

THE QUEEN'S COUNTY GUARDIAN

Offices in New Prowse Block—Charlottetown

D. A. Lawson, Hunter River, was in the City Saturday. Roy McLean, Souris, was in the City Saturday. Bruce Dawson, Tryon, has sold his farm to F. and H. Clark of Victoria. H. W. Jones, of Ottawa, is in the city in connection with Tidal survey work. H. Price Webber and his popular company are at present playing in Framingham, Me. The Northumberland's cargo Saturday morning included 700 cases of lobsters, 400 bags of oats and two ars sundries. Mrs. Capt. Farrow and family leaves Tryon for Togo, N. W. T. in June to join her husband who has taken up a homestead there. A Guardian Classified ad costs much less in proportion to circulation than it would in any other Provincial paper, and its pulling powers are wonderful. J. O. Trainor of this City has contributed an article, which appears in the last issue of the Catholic Record of London, Ont., on books and good reading. The management of New Wonderland are endeavoring to give the best moving picture entertainment ever shown here and the admission is but five cents. No one should miss the grand entertainment which the management of New Wonderland are presenting in the Market Hall every night. Miss Katie Milligan of Sherbrook, lately employed as stenographer with Bruce McKay & Co., Summerside, has resigned her position with that firm and left on Saturday morning for Boston where she has a good position. The death occurred at her home in DesSable on May 19th, 1908, of Margaret McKay, wife of the late John D. McKay in the seventy-third year of her age. She leaves six sons and three daughters to mourn the loss of a kind and loving mother. A correspondent writing from Tryon says:—At Crapaud D. S. McQuarrie has enlarged his store in order to spread in business.—Dr. Boyer has erected a very unique building for drugs and office work.—Mr. Cobb, the energetic blacksmith has improved his residence. Yesterday Miss Alice Harrison organist of St. James' church concluded her engagement with that church and is about to become organist of Grace Church in this City, over which her father Rev. Thos. Harrison of Cornwall is to be pastor in the near future. Miss Harrison's resignation from St. James' Church was much regretted as she has made many warm friends by her sympathetic and pleasing manner. While in the church Miss Harrison was a most active worker, always willing to aid in the different undertakings and as a reader at the numerous entertainments held she became a public favorite. After practice on Friday evening the choir entertained Miss Harrison at the residence of Jas. Tait Jr., Brighton, at which the finest of the evening was presented with a magnificent bouquet of roses. Miss Harrison gracefully thanked the donors for their kind remembrance.
