

Serve it Some way Every day— SHREDDED WHEAT

12 full-size biscuits With all the bran of the whole wheat

Children like the crisp, crunchy shreds of baked whole wheat—and it's so good for them—makes good bones and sound teeth—Delicious with milk or fruits.

Paper inserts in each package offer a surprise for the children.

Charlottetown

Continued from page 1

desirous of meeting them. The public meeting in the evening will begin at 8 o'clock.

Acknowledging the welcome tendered them by the Premier and Mayor, Prof. MacPhee, on behalf of himself and Mr. Burnaby, said it was of great importance to get in touch with the needs of our Maritime business men.

"I would like," Prof. MacPhee continued, "to tell you who Mr. Burnaby is. He is a Nova Scotian. He couldn't help that. (Laughter). But that is the only thing he can't help. He resided for more than thirty years in Ontario. He has made himself in a business and personal way, and as a farmer of somewhere around 500 acres, a very strong fibre in our life in that Province. He is a large real estate operator, an insurance man and salesman. He is not the sort of

man we visualized as being able to get as our Trade Commissioner five months ago. And the only reason we could get Mr. Burnaby to relinquish his business and take over this office was that he saw it was a piece of real, national work. It was for his own land and for the Maritime Provinces he was doing it. (Applause).

There was present at Saturday's luncheon Messrs. Burnaby and MacPhee, Premier Saunders, Mayor Yeo, Hon. W. M. Lea, Hon. J. P. McIntyre, Mr. J. O. Hyndman, Mr. W. C. S. McLaughlin, Mr. J. W. Boulter, Mr. Melville Bradshaw, Summerside, members of the provincial committee of the Maritime Provinces Association; Mr. Justice Arsenault, president of the Publicity Association, Hon. J. D. Stewart, Mr. H. R. Stewart, Mr. S. A. MacDonald, president, and Mr. Charles Rogers, vice president; Associated Boards of Trade; President H. F. MacPhee and vice president J. P. Crockett of the Charlottetown Board of Trade; Mr. H. T. Begg, president Summerside Board of Trade; Messrs. A. R. Brennan, "Summerside Journal," Reuben MacDonald, "Island Patriot," and Frank Walker, "Charlottetown Guardian."

Central Guardian

POLICE COURT—There was a clean docket at the Police Court Saturday morning.

FEW ARRESTS—Saturday night was rather quiet in police circles, only two drunks were arrested. Sunday being wet the dry ones remained inside and as a consequence no arrests were made.

EXCAVATION COMPLETED—Work on the Memorial Library is progressing quite favourably. Excavation is completed, and forms for the foundation is now being laid.

CONDITION MUCH IMPROVED—The Guardian is pleased to report that His Lordship Bishop O'Leary, who has been ill for some time, is now on the road to a good recovery. His Lordship officiated at Confirmation at the Cathedral yesterday afternoon.

ADDITION TO DEPARTMENT—The City Police Department has added a motorcycle to its already efficient equipment. Police Constable Biggar gave the motorcycle a few whirls Saturday afternoon and judging by the manner in which he handled his "steed," it looks as if speeders and other law breakers had better beware this summer.

CONFIRMATION AT CATHEDRAL—About one hundred and fifty children, boys and girls, received the Sacrament of Confirmation at the Cathedral yesterday afternoon. His Lordship Bishop O'Leary gave Confirmation. The services were conducted by Rev. Father McMahon, Master of Ceremonies, assisted by Rev. Father McCarthy and Rev. Father Arsenault. Right Rev. Monsignor Maurice McDonald preached an eloquent and appropriate sermon for the occasion.

SNOW STORM?—Lowering clouds and a falling temperature early yesterday morning, with a stiff north east wind brought a cold rain which continued throughout the day, and towards evening turned to hail. About 8 o'clock last night, snow began to fall, and at 9 o'clock it looked for awhile, as if the Province was in for an old time snow storm. However, the wind continued moderate, and shifted a quarter. At 11 o'clock over half an inch had fallen, unprecedented in the Island's history for some years. At 12.30 last night it was mild, but still snowing.

