OLD COUNTRY ROVERS DEFEAT SUMMERSIDE

Missing many fine opportunities around the goal, the Summerside soccer team went down to defeat before Charlottetown's "Old Country Rovers," conquerors of the Ville D'y's eleven, in their initial tussle of the season.

Timely clearing by the halves and the clever footwork of the forwards accounted for the victory.

The Western forwards dribbled through to the Rovers' backs numerous times, but were unable to cope with the homesters' defence tactics. The Rover forwards, receiving the ball from the backs in well placed kicks made rally after rally on the Summerside citadel and were only prevented from scoring by the fleet Summerside team, who robbed them of the ball at the goal mouth.

Coker, DuPasquier and Hunter accounted for the scores, Coker displaying exceptionally fine footwork.

Summerside, in the opening half, with the wind and sun in their favor, unleashed a vicious attack, but were robbed of the ball by the Rovers' rearguard. Smith began the play for the opening score when he cleared nicely to Coker, who eluded the Western halves, drew the full backs out and passed to DuPasquier, who made no mistake.

Summerside rallied strongly, but over-anxiousness around the goal proved their nemises. Just as the half ended Hunter, left forward, received the ball on a neat forward passing game to drive a sizzling one under the bar in a well placed shot.

In the second half with all the advantages due to changed ends the Rovers were no time in danger and went further into the lead, DuPasquier adding two more scores early in the play.

The lineups follow:

Old Country Rovers—Goal, Jemnett; Fullbacks, Reymond, Wright; Halves, Covill, Smith, Adair; Forwards, Hunter, Thompson, Coker, DuPasquier, Bevans.

Summerside—Goal, Poole; Fullbacks, Heer, McGougan; Halves, Phillipson, Jackson, Duckworth; Forwards, Moore, Caldwell, B. Poole, Woodington, Dechant.

Referee—Harry Dye.

Linesmen—J. Kensloe, Woodington.

Three steel and concrete sheds are to be constructed with conveyor galleries and galleries are also to be erected connecting the Harbor Commission grain elevator to the C. P. R. elevator.

Work is to be started immediately and will be completed by the end of the year. It is expected that employment will be provided directly and indirectly for some 550 men, with preference being given to local labor. One shed is to be constructed on the Navy Island quay wall and the other two sheds, to be designed as "A" and "B", will be placed on the new pier within the former coffer dam area.

Altogether the cost of the undertaking will be $1,013,000.

When this work is completed and subsequent connecting trackage is laid, Saint John will be one of the most modern and completely equipped ports in Canada.

Timely Tips On Sport

ROVERS VS. STARS TONIGHT

Rovers and Stars meet tonight at the Abegweit Grounds at 6.15 in what is expected to be the best game of the season. The winner of tonight's match will assume the league leadership and both nines are confident of a win. Come on out fans and see for yourself just who will win. The batteries tonight will be Connors, Carbonnell and Francis for the Rovers, with Ayres, Goss and McLean the Star's choice.

SCHOOL MEET

A record breaking meet is expected Friday when the Island school boy athletes gather at the Abegweit Grounds to vie for honors in the annual Interscholastic track and field meet. A determined bid by Summerside High School to capture this year's meet is expected judging from the large number of entries received. Prince of Wales College is also expected to place a strong team on the field and prove a big threat in the day's events.

BASEBALL MEETING

The following captains, managers and umpires of the Eastern Section of the Industrial Baseball League are asked to attend a very important meeting at the Y. M. C. A. at 8 p. m. tonight for the purpose of ironing out some of the difficulties existing in their section of the League: Sea Gulls: D. Coughlin, M. Bulger; Ravens: Felix Herrel, Earl Goss; Hawks, George Michael, Johnny Michael. Umpires, Chas. Dougan, Wm. Innis, Watson Craswell. Mr. Ed Acorn, Al Ryan and Glen Partridge officials of the Industrial League are also asked to attend.

TONIGHT'S TITLE BOUT

Tonight in the big Madison Square Bowl on Long Island, Jack Sharkey meets Primo Carnera in his first defense of the world's heavyweight title. The Boston Gob is a slight favorite over the "Ambling Alp" in the betting, but Carnera followers predict that the title will have changed hands after tonight's battle. Sharkey expects to wegh about 205 pounds when he enters the ring with Carnera tipping the scales at 263.,

GAME DISPUTED

Last night at the Hillsboro diamond the Hawks defeated the Sea Gulls in regular game of the Industrial League. The game, however is under protest by the latter team.

