FROM TURKS' ISLAND—The schr. W. N. Reinhart, Capt. Haughan, 271 tons, arrived in port from Turks Island with a cargo of 11,500 bushels of salt for Jarvis Bros., which is now being discharged by the crew. The Capt. endeavored to make arrangements to hire local longshoremen by the hour. Their regular rate is 60 cents. He offered them 70 cents which they refused to accept because they wanted to discharge the cargo at 60 cents for one ton of 2000 pounds. The regular coal rate is 40 cents per ton, out of which they would have to pay 15 cents per ton for hoisting, engine, driver and gear. In discharging salt the expenses are only 5 cents per ton for man and gear leaving a net earning to the longshoremen of 65 cents a ton. This rate which the captain considered altogether exorbitant, he refused to pay. A Parks is now lying in the stream awaiting her turn to discharge. Both vessels called at their home port, La Have, N. S., en route here, the Reinhart making the trip from Turks Island in 18 days and the Parks in 15 days.

FAMILY IS SURPRISED AT WONDERFUL CHANGE
 Ontario Woman Says Since Taking Tanlac She Has Biggest Appetite She Ever Had In Life.
 "Never before in all my life have I had such a good appetite or gotten so much pleasure out of eating as I do since I took Tanlac," declared Mrs. W. Minn, 206 Grey St., London Ontario, a few days ago. Mrs. W. Minn has lived in London for several years, and is highly esteemed by all who know her.
 "I had practically no appetite, and for two years before I got Tanlac I just had to force myself to eat. I got in such a weak and run down condition that I could scarcely do any housework, and my nerves got in such a bad condition that I could hardly sleep at all, and every morning I seemed to feel worse than I did the day before."
 "It didn't take Tanlac long to bring about a great change. I was astonished right after I started taking it to find that my appetite had improved so much, and my family were surprised to see me sit down and eat such hearty meals. Why, I can hardly eat enough now, and what I eat makes me feel wonderfully strong, and I have gained several pounds in weight. I sleep like a child every night, and when morning comes I get up feeling fine. Life is a pleasure now, and I certainly like to recommend Tanlac for I believe it will help anybody who takes it."
 Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Habon, J. P. White, Murray River, H. M. Chisholm, North Truro, R. H. Cameron & Co., Capraud, and H. P. Coburn, Murray Harbor. Lord's Company, Borden; Lord's Company, Cape Traverse, and Lord's Company, Carleton.

P. E. ISLAND HOSPITAL ANNUAL COLLECTION NOV. 1ST
 In accordance with the system adopted three years ago the Trustees are asking the people of Kings and Queens Counties for the financial assistance that is absolutely necessary for the maintenance of the Hospital.
 On account of the much larger number of patients treated and the higher price of all supplies the amount required to square all accounts at the end of the year will be not less than ten thousand dollars. The collections outside Charlottetown will be made through the Trustees of the different school districts. In Charlottetown a general collection will be made by the envelope system envelopes will be left at every house on the last Friday and Saturday of October and will be taken up on the following Monday. In addition a special collection will be asked for from the business and professional men of the city and special collectors will take charge of this work. In making the collections in previous years we have found that a great many people are under the impression that the rates charged patients should be sufficient to make the Hospital self-sustaining. In order to correct this wrong impression we are submitting herewith a copy of the rates charged in one of the large Montreal Hospitals for accommodation no better than our own:
REGULATIONS GOVERNING PRIVATE AND SEMI-PRIVATE PATIENTS
 The charge for room No. 14 Ward H. is \$10.00 per day. This charge includes ordinary diet, medicine and dressings and the divided attention of the nurses.
 Private \$5.00 to \$15.00
 Semi-Private \$5.00
 Anesthetist's Fee \$5.00 to \$15.00
 Radiograph & X-Ray Treatment (minimum) 5.00
 Operating Room Fee 5.00 to 20.00
 Special Nurse, per diem 5.25
 Special Nurse for Mental, Alcoholic and Tuberculous cases, per diem 6.25 to 7.25
 A deposit of \$30.00 is required on admission; this deposit will be credited on the FINAL adjustment of the account.
 Accounts are rendered every Friday and must be paid not later than the following MONDAY morning. The final account MUST be paid in full before the patient leaves the Hospital.
 It is necessary that a guarantee for the payment of the account be made in writing by some person other than the patient admitted, unless the patient is known by the officials of the Hospital.
 The above rates are more than double those charged by the Prince Edward Island Hospital, and this Montreal Hospital is endowed with several million dollars whereas our endowment fund is less than forty thousand. In addition the Montreal Hospital is obliged to ask for large yearly collections to enable them to carry on their work.
 The Prince Edward Island Hospital has been built and equipped by several large and many small gifts from generous, public spirited people. It has been given free and unencumbered to the people of Prince Edward Island for the noble purpose of saving life and relieving suffering. No person applying for treatment is turned away if we have room. If a patient can pay they do so, if not they are received and treated just the same. This is your Hospital we as Trustees are only its temporary guardians. While occupying this position it is our duty to see that it is properly equipped in every way to minister to the wants of the general public and we have only been able to do this by the continuous assistance of a generous and public spirited public and can only continue by receiving this support. Our needs are greater this year than ever before. We are counting on everyone to give us their loyal support with just a little larger contribution than usual. The collectors will start out November 1st. Kindly be ready for them, meet them with a smile and a generous contribution and so make their work pleasant and easy. We know you will do this.
W. K. ROGERS,
 Chairman Board of Trustees
