## EASNG THE CHEST

It is the cold on the chest that scares people and makes them sick and sore. The cough that accompanies the chest cold is racking. When a cold is a hard one and the cough correspondingly severe every coughing spell strains the whole system. We feel sure that it we can stop coughing for a day or so we could get over the cold, but we try everything we know of or can hear of in the shape of medicine. We take big doses of quinine until the head buzzus and roars; we try to sweat it out: we take big draughts of whiskey, but the thing that has its grip on the chest hangs on, and won't be shaken loose.

If the irritation that makes us cough could be stopped, we would get better promptly and it is because Adamson's Botanic Cough Balsam is so soothing and healing to the inflamed throat that it is so efficient a remedy for coughs and colds. This really great medicine is a very simple preparation, made of extracts of barks and gums of trees, and it never deceives It heals the throat and the desire of cough is gone. When the cough goes the work of cure is almost complete. All druggists sell Adamson's Balsom, 25 cents. Try this famous Balsam for your sore chest and you will find prompt relief.
