TO-MORROW'S M.P.A.A. MEET LAURIER

The Entries and Names of the Merchants Who Will Close Their Store.

The athletes who will represent the Wanderers, Sydney, New Glasgow, Truro and Sackville, in the championships tomorrow, will arrive in the City this evening. A few of the Abegweit team went on the track last evening and did some light work preparatory to their rest today. The track has been placed in excellent condition. Everything is in readiness for the meeting, and if the Association is favored with fine weather tomorrow, citizens will see the best sports ever held in the Provinces. Spectators should remember that five points will be awarded for first position, three for second and one for third in each event, and by keeping this in mind, and calculating the total points of each club after each event, it can be easily seen which team is leading. Last year the Abegweits scored a total of fifty-four points, while the Wanderers scored forty-five. The officers have all been appointed; the list includes the most experienced men in the City and citizens need fear no delays in bringing on the events. Premier Farquharson has kindly consented to present the medals to the successful competitors at the close of the games.

The Officials are:
Referee—A. E. Ings.
Judges at Finish—B. C. Prowse, A. W. Robb, L. B. McMillan, D. A. McKinnon and A. Sullivan.
