METHODIST PASTORATE TO REMAIN AT FOUR YEARS.

OTTAWA, Oct. 6.—After a rather warm two-hours' session, during which seven amendments to the recommendation of a special committee that the extension of the time limit of four years for the pastorate be allowed for "special causes," instead of "special missions" were voted down, the Methodist General Conference on Saturday night decided by a

big majority, that no change be made in the constitution regulating the term of the pastorate. This means that the four year period prevails and can be extended only for "special missions."

Throughout the debate Rev. Dr. Carman was busy with his gavel and calling for due respect to be paid to the chair. The delegates were evidently in no mood for calm deliberation after a very hard week.

As soon as the itinenacy committee report, recommending that the pastorate be extended for "special causes," instead of "special missions," as the constitution prescribes, several delegates hastened to point out that if this were adopted the door would be opened for an unlimited extension of the pastorate.

The motion to make no change in the time limit was carried by a big majority. The "Old Guard" attending the Methodist General Conference were the guests of Hon. Justice MacLaren at a lunch in the Chateau Laurier on Saturday.

The "Old Guard" is made up of delegates who have attended every general conference since the union of all the Methodist bodies in Canada in 1853. It is made up of the following: Rev. Dr. Carman, Rev. Dr. William Briggs, Rev. Dr. W. S. Griffin, all of Toronto, and general conference officers; Rev. Dr. Heartz, Amherst (N.S.); Rev. Dr. J. S. Ross, Grimby (Ont.); Rev. Dr. E. B. Ryckman, Kingston; Rev. Dr. A. S. Stewart, Winnipeg; Rev. Dr. Jas. Woodsworth, Winnipeg; Hon. Justice Chesey, Lunenburg (N.S.); Hon. Justice MacLaren, Toronto; W. H. Lambly, Inverness (Que.); and W. J. Robertson, on Saturday night decided by a

TORTURED BY CONSTIPATION

"Fruit-a-tives" Cured Paralyzed Bowels and Digestion

ST. BONIFACE DE SHAWINIGAN, QUEBEC, Feb. 3rd, 1914.

"It is a pleasure to me to inform you that after suffering from Chronic Constipation for 2 1/2 years, I have been cured by 'Fruit-a-tives'. While I was a student at Berthier College, I became so ill I was forced to leave the college. Severe pains across the intestines continually tortured me and it came to a point when I could not stoop down at all, and my Digestion became paralyzed. Some one advised me to take 'Fruit-a-tives' and at once I felt a great improvement. After I had taken four or five boxes, I realized that I was completely cured and what made me glad, also, was that they were acting gently, causing no pain whatever to the bowels. All those who suffer with Chronic Constipation should follow my example and take 'Fruit-a-tives' for they are the medicine that cures!"

MACLOIRE PAQUIN
"Fruit-a-tives" are sold by all dealers at 50c. a box, 6 for \$2.50, trial size, 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.
