BORDEN NOTES—At meeting of No. 127 S. S. Prince Edward Division, C. B. of R. E., the sum of \$88. was voted for the relief of the C. B. miners.—Mr Arthur Arsenault has sold his property of Mr. J. P. Gallant and has purchased the McPherson property.—His friends here extend deepest sympathy to our efficient Custom Officer, Mr. Chas. McDonald in the loss of his mother and sister, within a few days of each other.—We are sorry to learn of the continued illness of Mr. Win White, S. S. Carberry, and all hope to see him around again.—All the sick in Borden are steadily improving.

THIRTY THREE YEARS AGO—Dr. J. M. Nicholson of this city informs the Guardian that on Monday April 6th, 1892, thirty three years ago today, the string of trotting horses owned by J. C. Mahon, Caulincourt Farm, Truro, N. S., and in charge of his trainer, Hugh Mahon, arrived on the Picou boat. Among the horses were, the Cross Stallion Bronze Chief, two yearlings, Champe and Ninety One, a two year old Bishop a three year old Brazilian, afterwards owned on the island, and the four year old filly Eileen by All Right. It was a perfect day, the dust blowing on the streets and not a particle of ice to be seen. The houses were stabled in the Old Rolla engine house on Grafton Street and two crowd of people that came to see them was equal to a picture show, as Bronze Chief's reputation as a man-eater had preceded him.

WEDDING BELLS.—A quiet but very pleasant time was spent at the home of Mr and Mrs Archie Bowles, Dover, March 25th, on the evening of the marriage of their youngest daughter, Florence and Silas Hugh, son of Mr. and Mrs. Wm. Hugh Murray Harbor who were married in Charlottetown at 2 o'clock by Rev. Mr. Ryan. A few friends and relative of both parties being present. The bride looked very pretty attired in navy blue and grey silk. Her long tresses with grey fur trimming, with grey hat and ostrich trimming to match. They were attended by Mr and Mrs Earl Munn. At 9:30 supper was served when all sat down to a heavily laden table, the bride's cake being the center of attraction. After all had done ample justice to the inner man the evening was spent in various amusements till midnight when all departed for their homes wishing the bride and groom a very happy and prosperous matrimony through life.

Make Yourself Efficient!

YOU cannot be efficient when your whole digestive system is in rebellion. Dizziness and that dreadful sense of fullness up to the end of the tongue are signs of congestion. And the result—a headache that is felt in one or both eyes; a morose, petulant and garrulous temper, with the inevitable result that you cannot give to your work or your business the careful thought and judgment required.

You cannot afford to be in this condition. You owe it to yourself to use a Laxative that will relieve the cause—constipation.

You can depend on that great builder of health—DR. CALDWELL'S LAXATIVE SYRUP PEPSIN to relieve constipation.

TO EXPECTANT MOTHERS
Letter from Mrs. Ayars Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Spring Valley, Sask.—"I took the vegetable Compound before my last confinement, when I got to feeling so badly that I could not sleep nights, my back ached so across my hips, and I could hardly do my work during the day. I never had such an easy confinement as this in my sixth baby. I read about Lydia E. Pinkham's Vegetable Compound in the 'Farmer's Telegram' and wrote you for one of your books. We were no druggist in our town, but I saw your medicine in T. Eaton's catalogue, and as a farmer's wife, so have all kinds of work to do inside and outside the house. My baby is a nice healthy girl, so weighed nine pounds at birth. I was feeling fine after putting in a large garden since baby came. (She is as good as she can be). Yours is the best medicine for women, and I have told out it and even written to my friends about it."—Mrs. ANNIE E. AYARS, Spring Valley, Sask.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers, and should be taken during the entire period. It has a special effect to strengthen and tone up the whole system so that it may work in every respect as nature intends. All druggists sell this dependable medicine. Write for a trial.
