Easter Services In Summerside

Easter morning was cold but bright and large congregations attended Divine Worship in the different churches at 8 o'clock. Beautiful flowers in memory of loved ones made a perfect setting for the Easter services of praise.

ST. PAUL'S CHURCH
The altar in St. Paul's Church was beautifully adorned with Easter lilies for the Easter services and large congregations attended at each of the celebrations. The Mass, Rt. Rev. Msgr. MacLellan, celebrated the first two Masses and Rev. Fr. Kelly celebrated the High Mass at 11 o'clock. The choir, the ladies choir under the direction of Mrs. Roy Silliphant sang the hymns appropriate for the Easter season. At High Mass the men's choir under the direction of Mr. A. F. Arsenault with Mr. Lawrence Gallant at the organ, rendered very effectively the Mass. The choir, the solo parts, being taken by Messrs. LeBlanc, MacInnis and Philip Gallant.

During Holy Week there were services each morning in preparation for the Holy Communion on Maundy Thursday, which was attended by the whole parish. On Good Friday the Mass of Pre-Sanctification was held with the veneration of the Cross. In the afternoon at three devotional services and the Way of the Cross was attended by large congregations. On Saturday morning the Ceremony of Blessing the Baptismal Font was carried out, which was followed by High Mass.

The Chairman then called on Mr. Harold Doyle, Campbells, who outlined the formation of a Credit Union and related the work and progress of Credit Unions in general and of St. Mark's Credit Union in particular. Mr. Doyle was listened to with keen interest and all in attendance were encouraged on this important subject. Rev. W. A. Patterson then gave a very interesting talk on the economic system of Canada, and the collection of money. He also explained why a Credit Union was beneficial to any district. Mr. John P. Wallace, Alma, heartily endorsed the lectures given by the preceding speakers and offered some valuable suggestions on the subject. A unanimous vote of thanks was tendered the speakers, and it was decided to extend an invitation to Rev. Mr. Christie, Lot 16, and Rev. Fr. Francis, Lot 7, to speak at the next meeting.

One of the severest snow storms of the season visited this section of the province on Saturday evening, heavy snow with a thirty mile gale and heavy drift running once again put the roads in an impassable condition. So severe was the storm in this section that postponement of an important hockey match in the playoffs of the North Shore League, as well as, all other rink operations, was necessary.

Easter Sunday, with its cold wind and heavy drift running proved a disappointing day for our local rink fans as it hindered them from displaying their many new styles to their admirers and friends.

Another local boy who has joined up for service overseas, is Mr. Urban Hickey, and is now stationed somewhere in Quebec. He arrived home on Saturday evening in time for the Easter holiday, on a shot furlough.

It was also proposed to hold a father and son banquet at an early date if suitable arrangements could be made. The Scoutmaster also reported that the magazines were bundled and ready to be shipped to the sailors of the Royal Navy. Meeting closed with the King and Scout salute.

The second Regals again proved their superiority over the Alberton South Seagulls, when they lacked a 6-3 defeat on Monday night. To keep their unbroken string of victories intact.

The Seagulls were strengthened by the addition of J. Mallett, hitting second in the Senior Regals, while Fred Millman, smart pivot man of the Senior Regals took up his old position behind the blue line for the second Regals. Inspiring bursts of speed that at times left the hard-fighting Seagulls flatfooted and giving their best all round display of the season throughout the game. Early in the first period the Regals jumped into a two-goal lead as R. Jeffrey, who has played brilliant hockey all season scored twice in a 6-3 defeat on Monday night. G. MacNeill completed the scoring for the period as he scored on a Skerry's pass.

In the second period both teams played wide open hockey for the first five minutes but here the Regals came to life as J. Matthews battled Skerry's rebound into the net. J. Mallett who was fouled by the Regal goalie all evening finally broke the goose egg as his hard drive glanced off Ramey's stick into the net. G. MacNeill got his back shortly after as he backhanded a loose puck into the mesh.

Seagulls led by G. MacNeill pressed desperately in the final canto but saw their hopes fade as Millman brilliant all evening and at times baffling with his tricky stick handling and passing weaved his way through the Seagull defence to score the winner with a

smooth passing, attack plus an occasional display of tricky stick handling skated on the ice at the end of the second period on the long end of a 6-5 score, but wilted in the final canto as Ed. Millman raced through for 5 goals in a row without a reply.

The "Old Men" opened the scoring at the five minute mark when H. Matthews slapped a loose puck into the cage to be followed by Myrick and Millman both netting the disc to make the count 3-0. In the dying minutes of the period Eva Murphy and Mrs. Kennington played for number one for the girls.

In the second period Eva Murphy again scored as she soloed through on a brilliant effort and shortly after Mary Murphy beat Avery with a close in drive to knot the count at three all. Herb Matthews put the men in the lead with two minutes to go. Kennington only to have Eva Murphy tie it up on a pass from Eva Mallett and then go into the lead as Eva Mallett scored unassisted. B. Johnson saw his efforts rewarded as he scored on a blue line drive but Eva Murphy offset this as she scored her fourth goal of the night.

In the final period Ed. Millman went on a scoring spree to sag the twines six times in a row and shortly after H. Matthews scored the final goal of the evening on H. Corbett's pass.