ISLAND BISHOP PROMINENT—Island readers of the Saturday Evening Post, interested in the settlement of the Roman question, would have read the article by Vittorio E. Orlando in the issue of May 4th, "The First Agreement between Italy and the Holy See." They might, however overlook the gratifying fact that the Chicago Prelate, to whom Mr. Orlando refers as "Monsignor K." is a Prince Edward Islander; Right Rev. Francis C. Kelley, the present Bishop of Oklahoma. Mr. Orlando's summing-up paragraph indicates that the plans presented by "Monsignor K." were the ones finally accepted. Premier Mulvihill also, in his historical speech in the Chamber of Deputies, refers to Bishop Kelley's participation in the Roman Vatican question.

PERSONALS Mrs. W. T. Kehr, Stanley Bridge, is visiting in the city the guest of her sister, Mrs. L. W. McKay, Cumberland Street.

Misses Edith and Laura Lane, of Vernon River, left Saturday morning on a visit to the United States, to be the guests of their sister, Mrs. Roy Weatherlie, Cambridge, Mass.

THE PROMPT DRUGGISTS

CARS COLLIDE—Two cars one bearing a foreign license plate collided on Pownall Street Saturday afternoon at the Sydney Street intersection. After some heated argument by the drivers of both cars, peace was finally restored, and each went their way. There was little damage done to either auto.

WESTERN GUARDIAN —BUY FRESH CEMENT, lime and plaster at Brace's. 3971-5-20-11

—COME AND SEE THE NORTH BEDEQUE players present the three act comedy "The Bride and Groom," in Scarleown Hall, Tuesday, May 21, at 8 p. m. Proceeds to be divided between North Bedeque and Scarleown. If no: fine come following evening. 3973-5-20-11

—POSTPONED — The three-act comedy "Forest Acres," which was to have been shown in 'Sherbrook Hall' last Thursday evening, by the Sherbrook Dramatic Club, has been postponed as one of the leading lady performers, Mrs. Fred Harris, was called to Northam on Thursday as her mother, Mrs. Ellis, was taken seriously ill. The many friends of Mrs. Ellis and Mrs. Harris hope that Mrs. Ellis' illness will not prove of too serious a nature.—S

—MADE SUPERINTENDENT OF BIG NICKEL MINE—In an item which appeared in the Western Guardian of the 16th inst., referring to a general re-arrangement of the officials of the International Nickel Company, Mr. Lester Sharp was inadvertently referred to as a son of Mrs. John Sharp, of Summerside. Mr. Sharp is a son of the late Mr. and Mrs. James A. Sharp and a brother of Mr. Herbert Sharp, of Summerside.—S

—C. N. R. PASSENGER CAR BURNED—Between two and three o'clock last Saturday morning the Summerside firemen were called out to a fire which threatened the destruction of the new engine house and water tower adjacent to the freight shed at Summerside station. By some unaccountable means, passenger coach No. 3123, which had come down from the west and was left standing for the night on the siding alongside the engine house, caught fire from the inside near the rear exit and made a brilliant blaze. The coach had been left securely locked and while the flames originated is quite a mystery, as the stove was at the front end where the fire did not originate. The back half of the car was badly gutted and the upholstery damaged by smoke and water, involving quite a heavy loss. Only the prompt response and good work of the Summerside Fire Department saved the adjoining round house and probably the water tower also. Much credit is also due to Mr. Harold Gaudet, who first discovered the fire, at about 2.20 a. m. and promptly gave the alarm.—S

—DANCE AND ENTERTAINMENT — The leading social event in Summerside last week was the entertainment and dance in St. Mary's Hall, on Friday evening. There was a large attendance of young people and a good sprinkling of older folks. The first part of the evening was taken up with interesting games the chief one being a magazine contest, in which Mr. Henry Noonan and Mr. Ewen Nicholson were the prize winners. Bridge was played in the large gallery of the hall, the prize being won by Mrs. MacPhail. The chief attraction, however, was the dancing in which a number of novel features were introduced, notably the conflict dance, which was very dainty and was enjoyed as much by the onlookers as by the participants. A splendid

Report Of Empire Trade Committee Adopted By Board

At a meeting of the Council of the Charlottetown Board of Trade, held on Friday night, the report of the Committee to investigate the possibilities of advancing Empire trade in Charlottetown was read and adopted.

