Stock Markets At A Glance

MONTREAL, Dec. 13 — (CP)—Majority trends were higher in slim trading today on the Stock Exchange and Curb Market.

Better fractionally in utilities were International Utilities "A," at a new high, Shawinigan, Gatineau, Brazilian and International Power. Bell Telephone retrieved a slip and Winnipeg Electric was off a bit. C. P.R. inched down in carriers.

NEW YORK, Dec. 13 — (AP)—Scattered favorites remained on the recovery side of today's Stock Market but profit taking cut down many leaders.

Prices began to wilt here and there after the opening and a sharp break in the recently buoyant American distilling, which finished down 9 1-2 points at 105 1-2, was an unsettling factor. Losses of fractions to a point or so predominated at the close although oils and other assorted industrials managed to cling to small plus marks.

TORONTO, Dec. 13—(CP)—The Toronto Stock Market started the week with small gains for all index groups and the best Monday volume in a month. Turnover totalled 535,000 shares.

LONDON, Dec. 13—(CP) — The Stock Market closed irregularly today after a quiet session with only international securities moving ahead.

WINNIPEG, Dec. 13—(CP)—Rye futures made healthy advances today on the Winnipeg Grain Exchange on good commission house, local and American buying.

New seasonal highs were established in all three contracts with December hitting $1.19 7-8, May $1.21 1-4, and July $1.19 3-4.

CHICAGO, Dec. 13 — (AP)—Grains turned lower after opening with good gains today, profit-taking making itself felt in all pits. Wheat and rye sank well below the previous close, but oats, which had opened on gains ranging to 3 cents, displayed independent firmness.

For 25 years Maas-Steffen have specialized in Prince Edward Isle fine furs. We know their value, and where they can be sold at best prices. That's why so many Prince Edward Isle Fur Ranchers and Trappers have been sending their furs direct to us year after year.

They like the liberal grading and high prices we get them. On all shipments of $200.00 and up we will telegraph our best offer, if you prefer. Smaller lots will be remitted for, the days the furs are received. We will also telegraph you any important market changes.

FREE Send us your name and address and we will mail you, free of charge, our Special Price and Market Condition Bulletin, at regular intervals throughout the season. This will keep you up to the minute—and help increase your fur profits. Be sure to send today to—

CHRISTMAS CANDLES

When Christmas candles shine on me,
In their bright light strange things I see,
Not Christmas trees, so tall and fair,
Or the beautiful gifts that glisten there.

But a crowded Inn I see instead,
And a glowing wonderful star, that led
The shepherds to a stable small,
Where close beside the oxen's stall.

They found a manger filled with hay
Wherein the Infant Jesus lay,
While Mary watched with tender care
Above her Baby sleeping there.

These are the things I seem to see,
When Christmas candles shine on me.

PUB RUN BY VICAR TO KEEP 'EM SOBER

CARLTON IN CLEVELAND, England, Dec. 13 —(CP)— When Canon J. L. Kyle became vicar of this Yorkshire village 35 years ago, he said it was "the most drunken place in the whole country," so he bought the village pub to control the people's drinking habits.

One of the first things he did was close the pub on Sundays.

Canon Kyle, who had become known as the publican-vicar, died recently, aged 87. He maintained ownership of the pub until his death