TANNERS DEFEAT ELMS

The Tanners took the Elms into camp in a Western Industrial League fixture at Victoria Park last evening by a 12 to 4 score.

Plans Made For CampAtAldershot

(Special to the Guardian)

MONCTON, N. B., June 28—With the opening of the military camp at Aldershot, N. S., on July 1st next, arrangements have been made for the transportation to the camp of military units in Nova Scotia and Prince Edward Island.

The Prince Edward Island Light Horse and Highlanders will leave Summerside over the Canadian National Railways on July 1st, arriving camp the same day. On the following day military units from Amherst, Maccan, Springhill Junction, and Oxford, Nova Scotia will entrain that night to be followed the next day, July 3rd, by the Cape Breton Highlanders from Sydney and units from Pictou, Westville, Stellarton and "B" Company of Colchester and Hants regiment (Stewiacke). On July 4th, no. 2 company sixth division signals of Charlottetown, P. E. I., will leave there via the S. S. "Hochelaga" and proceed to Pictou where they will journey over the Canadian National to Truro and thence to Aldershot.

Germany has about 3,000 separate manufacturers of small musical instruments, most of them in Saxony and Wurttemberg.

Portable neon signs have been invented that can be operated by dry cells instead of the usual 110 volt lighting current.

GULLS SUFFER FIRST DEFEAT

Sea Gulls, leaders of the Eastern Section of the Industrial Ball League, suffered their first defeat last evening on the Hillsboro Diamond when the Hawks edged them out 9 to 7.

The game in the first three innings was loosely played, especially on the Gulls' part, but after the third frame was over both nines settled down and treated the fans to a real exhibition of baseball.

The Gulls on the wrong end of a 7 to 2 count in the third fell on the offerings of Stewart in the next frame to account for four runs. They scored another tally in the sixth to make it 7-7 only to have the Hawks come back in their half of the sixth to score once and then add another in the seventh to give them their margin of victory.

The game was called at the end of the seventh on account of darkness.

DOMINION DAY RACES

The talk heard around the race tracks is that Summerside will have the best day's racing since the opening of their track 45 years ago. The match race between Lucky Lindy and Volo Rico alone should draw as large a crowd as the Black Pilot and Herando race did 45 years ago. MacNeill is confident that his Lindy can take Volo Rico into camp as he did last Fall in Charlottetown, Power feels that with Pat up Volo will show his form of two years ago when he won the third heat of the free-for-all in Charlottetown in 2.08 with Col. D. A. MacKino up. Be on hand to cheer your favourite horse to victory.

The 2.17 trot and pace with five or six starters. The stable boys pick Star D for a sure bet on account of his race last week at Northam under the lights. What about Peter Dawes? Its worth having a ticket on him. If King Frisco, Major S., Al B Jr. or the Willis gets going and they are in the field, a pari mutual ticket here might look good after the heat.

What about the 2.23 trot and pace with 13 entries? The stable boys are not unanimous in this class about what steed will be the winner. We have the Hush, who set the Montague track record down to 2.10 last August, his first season racing. Addie McGraw, from New Brunswick, arrived Tuesday night, as a green trotter last season won all her races and got a record of 2.10 1-2 with owner H. C. Jewett up. Mac Volo, 2.16 1-2, the Northam night race winner. Winnie Winkle 2.13 1-4 another O'Brien entry her record taken last October, these two are worth watching. The Wellington entry Yorkola 2.14 1-2 is working okay for trainer McDonald. We still have Walkie, Pixie and Mr. Squires three good trotters and the good pacer Bongara Todd, Mr. Henley with friend Tom up. We might see Al. B. Jr., and George in this class.

The last class on the program is the 2.29 Trot and Pace. This so called slow class is one that every horseman is interested in as it very often turns out to be a fast one before finished. Last year the Hush won it, time 2.16. We have fifteen entries all with a chance of winning. The O'Brien Stables by all reports should have a winner in Winnie Winkle if she starts in this class. 2.13½ over her home track last October seemed easy. You will recall friend Harry coming down three years ago with a green horse for the slow class called—Lucky Lindy, and winning with the third mile 2.16½.

Be on hand for there are fourteen entries besides Winnie Winkle. You can never be sure of the winner till the race is over.

Officials For Holman-Pickard Bicycle Race

Well boys it won't be long now until the big event the Holman-Pickard Bicycle Road Race.

