HINDENBURG IS PREPARING FOR A DRIVE AGAINST RUSSIANS.

PETROGRAD, May 5.—Field Marshal Von Hindenburg, the German commander-in-chief in the western theatre of war, is preparing for another drive against Warsaw, according to activities which are developing in Northern Poland.

Despatches from the front state that the Germans have been massing troops and artillery and that another great offensive movement between the Naesew, Bobr and Niemen Rivers, over a front approximately 150 miles long, is expected immediately. In the meantime, Russian troops have been sent to reinforce the Muscovite army, which is opposing the advance of the Germans through the Baltic provinces. Unless the progress of this German force is checked it will be in position to co-operate with the German armies on the Prsasnysz-Augustowo-Suwalki-Skerstymo front, by cutting the Russian lines of communication running into Warsaw from the north. A German offensive in Northern Poland would have a double object:

First. To press back the Russian armies defending Warsaw, opening the way to that city and its important railways.

Second. To weaken the Russian pressure against the Austro-German armies in the Carpathians.

German warships in the Baltic are co-operating with land forces that are pressing towards Libau.

IN MEMORIAM

WILLIAM PIERCE

The death occurred at 1.30 yesterday afternoon of Mr. William Pierce, Brackley Point Road, after a short illness of pneumonia, in his 67th year. Besides a sorrowing wife, two daughters, Mrs. James Bryenton, and Mrs. Cephas Bryenton of Brackley Point, and four sons, the oldest Hammond residing at home, Wallace in Winnipeg, James in Chicago and John of Chalottetown are left to mourn a devoted father. Funeral notice later.

JOHN L. McDONALD.

On April 29th, Nine Mile Creek and surrounding settlements were shocked when it became known that the Angel of death had claimed for his own, John Lorne, aged twelve years, dearly beloved child of Mrs. and the late Alexander C. McDonald. Up to two weeks previous to his death he was a bright, merry child, the sunbeam of his home, but that happy childish voice was soon to be stilled. He contracted a heavy cold which developed into pneumonia and after a few days illness during which everything possible was done but of no avail his innocent soul passed away to be with God for evermore. He leaves to mourn a sorrowing mother and two sisters, Christina and Margaret at home. A large crowd followed the remains to Canoe Cove cemetery where his little form was laid to rest there to await the final resurrection. The pallbearers were Messrs. Albert Livingstone, Hugh C. MacDonald, Colin MacDougall, Malcolm MacNeill. The funeral services were conducted by the Rev. D. McLean.

MISS GLADYS WEST

News of the death of Miss Gladys West was a profound shock to her many friends in York a few weeks ago. The deceased was stricken with pneumonia; and for all the skilled attention bestowed upon her the disease proved fatal. She was the youngest daughter of Mr. Amos West, and her father, three sisters and one brother are left to mourn. For several years she was engaged as stenographer with the firm of L. Higgins & Co., Moncton, and while there made many friends, as was fully testified to the many beautiful floral tributes accompanying her remains home. Miss West was in the full bloom of womanhood, so young to give up all that life holds dear, of a bright and cheerful disposition her loss will be keenly felt in the home and in social circles. Her funeral took place on Friday, the 25th to York Cemetery, and was largely attended. The services at the house and grave were conducted by Rev. E. A. Westmoreland, Rev. E. Bell and Rev. Mr. Whitehead, Charlottetown, and Rev. E. Weeks, Pownal. The pall-bearers were Orris Gill, Gordon Brown, Frank Water, Ben. Mellets, Louis MacMillian and Claude Holman.

MRS PATRICK HUGHES

It is with deep regret that the sad death is chronicled of Mrs. Patrick Hughes, Shamrock, aged seventy-one years, which caused so much sorrow in the community. She was a woman of quiet and gentle disposition, who looked well to the ways of her household and performed well the duties of wife and mother. She bore her sickness in a spirit of resignation, and with peace in her peart and prayer on her lips she trod the royal road of suffering. She was comforted by her pastor Rev. J. J. McDonald, Kinrora, during her illness, who administered to her the last rites of the Holy Catholic Church. She was predeceased by her husband about four years ago. She leaves to mourn a family of five children, three sons, Peter and Patrick of Boston, Mass., and Stephen at home, and two daughters, Mrs. Ambrose Kelly, Shamrock and Sister Mary Reta, North Dakota. Also one sister, Mrs. William Leonard Cornwall, and two brothers, Thomas Campbell, Charlottetown and Hugh of North Wiltshire. Her funeral took place on Tuesday, April 27th and was attended by a large concourse of people, who followed her remains to the last resting place in St. Malachias Cemetery.

PRINCESS PATRICIA'S CANADIAN LIGHT INFANTRY.

The Canadian Militia Department has authorized the organization of a Second University Company for Overseas Service, to go as a reinforcement to the Princess Patricia's Canadian Light Infantry. The Company will be comanded by Captain Geo. C. McDonald, of the McGill Contingent, C.O.T.C., with Captain Percival Molson, also of the McGill Contingent, C.O.T.C., as Second in command.

Owing to the success which has attended the recruiting for the First University Company, which is at present up to full strength, and attached as "D" Company to the 38th Battalion Canadian Expeditionary Force, it was thought advisable to form another Company, and an application was made to the Department for the necessary authority, which has been granted.

Recruiting for the Company has already been started, and many names have been received.

The Company will be composed of Graduates or Undergraduates of Universities or their friends.

Conditions of Service and Rate of Pay will be the same as in the other Units of the Canadian Expeditionary Force.

The First University Company and the Toronto University and McGill University Contingents, C.O.T.C., are going to a Training Camp at Niagara-on-the-Lake on May 3rd to the 15th, and it is expected that during that period a large number of Recruits for the new Company will be obtained.

Immediately after the Camp active recruiting will be commenced at Montreal.

The Headquarters of the Company will be at 382 Sherbrooke Street West, and any enquiries or applications should be addressed there to Lieutenant Geo. S. Currie, Recruiting Officer. April 28th, 1915.

DEBLOIS BROS

New Insurance and Wholesale Firm.

The Guardian has much pleasure in welcoming into the world of commerce the new firm of DeBlois Brothers,—the members being Mr. Geo. D. DeBlois and Mr. Noel H. DeBlois.

Both of these young gentlemen are sons of the late Robert F. DeBlois and are well and favorably known throughout the province.

Mr. George D. DeBlois has had eleven years' experience in the old established wholesale house of Carvell Bros., and naturally has a good knowledge of the business. Mr. Noel DeBlois has been connected with the Bank of Montreal in this City for the past five years, and the knowledge and experience gained there he will undoubtedly be able to use to good advantage.

The new firm has been fortunate in securing the services of Mr. John J. Desmond, for many years city salesman for N. Rattenbury, Ltd., who will attend to the city requirements of the wholesale business, which is sufficient to warrant satisfaction.

In addition to carrying on a wholesale and commission business in different kinds of goods, they have the Agency for the "Royal Insurance Company, Ltd.," one of the oldest and strongest Fire Insurance companies in the world, and which has been for many years represented in this Province by the late Mr. John McEachern.

Their office and warehouse is situated on Water Street, in the building formerly occupied by the Customs' Appraisers, and strange to say the first tenant to occupy this building was the late Hon. George W. DeBlois, grand-father of these young gentlemen.

The Guardian joins with their many friends in wishing Messrs. DeBlois Bros., an abundant measure of success.

The office of the "Royal Investment Exchange" in the Royal Bank building will be open as usual, and all matters of business directed to the Exchange will receive prompt and careful attention. 9840
