MESSRS. C. C. RICHARDS & CO.
Yarmouth, N. S.
Gentlemen.—In January last Francis Leclair, one of the men employed by me, working in the lumber woods, had a tree fall on him, crushing him fearfully. He was, when found, placed on a sled and taken home, where grave fears were entertained for his recovery, his hips being badly bruised and his body turned black from his ribs to his feet. We used MINARD'S LINIMENT on him freely to deaden the pain, and with the use of three bottles he was completely cured and able to return to his work.

THE GLOW OF HEALTH.
When the blood is rich and pure there is a healthful glow to the complexion which speaks of the vigor and vitality of the system. There is no more certain way for pale, weak people to attain the glow of health than by the persistent use of Dr. Chase's Nerve Food, the great food cure which forms new, rich, red blood and creates new nerve force.