It dealt with canned goods, package goods, temperate drinks, brooms, condensed milk, bakeries, packing houses, printing, fox biscuits, tea packing, tobacco manufactures, can manufacturers, iron works, fruit, footwear, photograph mounts, hardware, stationery, coal, rope, and fishing nets, lobsters, cheese and butter, etc.

Reference was made to local industries. It was shown to what extent these industries are supplying goods which are used here and also in what way their business could be further developed. In a number of lines mentioned it is stated that the goods sold on the Island can meet all competition in quality and price. It was also pointed out that the Island lobster industry has been flourishing for years but has met with some setbacks in recent years caused to some extent by the development of the Japanese crab business. Our cheese and butter industries are able to compare favorably with all competitors. It is suggested that some attempt be made to manufacture craft cheese on the Island. The report concludes as follows:

"It would appear to your committee that, if our local industries are to thrive in the way they should, and in thriving benefit this Province by the employment of many more of our sons and daughters, that all must co-operate more fully than has been the case in the past, local jealousy must be laid aside, and all press for the sale of goods manufactured or grown in the Province for the general uplift of this part of the Empire. May we add that it is quite noticeable that several of our Island products are put up in packages having a cheap appearance and unattractive label, which hinders the sale of a splendid product. We therefore stress the need of up-to-date bright packages for all Island products.

In all cases under survey manufacturers were of the opinion that expansion depends upon local support, greater interest and increased consumption of home products. The necessity of support of local capital invested in our Provincial manufacturing plants is one of the great needs to insure expansion. The place where money is invested enjoys prosperity, so will not Islanders invest more of their Capital in Island industries? More aggressive salesmanship on the part of our manufacturers seems to be necessary for increased business.

Much more can be done now and in the years to come if our merchants and consumers will not keep before them the benefits of Empire Building by selling and buying goods made within that Empire. Trade with one another first in this Province then in the Maritimes, then in Canada as a whole and then from within the whole Empire."

The members of the Committee were: Major T. E. MacNutt, chairman, and Messrs. J. M. Murley and James Leightner.

C. N. R. OFFICIALS ARE EXPECTED ABOUT JUNE 1ST

New Hotel to be Erected at Cost of About \$750,000, Says Mr. Nelson Rattenbury.

MONCTON, May 18.—Sir Henry Thornton, K. B. E., Chairman and President of the Canadian National Railways, accompanied by Mr. S. J. Humberger, Vice-President-in-charge of Operation, Maintenance and Hotels, will visit the Maritimes about June 1st, Mr. Nelson Rattenbury, C. N. R. director from Prince Edward Island said here last night. On this visit Sir Henry and Mr. Humberger will particularly visit Charlottetown in connection with the erection of the new Canadian National Hotel to be undertaken there. Mr. Rattenbury further stated, and this hostelry will be in keeping with the high standard of hotels operated by the C. N. R. at other centres in Canada.

A preliminary survey of the situation of the Island capital has already been made by engineers of the C. N. R. an amount of \$200,000 has been placed in the railway estimates now before parliament, which, he said, will assure the preliminary work on the project being started as early as practicable.

The new hostelry when completed, he said, will cost in the vicinity of three quarters of a million dollars, and will be one of the foremost and most palatial hotels in the Maritimes. Mr. Rattenbury spent a few hours in the city, leaving by Number 10 express this morning for Halifax on a private business trip.

Church Services

FINAL SERVICE OF SONG HELD AT THE Y. M. C. A. LAST NIGHT.

Over 200 young folks turned out last night to the last service of the season and to welcome Rev. W. L. Outhouse, newly appointed minister at Central Christian Church.

In his opening remarks Mr. Outhouse told how glad he was to come to Charlottetown and to meet the large group of students and other young people who attended the Y.M.C.A. services.

Mr. Outhouse said he could not do better than speak on the sign of the Red Triangle, the emblem of the Y. M. C. A.

