**Sonja Henie And Tyrone Power**  
In "Thin Ice" At Prince Edward

Few pictures produced during the past few years have been fraught with more original qualities and dazzling loveliness than Thin Ice, musical starring Sonja Henie and Tyrone Power, now playing at the Prince Edward Theatre.

Most films are easy to put into production. Of course, a certain period lies in the preparation of the story and budget, another in actual production, and still another in editing. But with a Sonja Henie picture, all precedence goes to the wind. Her specialized talent in skating requires more care and detail in the planning and production of her pictures.

As an example, there are three spectacular skating numbers in Thin Ice. This means the creation of a large rink suitable for the movements of eighty professional skaters. A refrigerating plant had to be constructed, which utilized miles of pipes, laid around the icy surface. The erection of an ice plant and a corps of engineers was necessary to accomplish it.

The rink completed a magnificent encircling set was created. Under the direction of William Darling, artist, the set created was one of the most impressive combination restaurant and pavilion sets yet seen in pictures. Treated in an ultra-modern style, its materials consisted of molded glass pillars, diffusing neon lights and trimmed with chrome metal. Over the set, and completely surrounding the ice rink, was a balcony for diners.

A further unusual quality in the picture's production was a location trip to Mount Rainier, Washington, for skiing scenes. During the company's three-week stay there, all nature let loose with its wildest display of temperament. Snow, ice and hail at times discouraged them, but they withstood it to film majestic background at Mount Rainier bathed in clouds, and long ski runs by Miss Henie.

The supporting cast features Arthur Treacher, Raymond Walburn, and Joan Davis, and includes Sig Rumann, Alen Hale, Leah Ray, Mabelle Cooper, Maurice Cass, and George Givot.

**In Memoriam**

**MR. NEIL MCKAY**

The community of Murray Harbor was greatly shocked to learn of the sudden death of Mr. Neil McKay on Thursday morning, Nov. 25th, at the age of 66 years.

Courteous in his manner on all occasions, straightforward and upright in all his dealings, he will be missed both in the home and in the community. He leaves besides his sorrowful wife to mourn their loss of a kind and loving husband and father, the following sons and daughters: Mrs. James H. Sharam, Mrs. John Macdonald and Belle; also James Kimbell and Sellar; and four brothers and one sister: William of Murray River; Hugh of Charlottetown; George, of Trenton, N. S.; Albert, and Mrs. Mary Graham of Gladstone. Four sons and two brothers and two sisters predeceased him.

The funeral which was very largely attended was held from his late home on Saturday, Nov. 27th. The service was conducted by the Rev. R. E. Webster assisted by the Rev. Mr. Flannigan of Montague. The hymns sung were: "The Lord is My Shepherd," "My Heaven is Bright and Fair," "Abide With Me," "Shall We Gather at the River."

The pallbearers were two of his brothers-in-law, two sons-in-law and two nephews: Messrs. William Derby, Herbert Brehaut, James H. Sharam, John Machon, Whitney Brehaut, James Derby.

He had so much to live for, and his life seemed best, the gates of Heaven opened and called him home to rest.

**Dry, Hacking Coughs A Menace To Health**

That dry, hacking cough that sticks to you in spite of everything you have done to relieve it is a source of danger, and the longer the cough sticks the more menace it is to your health.

Don't neglect the hacking cough. Get rid of it by using Dr. Wood's Norway Pine Syrup. It helps to stimulate, soothe and heal the bronchial tubes, allay irritation, subdue inflammation, loosen the phlegm and mucous, and aid nature to dislodge the morbid accumulations.

Mr. ALEXANDER A. SOMM, 84-1st Ave., North Bay, Ont., writes:—"I had a very severe head cold accompanied by a dry, hacking cough. I tried various medicines to get rid of it, but they were useless until a friend told me to take Dr. Wood's Norway Pine Syrup. After using one bottle the cold was considerably relieved, and the dry, hacking cough had entirely disappeared."

**Striking Seamen Indicted For Revolt**

(A. P. by Guardian's Special Wire) BALTIMORE, Dec. 2.—Four teen seamen who "sat down" in sympathy with longshoremen on strike in a foreign port were indicted by a federal grand jury today for conspiracy to revolt and "unlawfully and feloniously endeavoring to make a revolt."

Both charges against the members of the crew of the Government-owned freighter Algic were made under the admiralty mutiny statutes.

Four others who participated in the sit-down strike at Montevideo, Uruguay, last Sept. 10, and who subsequently fled the ship were named as co-conspirators; but for lack of jurisdiction were not indicted. Three were arrested in Brooklyn and the fourth in Jacksonville, Fla.

If convicted, the men face possible fines of \$1,000, or five year jail terms, or both, said District Attorney Bernard J. Flynn.

**Celebrated Remark Said Not Twain's**

ST. LOUIS Dec. 2.—(AP)—For years Mark Twain has been credited with the remark, "Everybody complains about the weather but nobody does anything about it."

Now, it appears, Twain didn't say it after all.

His nephew, Cecil Clemens, president of the International Mark Twain Society, said today he had tracked down the quotation and had found it was fathered by Charles Dudley Warner in an editorial in the Hartford, Conn., Press and Courier in 1890.

Warner, a neighbor of Twain's at Hartford, collaborated with him in the writing of "The Gilded Age."

**Gaspe Mayor Is Acquitted By Jury**

QUEBEC, Nov. 30.—(CP)—A court of King's bench jury late yesterday acquitted Kingsley Carter, former Gaspe Mayor, of a murder charge laid just over a year ago in connection with the fatal shooting of Arnold Morgan of Douglasville.

The stocky, be-speckled accused who was tried here last May on the same charge and ordered to stand a second trial when the jury had failed to agree on a verdict, was liberated by Mr. Justice George Gibson immediately after yesterday's verdict was read out by the jury foreman.
