## Criticism Of Britain, Russia In U. S. Congress

WASHINGTON, Dec. 13—(AP)—Congress rang with loud and angry debate over criticism of Britain and Russia today, with Government supporters accusing the critics of "careless talk" which might prolong the war.

## War Situation Last Night

(Associated Press War Analyst)  
A Russian threat to Budapest and Vienna is shaping up on the map. It is even more ominous than that presented by the Red Army's strong siege position before the doomed Hungarian capital which is complete from the west bank of the Danube below the city to its east bank above.

## Yank Ist Army In Two-Mile Advance

PARIS, Dec. 13—(AP)—United States Ist Army troops drove nearly two miles farther into German territory in the Moselle valley in a pre-dawn attack south of Hirtzsch, today while other Ist Army units won a five-mile foothold along the west bank of the Roer River south of Durn.

## International At A Glance

- (By The Canadian Press)  
WESTERN FRONT — U. S. Ist Army takes three villages in drive southeast of Aachen, almost all Germans pushed to east side of Roer River; swift advance of U. S. 7th Army in Alsace halted by broken bridges and stiffening resistance.
- ITALIAN — Canadian regiments drive two bridgeheads across Lamone River northeast of Faenza, consolidate them into 6,000-yard-long foothold.
- RUSSIAN — Soviet forces mop up 11 towns in Budapest area; Germans reported evacuating military depots, war plants from eastward.
- GREEK — Left-wing E.L.A.S. believed prepared to accept British terms for end to civil strife as Athens has first quiet night in week.
- JAPAN — Superfortresses bomb industrial area around Nagoya in Japan; main target big airplane factory; attack termed "success."
- BURMA — British, Chinese forces capture Katka, Indaw, Naba, about 155 miles north of Mandalay.
- CHINA — Chinese troops advance 10 miles in Kwangsi Province.

## Weather Airmen At Reykjavik Have Tough Job

Sgt. Abie MacDonald Of Charlottetown Is Wireless Man On One Plane.

WITH THE R. C. A. F. IN COASTAL COMMAND, Dec. 13—(CP)—Canadian airmen of the R. C. A. F. Meteorological Squadron at Reykjavik, Iceland, are having a "tough" job of "looking for the worst weather" so as to advise other airmen can avoid it.

## King George 49 Today

LONDON, Dec. 13—(CP-Reuters)—The King will be 49 tomorrow. He will spend his birthday quietly, much as on an ordinary day, dealing with official and state business. The "official" birthday celebrations are held in June.

## Jamaica Gets Loans To Repair Storm Damage

LONDON, Dec. 13—(CP-Reuters)—The House of Commons today agreed to provide \$500,000 (about \$3,150,000) to assist Jamaica in repairing havoc wrought by the hurricane on August 20.

## Recount To Settle Bet?

MONTREAL, Dec. 13—(CP)—City Hall today said today that for the first time in civic history, the settling of a bet might bring about a judicial recount of ballots cast in last Monday's mayoral elections.

## R. C. A. F. Awards

OTTAWA, Dec. 13—(CP)—Air Force Headquarters announced tonight the award of 93 Distinguished Flying Crosses and two Distinguished Flying Medals to members of the R. C. A. F. serving overseas.

## Claim Big Things For New-Type Car Engine

MIAMI BEACH, Fla., Dec. 13—(AP)—Dennis Kendall, British member of parliament, operator of what he calls "the most frequently bombed factories in England," soon will be in Detroit with a model of a three-cylinder automobile engine which he claims will revolutionize the automotive industry.