Spirit—Mind and Body—coupled with these three, Jesus increased in Wisdom, Stature and in favor with God and Man.

Taking each one separately the speaker dealt with each in a very pleasing manner. The large number of young people more than enjoyed hearing Mr. Outhouse and he promised to come to speak to them in the Fall when the services were re-opened. He received a real hearty student welcome.

The special musical number was a beautiful solo, Crossing the Bar, by Miss Gene Beaton. Miss Beaton had sung at several other services in the "Y" and the chairman called on the audience to give Miss Beaton a real hearty handclap to show their appreciation for the way she had entertained them with her wonderful voice.

The meeting was closed with all joining in the Lord's Prayer. These services will re-open early in November.

THE BAPTIST CHURCH

The Rev. A. J. Vincent was very impressive and interesting yesterday morning in his study of Prayer, "The Prayer that does something." The text Romans 8, 26 and 27 "The Spirit Himself maketh intercession for us—and He that searcheth the hearts knoweth what is in the mind of the Spirit."

The speaker ventured the assertion that it is a matter of ease for the minister of any congregation to know, without being told, in a very short time what the prayer life of his congregation is. Nothing so plain, or expresses itself as the presence, or the absence of the habit and practice of prayer. About two outstanding ideas, the thoughts of the sermon were gathered.

1. THE SPIRIT OF GOD TEACHES MEN HOW TO PRAY. All true prayer is begotten in the heart by the Holy Spirit. True prayer is an outpouring of the spirit of Jesus before God. Prayers are answered, not always in the way we expect, but answered just the same. Moses prayed for entrance to the Promised Land—he was granted a glorious entrance to the Heavenly kingdom. Paul prayed for deliver-

power to endure.

2. THE SPIRIT HELPETH OUR INFIRMITIES.

The best of our prayers are infirm and imperfect. The Spirit takes our weak, erring, imperfect petitions and presents them with all gross removed, before the throne of God. Go as a child to its parents, in fearless confident trust. Think less of the form of your petition, think more of the spirit of unselfishness, the spirit of obedience that it strives to express.

Prayer is the supreme need of the Church of God to-day. The average church in calling a minister to its leadership asks "Is he smart?" "Is he eloquent?" "Is he popular?" All too seldom do we ask "Is he a man mighty in prayer, fearing God, living in His presence, proclaiming His gospel?"

In a praying people there is new life for the Church, there is salvation for the world. Let the Church of God wait upon him reverently, fervently, constantly, in prayer. So shall His kingdom come.

Mr. Vincent's evening sermon was based on 2 Cor. 2, 17-18 "Come ye out from among them and be ye separate—touch not the unclean thing"—Vividly, forcibly and brilliantly the speaker pointed out the vital necessity of a separation of the Church from the world. God calls to mankind to be a people separate to Him. The present day danger to the Church is the lowering of standards—the condition in which the Church is in the world and the world in the Church—and no one can distinguish the difference. He eloquently appealed to his hearers for a closer following of Jesus—a higher, stronger standard of daily life.

In his opening remarks Mr. Outhouse told how glad he was to come to Charlottetown and to meet the large group of students and other young people who attended the Y.M.C.A. services.

Mr. Outhouse said he could not do better than speak on the sign of the Red Triangle, the emblem of the Y. M. C. A.

The meeting was closed with all joining in the Lord's Prayer. These services will re-open early in November.

TRINITY UNITED CHURCH

The subject for meditation at the morning service and also at the Men's Bible Class in the afternoon was "The Holy Spirit" and the hymns and music by the choir emphasized the thought, the latter including the anthem, "God is a Spirit" and also a duet "Come Holy Spirit" beautifully sung by Harvey McPherson and A. R. Gillis. It was Whit Sunday in which we celebrate the coming of the Holy Spirit in the Church. Dr. Ramsay's text was from John 14 verses 8 and 16. Christ is still with his people, the same Christ, his promise is "I am with you always." He is not only with us but in us. The Holy Spirit in the church unites us together. It is the duty of the church to demonstrate unity. The holy spirit sacrifices the church. It is a great doctrine, cannot explain it, it is an experience. Paul sets it forth in his epistle to the Romans which is one of the mountain peaks of scripture.

