate. This applies to everything we do in life. How many times have you heard the expression, "Tom Jones manages to keep so young," and you wonder what the secret is. Close investigation would most likely show that he lives what may be termed a regular life, moderate in eating, working and playing.

Example of a Moderate Diet. BREAKFAST: Grapefruit or orange juice, one egg boiled or poached, two graham, bran or corn muffins, coffee substitute, cocoa or weak tea. Between breakfast and lunch take two glasses of water.

McClary's Sunshine Furnace. You can always get SOFT COAL. An abundance of soft coal at lower prices is available every year—and may soon be the only fuel available.

Apply Sulphur On Your Eczema Skin. The AIR BLAST RING is an exclusive McClary's feature. Consult McClary's dealer. He will plan a heating system which is fully guaranteed to make your home comfortable warm.

Use Cuticura Soap Daily. Bathe with Cuticura Soap and hot water to cleanse your skin and get rid of impurities. If rough or pimply, anoint with Cuticura Ointment.

Ends Stubborn Coughs in a Hurry. For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared. You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy.
