Dear Teacher:— Upon casting a retrospective glance at the past two years, which we have spent so joyfully with you here at the old school house a host of happy memories of the past rush upon our minds, you were ever a kind and loving teacher to us; and you always took a keen interest in our struggle to obtain the rudiments of knowledge for you were always ready to assist us in our difficulties. You always had a smile for us and although you may have been severe with us at times we realize that any correction you may have made, or any severity you may have shown was all for our benefit. We wish to assure you that in those two years which you have spent with us, were some of the happiest days of our lives. However today we witness the close of your sojourn amongst us,

IMPERIAL SUNSHINE Puppy Foxes, raised in pens, get very little sunshine and, in order to offset this, it is necessary that sunshine in artificial form be given them. The ideal way to do this is by feeding IMPERIAL COD LIVER OIL FOX BISCUITS either in Biscuit or Puppy Food form. These Biscuits each contain Fifteen drops of the very best medicinal Cod Liver Oil, (so aptly called "Bottled Sunshine") which is exceedingly rich in vitamine content.