The attendance at Sunday School was 370.

The very inclement weather interfered with the usual attendance at the evening worship. Rev. Mr. Johnson chose for his text Ps. 1-3 "He shall be like a tree, planted by the rivers of water" and in his address made reference to the tree of life as mentioned in Genesis and in the last chapter of Revelation. The tree represents abundant life, the attainment of which is possible by having our delight in the law of the Lord and the speaker took up separately the law of recreation, like begetting, like the law of survival of the fittest, the law of the Sabbath and the law of love.

The music consisted of a solo by Mr. P. D. Williams and an anthem "God who madest earth and heaven" in which Mr. Williams also took the solo parts.

The last issue of "The Outlook" features, "The Maritime Special" tour and has many fine cuts and valuable articles treating of the men and institutions of the Maritimes. It also carries a welcoming message from

Senior, Hon. A. C. Saunders, party numbering about 200 will be here July 4th.

The services during May have not been broadcast. It appears the matter has not been entirely satisfactory for the past year and a new arrangement is about completed, whereby, one service every Sunday will be broadcast starting with June 2nd.

Congregations contributing \$10,000 and over per annum to the Missionary and Maintenance Fund have increased in number last year from 16 to 25. The church making the largest returns was Eaton Memorial, Toronto, with \$57,186 and Sherbourne Street, Toronto, second with \$43,896. The total allocation of several Presbyteries in the Maritimes does not exceed \$10,000. Trinity Church here last year gave \$6024. This year our allotment is to be increased.

It is gratifying to read in the recent Presbytery report that a number of students were certified as suitable candidates for the ministry for instance six in Cumberland Presbytery and three in Windsor Presbytery.

The attraction this week will be the rendition of Haydn's musical masterpiece "The Creation" on Tuesday, 21st, commencing at 8 o'clock by the combined choirs of First Baptist and Trinity United Churches. This will be a musical event of first importance, nothing like it has been attempted in this city before and it is expected that a large audience will greet the performers on the occasion.

ZION CHURCH

Very fair congregation, considering the inclemency of the weather, were present at the Anniversary Services held at Zion Church yesterday. In the morning the minister, Rev. Scott Fulton occupied his own pulpit taking as his subject, "Foundations."

In the evening the Rev. Quincy McDowell of Caledonia occupied the pulpit.

The theme of the evening sermon was "A more excellent way." 1 Cor 12-31. Every young man and woman stands as is were at the hub of a great wheel with ways beckoning them to enter. Ways are open to young people today that were never dreamt of by our parents. The pathless ocean was a way to Lindbergh to a place beside Kings and Presidents the world over. The air was an open way to the Wright brothers to world fame. The store, the factory, the school, the hospital are open ways of large service and usefulness. But these ways like the things of earth fade and die but the more excellent way leadeth unto eternal life which grows richer and fuller with the millennium. This way may include any of these others but leads beyond them. This way is the christian way which is entered by faith in Christ, the door. This way is travelled, even as Christ walked it, by sacrifice and service. And the end or goal is Christlikeness. For Christ represents ideal man. He represents man at his best for He is the Prince of men. The minister, clothed by emphasizing that this way must be chosen, we do not just happen into this more excellent way, even as we seldom happen unto anything worth while in life.

Being the Anniversary Service special music was the order of the day. The special soloists were, Miss Barbara MacNeil who rendered Grey's "The Heavenly Song" at the morning service, and Mrs. A. E. McPhail of Alberta who sang "There's a Beautiful Land on High" by Mrs. A. A. Taylor and Johnston's familiar "Rock of Ages", in the evening.

The choir rendered the two anthems, "O God Our Help" (Martin) and "O Come to my Heart" (Ambrose) Mrs. Frank Laforty taking the solo part in the former—and Mr. Jacl McLeod the solo part in the latter.

Zion male quartet sang the selections "Watch and Pray" by Carrie B. Adams, and sympathetic accompaniments were provided by Prof. Louis D. Thompson at the organ.
