Great progress is being made by Messrs DesRoches and Morrison in the removal of the old building on the site of the New Canadian Bank of Commerce. Many of the older citizens are deeply interested in its removal and many stories of olden times are recalled as they gather around the ruins.

Sunday forenoon when the people were in church fire broke out in the dwelling house of Fidele P. Gauthier, of North Rustico, starting from the chimney. There was a southwest gale blowing at the time, and the house with almost all its contents was destroyed. Mrs. Gauthier and two small children were the only inmates at the time.

Although lobsters are scarce on the southern shore they evidently make up in size what they lack in quantity. Charles Lutz, fisherman at the factory of Milburn Dixon, Wood Islands East, caught a fine lobster weighing twelve lbs and measuring forty-two inches from tip to tip of claws. One of the claws measured twelve inches by seven. This beats McCormack. Next.

The annual retreat of the Roman Catholic Clergy began at St. Dunstan's College last evening until Saturday. All of the Island Clergy but two, Rev. Father Croken in charge at Summerside and Rev. Maurice McDonald of Kelly's Cross, who is stationed at the Cathedral, will attend. The services at the retreat will be conducted by Rev. There Are No Others

That combine all the superior qualities that our "Gem" Icecream freezers do. They are the best freezers made for quick results. No salt can enter the freezer, or no ice stops the cogs. It is easy to work, takes less ice, and gives better satisfaction than any freezer made. It is the "Gem" of them all.
