Hooley Smith Stars As Amerks Defeat Leafs 4-2 To Clinch Second Place

(By The Canadian Press)

NEW YORK, March 20—Coming from behind, New York Americans downed Toronto Maple Leafs 4-2 here tonight to gain second position in the National Hockey League's Canadian section. They will meet Rangers here Tuesday in the first of a best-of-three game preliminary Stanley Cup playoff round.

The victory only brought the Amerks on even standing with the Canadiens on points with 49 each, but they won 19 to the Montrealers' 18, giving them the edge. A crowd of 10,000 which saw the starshirts trailing 2-0 at the close of the first period, gave Red Dutton's team a big hand.

Nick Metz gave the Leafs a lead early in the first period. Gordon Drillon scored the other Toronto goal but the advantage was wiped out as Dave Schriner and Johnny Sorrell both netted for the Amerks in the second session.

A tie being useless to them the Americans threw caution to the winds in the closing period and their efforts were rewarded. The veteran Hooley Smith fired two goals past goalie Turk Broda, the winning tally coming on a solo effort.

FAST SCORING

BOSTON, March 20—(CP)—The bruising Bruins, winding up their National Hockey League schedule, trounced Chicago Black Hawks 6-1 tonight. Bruins scored three of their goals within 79 seconds.

Both scored during the last minute of first period play, Art Jackson for the Bruins and Johnny Gottselig for the Hawks, and that deadlock continued until early in the final session when Woody Dumart clinched the game for the home forces.

A one-goal lead, however, was not enough for the Bruins and they threw terrific pressure against goalie Mike Karakas during the last 75 minutes of play, when little Bobby Bauer scored twice in 22 seconds and Milt Schmidt and Bill Cowley provided the last two counters.

By holding the visitors to a lone goal, Tiny Thompson clinched his fourth Vezina trophy, one more than any other goalie has won in the league's history.

Gord Drillon Takes Honors In Scoring

MONTREAL, March 20—(CP)—Playing his second season in the big time, Gordon Drillon of Toronto Maple Leafs took the National Hockey League scoring title for 1937-38 tonight with an unofficial two-point advantage over a teammate, Sylvanus Apps.

When Drillon was aided by Apps in scoring Leafs' second goal in a 4-2 defeat by New York Americans, he concluded the schedule with a total of 52 points to 50 for his pivot man. Paul Thompson of Chicago finished atop the American division and third in the league, with a total of 44.

Drillon, Moncton, N.B., boy, led the league's pointmakers from the first week of the schedule which ended tonight. His total of goals, 26, was four better than attained by Thompson, who was second in that department.

Apps led the league in assists with 29, despite a furious last-minute bid by Art Chapman of New York Americans. Chapman got six assists in the last week of the schedule to finish second with 27.

Red Horner of Toronto and Art Coulter of Rangers, captains of their clubs, were tied for top position in penalties. Each had 80 minutes charged against him.

Goodyears, champions of the Ontario Hockey Association, came from behind to beat the northern titlists.

Lowly Wings Hand Rangers 4-3 Setback

DETROIT, March 20 —(AP)—Detroit Red Wings though they are out of the playoff picture, concluded their National Hockey League activities for the season tonight by covering themselves with a little glory in a 4-3 win over New York Rangers.

Five thousand spectators watched Red Wings, dethroned champions, score their only victory of the season over the Manhattan team.

Alex Motter broke a 3-3 tie with less than six minutes to play after the Rangers had come from behind twice to deadlock the game. Motter feinted Dave Kerr out of the goal and shot into the open net.

By agreement between the clubs, the referees called no offside against a puck carrier.

Joe Lamb put Detroit ahead at 7:58 of the first period and Phil Watson tied the score 6 minutes later. Modere Bruneteau beat Dave Kerr in the second period, and Carl Liscombe gave the Wings a two-goal lead three minutes after the final period started.

This was wiped out when Butch Keeling and Mac Colville climaxed Ranger power plays by beating rookie Jimmy Franks, who replaced Norm Smith in the Detroit nets for tonight's game. Then Motter broke away to sew up the game.

Not a penalty was called against either team.

Junior Abegweits Receive Welcome On Return Home

Met at the station by Deputy Mayor B. Roy Holman, members of the executive of the Junior Hockey League, and the City Firemen, Junior Abegweits received a royal welcome home Saturday night as they returned from Halifax after an unsuccessful attempt to lift the Maritime junior championship.

With the siren blaring loudly the boys were escorted to Milton's Old Spain Restaurant in two fire trucks where they sat down to a delightful banquet given by the Junior League and presided over by Dr. I. J. Yeo, president of the league.

After the "eats" had been partaken of, speeches were delivered by Dr. Yeo, Deputy Mayor Holman, Rev. Father Oswald Murphy of St. Dunstan's University, Messrs. Mel Diamond, representing the junior Royals, J. R. Williams, representing the junior Rangers, coach Roy Prowse of the Abbies, manager Nelson Whitlock of the Abbies, and others present at the gathering.

All the speakers praised the showing of the local juniors. They were proud of them and their season's work. They had showed remarkable fighting spirit all through their tough playoff schedule; their character both on and off the ice had been very commendable and when the time came that they were forced to take a beating they had taken it like the true sportsmen they were, were the gist of the remarks made by the various speakers. A great tribute to a team that went down fighting to the last.

Coach Roy Prowse in a few brief remarks also praised his squad and added that he wanted to sincerely thank his team for the co-operation and teamwork they had shown throughout the season. It was a pleasure working with them, Coach Prowse stated, and he was exceedingly thankful for the way the boys had treated him. Mr. Prowse's remarks were heartily endorsed by Manager Nels Whitlock.

