The ladies are still busy knitting and sewing, another box is in course of preparation. Good Advice for Thin Folks The trouble with most thin folks who wish to gain weight is that they insist on drugging their stomachs or stuffing it with greasy foods; rubbing on useless "fat creams," or following some foolish physical culture stunt, while the real cause of thinness goes untouched. You cannot get fat until your digestive tract assimilates the food you eat. There is a preparation known to reliable druggists—almost everywhere which seemingly embodies the missing elements needed by the digestive organs to help them convert food into rich, fat-laden blood. This modern treatment is called Sargol and has been termed the greatest of flesh-builders. Sargol—alms through regenerative, re-constructive powers to coax the stomach and intestines to literally soak up the fattening elements of your food and pass them into the blood, where they are carried to the starved, broken-down cells and tissues of your body. You can readily picture what result this amazing transformation should produce as with increased appetite the cheeks fill out, hollows about neck, shoulders and bust disappear and from 10 to 20 pounds of solid, healthy flesh is added to the body. Sargol is absolutely harmless, inexpensive, efficient and other leading druggists of this vicinity have it and will refund your money if you are not satisfied, as per the guarantee found in every package. NOTE—Sargol is recommended only as a flesh builder, and while excellent results in cases of nervous indigestion, etc., have been reported care should be taken about using it unless a gain of weight is desired.

MRS. ELISHA COFFIN

As the shadows of night were gathering on the eve of the 16th, ult., the Angel of Death crept into the home of Mrs. Elisha Coffin at Savage Harbor and gently removed from its mortal clay, the spirit of his beloved wife who had with him and their family borne life's journey for upwards of a half a century. Deceased was a daughter of the late John Clark of Charlottetown and her death, in the 62nd year of her life, brings to a close a diligent and useful career. Not only has her family occasion to mourn but her friends, and the community wherein she lived, must feel they have lost a true and valued member. Through a long illness her firm trust in the Saviour was nobly exemplified by great patience and smiling greetings to all. She was a consistent member of the Presbyterian Church and lived and died a firm believer in the blood of Christ. Her funeral on the 18th was largely attended, the pastor Rev. R. P. Murray officiating, at house and grave. Besides a sorrowing husband a son and two daughters survive also one sister and two brothers and to these as well as a large circle of friends the sympathy of all is heartily extended.

We shall meet, ah we shall miss her, There will be one vacant chair, We shall linger to caress her, While we breathe our evening prayer. True, they tell us wreaths of glory, Ever more will deck her brow, But this soothes the anguish only Sweeping o'er our heartstrings now.

Catarrah Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrh of the ear, and that is by a constitutional remedy. Catarrh of the ear is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by Catarrh, which is an inflamed condition of the mucous surfaces of the system. The only way to cure Catarrh of the Ear is by using Dr. Williams' Catarrh Cure. IN MEMORIAM

MR WALTER H. BLACK. Mr C. H. Black, Charlottetown, received a telegram yesterday morning of the death of his eldest brother, Mr Walter H. Black, of Seattle, Washington. No particulars were given as to the cause of death. The late Mr Black conducted an extensive grocery distributing business here, and his death was a great loss to his family and other relatives. The Guardian extends its deepest sympathy to the bereaved.

MRS. NICHOLAS GAIN.

There passed peacefully away at Freeland, Lot 11, to receive the crown of eternal reward, merited by a virtuous life, Mrs. Nicholas Gain on Dec. 24th, 1915, in the 55th year of her age. She was visited in her last hours by her pastor, the Rev. Father McDonald, who administered the last sacraments of the Holy Catholic Church, of which she was a faithful member. Mrs. Gain possessed a most amiable and charitable disposition. She was a kind and loving mother, a true friend and an admirable example of true Christian patience. The esteem in which she was held was testified by the immense concourse of neighbors and relatives who came to render the last sad token of honor and respect. The loss of their beloved member will be a severe one to the community but still more so to those who were privileged to know her by that reverend term Mother. Besides a sorrowing husband she leaves to mourn the following sons: Bernard, Benjamin, Leo and Gabriel, at home. The funeral took place on Monday, Dec. 27th to St. Bridget's Church, Lot 11. The following were the pall-bearers: Ber-
