Farr, 1 To 3 Choice, To Whip Jimmy Braddock

Doubleheader Scheduled At "Y" Tonight

In the first game of a doubleheader the "Y" Knobs take on the last two games by the narrow margin of about five points. One thing which has been noted in the last couple of games is the increase in attendance over the first few games of the schedule. The basketball played to date has been on a par with previous years and every player putting his best effort to pull their team out on top.

DiMaggio A Holdout

(By The Associated Press) NEW YORK, Jan. 20—Joe DiMaggio, slugging Yankee outfielder, received his 1938 offer today, and scored it with a fine Italian flourish.

As a result Joe will meet tomorrow with Colonel Jacob Ruppert, owner of the club, and business manager Ed Barry, co-conspirators in the nefarious plot to hold DiMaggio's salary inside five figures. The popular belief was the Yankee business office had set either \$20,000 or \$22,500 as a negotiable figure from which to negotiate. Joe, who received \$15,000 last season, wants \$30,000 anyway.

Vet Hurler Not Offered 1938 Contract

(By The Associated Press) NEW YORK, Jan. 20—The veteran pitcher Pat Malone has ended his long career as an active player in the big baseball league. New York Yankees announced tonight.

Malone, who pitched for the Yankees the last three seasons after having been with Chicago Cubs for seven years, has not been offered a contract for the coming season. Last season he appeared in 28 games with the Yankees, mostly in relief roles, winning four and losing four.

Malone scales in his favor. That Braddock still can sock was demonstrated against Louis when he floored the negro with a right in the first round.

Farr is eight years the younger, faster, and a good punch absorber. Farr, who is his own manager, will be seconded by Doc Bagley, who formerly handled Gene Tunney.

Both principals are in good trim. Relieved of a titleholder's worries, Braddock is in far better shape than when he faced Louis in Chicago last June. As for Farr, his sparring sessions have been highly impressive, in sharp contrast to the form he displayed when preparing for his encounter with Louis six months ago.

Red Wings And Maroons Win As Americans And Leafs Battle To 1-1 Draw

(C. P. by Guardian's Special Wire) DETROIT, Jan. 20—A driving third-period offensive that netted three goals, the winner from rookie Ed Wares' stick, shot Detroit Red Wings into a 4-2 win tonight over Chicago Black Hawks and pulled the cellulars a bit nearer the Hawks in the National Hockey League's American division.

The Wings scored two goals in the last 71 seconds of play for their first home victory in the National Hockey League since they beat the same club Nov. 25. Eight thousand fans watched the game. Wares, rookie forward borrowed from Philadelphia Ramblers, broke a 2-2 tie just 71 seconds before the game ended with a nice stick-handling drive after taking Bucko McDonald's pass. Then 22 seconds late Hec Kilrea poked home a short one for the final goal.

Lou Trudel's long screened shot from left wing in the final minute of the first period gave the Hawks a lead that lasted until a Detroit rush found Johnny Sorrell driving a blistering shot past goalie Mike Karakas from left wing on Aurie's pass at 17:01 of the second.

Syd Howe put Detroit in the lead less than two minutes after the start of the third period, outguessing Karakas, only to have Carl Voss tie the count with a difficult shot from right wing seven minutes later. Detroit kept its attack at high speed, and the rookie Wares finally connected for the winning goal.

Football Star Moves Again

LONDON, Jan. 20—(CP Cable)—Hugh Gallacher has moved again. One of the most-discussed players in Old Country football in a generation on the veteran Scottish international centre-forward has left Notts County for Grimsby Town.

An aggregate of \$22,500 (\$12,500) has been paid by different clubs for the wandering footballer's services during the 17 years of his big-time career. The county let him go this time for \$1,000, (\$5,000), the smallest transfer fee of his career.

A school-fellow of Alex James, noted Arsenal player who retired a year ago, Gallacher first played for Aldringtonians, Scottish League club in 1921. In 1925 Newcastle United induced him to go south, his transfer costing £8,500 (\$32,500).

CANADIENS BEATEN AGAIN

MONTREAL, Jan. 20—Gaining new power in a drive to make the National League playoffs, Maroons downed the slumping Canadiens 4-2 tonight to take a long lead in the Montreal city hockey series.

The lethargy that has held the Habitués almost since the start of the new year made Maroons look superior for two periods and when Canadiens rallied in the late stages Bill Beveridge did a highly efficient job of blocking their power plays.

Maroons drew three penalties in the first period but managed to go ahead 2-0 while Canadiens attempts at taking advantage of the sentences went awfully wrong. Each team scored once in the second and in the third.

Stew Evans and Herbie Cain gave Maroons their first period lead on neat passing plays. Canadiens couldn't score until the opposition was two men short through penalties in the second, Polly Drouin combining with The Blake and George Mantha for the goal. Bob Gracie sent Maroons two goals up again with Aurel Joliat serving time half way through the second.

Canadiens bore down at the start and finish of the third, but Mantha's goal after four minutes was their only score. Paul Runes completed the scoring three minutes later and Beveridge was a stone wall in goal the rest of the way.

SUMMARY

First Period
1—Maroons, Evans (Cain, Gracie) — 14:24
2—Maroons, Cain (Marker, Evans) — 14:48
Penalties: Trotter, Evans, Wentworth.

Second Period
3—Canadiens, Drouin (Blake, Mantha) — 6:40
4—Maroons, Gracie (Cain) — 12:01
Penalties: Shields, Trotter, Joliat, Buswell.

Third Period
5—Canadiens, Mantha (Drouin) — 4:37
6—Maroons, Runge (Northcott) — 7:14
Penalties: None.

Island Province Contributes Much To Sport Picture

(By TOM L. GUY) Canadian Press Staff Writer CHARLOTTETOWN, Jan. 20—Prince Edward Island, with a population of approximately 85,000—the smallest province in the Dominion of Canada—must be far from the centre of sport activity, but nowhere does the sporting instinct flow stronger.

Every game, from the smallest "dingo" game in many places throughout Canada—to the light-harness racing at the Provincial Exhibition, is thronged. Every sport with the exception of cricket and lacrosse is played in "the Garden of the Gulf" today. Crick-et had its day in this province, however, and many recall the club which staged a match for the entertainment of King George VI and his entourage when they visited here.

Prince Edward Island boasts of past days of sporting triumphs with such track and field stars as Phil MacDonald who blazoned the name "dingo" named in many places at trials leading to the Amsterdam Olympics. Bill Halpenny, a pole vaulter, was another well-known Islander in Olympic events years ago. For about 25 years the Charlottetown Abegweit Club staged the Maritime track and field championships—but that's history now.

In the shades of dismal despair, not because of the lack of athletic material, but rather because much promising talent is developed only to blossom elsewhere, Islanders still take pride in citing the progress of sons in other parts of Canada and the United States.

More than 30 hockey players, some natives and others who were developed here, may be found in Canada, the United States and England. Some of those players are still in the minds of hockey fans here, especially those who played during the days of the Maritime Provinces' Big Four League, which had gained recog-