Just think only five more days to get in shape for that hard grind, it took lots of hard training to win last year and by all accounts will take equally as much if not more this year.

Following are the officials who will handle the above race which will be run off on Monday evening July 3rd at 7 o'clock. Starting in front of the Bike Shop, Gt. George Street and finishing in front of R. T. Holman Limited, Grafton St.

Starter. James McMillan.

Timers: Sam Doyle, James Coyle, W. A. Gaudet.

Handicap Committee: John Gordon James Coyle, Lou Campbell, Sam Doyle.

Finishing Judges: John Gordon, Sam Doyle, Lou Campbell, James Coyle.

Announcer: Ed. Acorn.

The course will be from The Bike Shop to Kent St., through to Brighton Road to Willow Corner out North River Road to Simmons Corner across to Spring Park School and Malpeque Road to Royalty Road beyond Pumping Station across to Sherwood Cemetery and Brackley Pt. Road in Brackley Pt. Rd., to St. Peters Rd., and Longworth Ave. to Weymouth St. to Grafton St., finishing in front of R. T. Holman Limited.

The firemen under their ever obliging and courteous Chief have kindly consented to assist at start and finish of race.

Chief Birtwistle and his efficient staff of officers have offered to assist in directing traffic.

Inspector Fripps of the R. C. M. P., has kindly offered assistance in directing traffic on the Highway. Thanks boys this certainly helps a whale of a lot and is appreciated by the management of the race.

HI-Y DEFEATS SENIOR "Y"

Frank Storey's three bagger in the eight inning with one man on base, and which ended in a home run on a wild throw to third, brought his team, the Hi-Y, through to a 5-3 victory over the Seniors in the hardest and closest fought game yet played for the Pickard Trophy.

The Seniors started out by garnering three runs in the first on some well placed hits, but were held scoreless for the rest of the game. In the sixth they managed to fill the bases with one out, but hopes were shattered when "Slick" Goss retired the next two batters. A feature of the game was "Rabbit" Partridge's shoestring catch in the outfield. Joe Saunders was the pick of the Senior Y, fielding and batting consistently throughout.

Wheat Upsurge Subsides

(Associated Press)

CHICAGO, June 28—Dollar wheat went into eclipse today, recent big upturns in prices being suddenly wiped out by sensational reverse market action.

Uncertainty attending the effect of quick application of the Government's new process tax and farm bonus system was asserted in some quarters to be largely responsible for the upset of values.

All the grain markets, however, had been honeycombed with stop loss orders to sell on price setbacks, and as soon as these orders were dislodged, an avalanche of profit taking sales carried the markets down grade, with wild rallies intervening but failing to last.

CRICKET RESULTS

LONDON, June 28—(C. P. Cable)—Closing scores in county cricket matches getting under way today were as follows.

Essex 252 (Cutmore 72) Middlesex 19 for two wickets at Lord's.

Warwickshire 372 for eight wickets (Kilner 81, Bates 65, Santall 132 not out) against Surrey at Birmingham.

Nottinghamshire 301 for nine (Walker 93, Gunn 56 not out) against Gloucester at Nottingham.

Somerset 215 (J. Lee 77, Freeman Seven for 61), Kent 31 for five, at Tunbridge wells.

Derby 128 (Sibbles five for 49), Lancashire 109 for three wickets, at Buxton.

Sussex 320 for seven (John Langridge 75, James Longridge 125 not out) against Yorkshire at Hull.

Worcester 289 for seven (Gibbons 87) against Hampshire at Stourbridge.

Leicestershire 265 for four (Berry 91, Dawson 58, Shipman 145) against Glamorgan at Cardiff.

BASEBALL

The first game of baseball of the season at Kinkora was played recently between the old rivals, Kinkora and Emerald and was won by the Kinkora boys by the close score of 12-10. Alan White pitched a great game for Emerald and was relieved by Ford in the seventh who also gave a good account of himself. For Kinkora Tommy Johnston pitched the whole nine innings with brother Joe on the receiving end and these boys played a wonderful game but received poor support from their team-mates in the early part of the game. At the end of the third innings the score read 7-2 for Emerald. For the winners McIver and Mulligan made some nice hits, while for Emerald M. White, Ford and Mulligan were equally as good. Johnston's clever base-running was a feature of the game.

The lineups:—

Kinkora—Catcher, J. Johnston; Pitcher, F. Johnston; 1st Base, E. McIver; 2nd Base, W. Keefe; 3rd Base, R. Shreenan; S. Stop, L. Mulligan; Fielders, L. Smith, L. Keefe, J. E. Mulligan.