Weary from their gruelling playoff schedule, the boys nevertheless hadn't an alibi to offer for their defeat, summing up the result of the final game, the only defeat chalked up against them all season, briefly in that the better team won on the night's play but adding in the next breath that they would certainly like to meet the Halifax team at some future date.

Present at the gathering last night was Ivan "Hickey" Nicholson, just recently returned from a successful season with Kansas City. "Hickey" also had words of praise for the showing of the juniors in a brief speech.

Before the gathering adjourned Mr. Milton Bell, proprietor of the restaurant was heartily thanked for the many favors he has shown the league all season, throwing his restaurant open at all times for meetings of the league and in general doing all in his power to help the thing along.

In a short discussion during the banquet the matter of total-goal series for a Maritime title was brought up. Several voiced their objections to this method and it was also stated that some present at Halifax had been speaking to President Hanson Dowell of the M.A.H.A. about this matter. President Dowell evidently also was not in favor of the method and it is quite likely that probably in future the final series will be changed to a best of three series, the same that is in vogue in Upper Canada at the present time.

Races Held On Saturday Despite Inclement Weather

Conditions were very unfavorable for the ice races scheduled for Saturday afternoon. Rain was falling and the course was soft and slushy but as some of the horsemen were present and ready to start it was decided to go ahead with the contests. Two match races and two classes had been arranged but one of the match races had to be called off because owners of two of the horses were not present, evidently believing that the events would not be held.

The match race between Rosebud, owned by Harry Murphy, Charlottetown, and Convincer, owned by Hyde Bros., Clyde River, for $25.00 a side took place and proved an exciting contest. In the first heat after leading over half the course Rosebud went to a bad break and Convincer passed her and won by two lengths. In the second heat Rosebud made a break when in the lead near the finish but driver Murphy caught her in time and she crossed the finish line first. In the third heat Rosebud led all the way and won by a full length.

Harry O'Brien of Alberton was up behind Convincer and drove him a clever race but Rosebud had too much speed for the Clyde River gelding. A head wind and heavy course made the time slow.

A three cornered race between Peter Frisco, Gippy K., and Ethel Aubrey was called off because as mentioned above two of the owners were not present to put up the side bets. So Gippy K., and Ethel Aubrey raced on their own and Gippy K. won in straight heats, pacing cleverly. Ethel Aubrey also trotted well and was just nosed out in the first heat and beaten by a length in the second heat.

Quite a good crowd was present to see the events although the walking was bad and the weather quite disagreeable.

Leafs Upset Amerks 8-5 As Canadiens And Rangers Battle To Overtime Tie

(C. P. by Guardian's Special Wire)

TORONTO, March 20—National Hockey League statisticians delved through records today to see if there was anything to equal the rapidity with which Toronto Maple Leafs and New York Americans scored eight goals in four minutes and 52 seconds.

They put on the amazing show in the third period Saturday night when the Leafs pulled out an 8-5 victory and dampened the New Yorkers' hopes of taking second place in the league's Canadian section. Before a dazed crowd of 9,500, the teams shot goals at the rate of one every 36 seconds.

For two periods Americans and Leafs gave a ragged display which had the fans chanting for action. Leafs led 3-1 at the end of the second.

Red Beattie scored a goal a minute and eight seconds after the third period opened and things continued dull from there until midway through the period when Murph Chamberlain got the first of two goals. There was no stopping either team for the next five minutes, defences wilting under the terrific barrage.

Top scorers of the night were Buzz Boll and Chamberlain, who got two each. Bob Davidson, Harvey Jackson, Bill Thoms and George Parsons were the other Leaf marksmen. Nels Stewart, Johnny Sorrell, Hooley Smith and Lorne Carr scored for Amerks besides Beattie.

Five of the last-period goals were scored while Eddie Wiseman and Reg Hamilton served major penalties for a brief fighting display.

Trouble flared momentarily in the second period when Tommy Anderson pulled Boll down from behind and Referee Clarence Campbell allowed Leafs a penalty shot. But manager Red Dutton of Amerks, shouting from the sidelines that the penalty shot was undeserved, ordered Nels Stewart to stand on the penalty-shot line. Stewart did while Gord Drillon shot the first time and scored. The puck went through Stewart's legs. But Campbell disallowed the goal, conferred with Dutton and ordered another shot. Goaler Earl Robertson stopped Drillon's second try easily.

HARD-FOUGHT GAME

MONTREAL, March 20—New York Rangers and Montreal Canadiens, playing as though the Stanley Cup itself were at stake, battled to a 1-1 overtime draw last night in the final regular National Hockey League game of the season here.

Canadiens gained a point on New York Americans, who lost to Toronto Maple Leafs, in their fight for second place in the Canadian division but position of the teams in the final standing depended on the result of tonight's game between Amerks and the Leafs in New York.

Rangers and Canadiens put on a brilliant exhibition for the largest Saturday night crowd of the season, close to 10,000. Ott Heller scored on a solo dash early in the first period to put the New Yorkers ahead and it was only after nine minutes of the third session, when two Rangers were on the penalty bench, Paul Haynes broke down Davie Kerr's almost perfect goaling to tie the count.

Rangers had forwards Lynn Patrick and Neil Colville working as rearguards in place of the injured Babe Pratt and Art Coulter. Pratt was in uniform but saw little action. The Manhattanites however lacked no power on their front line and Wilf Cude in Canadiens nets was almost as busy as Kerr.

Frank Calder, President of the N. H. L., presented the Kennedy Cup, emblematic of Montreal City championship, to President Ernie Savard of Canadiens just before the start of the third period.