Emerald—Catcher, M. White; Pitcher, A. White; 1st Base, L. Ford; 2nd Base, G. Mulligan; 3rd Base, D. Murphy; S. Stop, J. White; Fielders, J. Harper, E. Mulligan, J. Deigan, E. Clow.

Accident Proves Fatal

(Canadian Press)

AMHERST, N. S., June 28.—Four-year-old Roy Steeves died today in Cumberland County's first motoring fatality of the season.

The child was playing in a ditch near where his father worked when he was struck by a car driven by C. T. Shipley, Amherst Point farmer. The boy died in hospital a few minutes later.

NEW YORK, June 28—A dizzy drop in the United States dollar, sharp breaks in grain quotations and generous advances in current favorites of the share traders kept financial markets bustling today.

The main body of stocks closed lower after early flourishes, for profit-taking was heavy toward the finish as the erratic movements of wheat resolved into substantial net losses. Cotton was down 75 cents to $1 a bale.

Accident Case In Supreme Court

The case of Wilfred McNally vs. Lorne Sentner and Poole & Thompson Ltd., an action for damages for personal injuries received by the plaintiff in an automobile accident on the road between Kensington and Summerside last summer, came before Mr. Justice Saunders and a jury yesterday in the Supreme Court.

The testimony of five witnesses was heard. They were Thomas Paquet, Borden, who was with Mr. McNally changing a tire when the accident occurred, Dr. Jardine, who examined the injured man, Corporal Robert MacDonald, of the R. C. M. P., who conducted the investigation, Vernon Campbell and Fred McCarville, who testified that their wagon had been struck by a car alleged to be driven by Sentner.

Mr. J. J. Johnston, K.C., appeared for the plaintiff, Mr. J. O. C. Campbell for the defendant, Sentner, and Messrs. D. L. Mathieson and T. A. Campbell for Poole & Thompson Ltd. At 5 o'clock when the Court adjourned the plaintiff had not completed his case.

Select Berwick As Site For Hydrating Plant

HALIFAX, June 28—(C.P.)—The town of Berwick was confirmed as the site T. S. Simms and Company's new apple hydrating plant by President L. W. Simms tonight. Mr. Simms said many factors entered into the selection of Berwick, notably the large concentration of apples in warehouses there, the fact that a vacant building could be remodelled advantageously.

The Saint John Company has developed a new process of apple dehydration, which has been endorsed by agriculture departments of the provincial and federal governments, which are lending the venture their support.

Mr. Simms said tonight however that while both departments were offering every co-operation, they were backing the project on the condition that the company assumes full responsibility in all ultimate decisions which have to be made.

SOCK-FOOT NINE VS. WILDCATS 7-5

A stiff game of baseball was played on Hillsboro Square yesterday afternoon when the Sock-Foot Nine defeated the Wildcats by a score of 7-to-5.

The lineup was:

Wildcats—Catcher, F. Dunn; Pitcher, A. Wynne; 1st base, L. Clarkin; 2nd base, H. Murnaghan; 3rd base, M. Oatway; Short stop, R Murnaghan.

Sock-Foot Nine—Catcher, E. McLellan; Pitcher, B. Dunn; 1st base, J. Neale; 2nd base, H. McGee; 3rd base, J. MacDonald; Short stop, H. McCallum.

Referee—Leo Redmond.

The impression is common that the United States is helping the dollar's downward slide in order to stabilize later at a more favorable parity.

After a day's respite the "big four" on wheat meet again tomorrow morning to discuss acreage limitation plans. Australian opposition to schemes restricting production has checked the progress of the discussion. Later Australian advices are said to be rather more favorable but one of the conditions laid down is in agreement with importing countries.

Cuba's scheme for limiting sugar production is being considered by a sub-committee of the Conference but according to reports slow headway is being made. India which at first opposed the plan is now understood to be willing to co-operate.

Sir Philip Cunliffe-Lister, Secretary for the Colonies, had the quaint experience of speaking on the scheme in a triple capacity. He spoke for the United Kingdom both as a large scale importer and a small scale producer. As representing the colonies, he spoke for 12 large scale producers. The United Kingdom, Sir Philip said, would be willing to limit home-grown subsidized sugar provided limitation did not mean reduction. There were administrative and legislative difficulties about the plan. The United Kingdom, he said, could not accept the proposal to limit tariffs on sugar.
