A MIDNIGHT ALARM.

There is no Cause for Alarm when That Croupy Cough is Heard if you Have Griffiths' Menthol Liniment Handy. It Relieves Croup in One Minute, you Can Always depend Upon It.

Mrs. Gilroy, 353 Johnston-street, Kingston says: My little boy, aged 3, has been subject to croup during the winter seasons since his birth. We have had doctors' medicine and all other croup remedies for him, but nothing ever gave him such quick relief as Griffiths' Menthol Liniment, it always seems to stop the spot at once. I have always found it superior to any other remedy for Croups and Colds. I believe a bottle should be kept in every home where there are children. All druggists, 25 and 75 cents.

THE second fish packing establishment began operations in Georgetown yesterday. The new firm will be known as Refuse Bros & Gotell. Refuse Bros, are from Lunenburg. A building has been rented from McDonald & Westaway and business will be commenced at once.

F., at Toronto; and on after Monday, the 14th inst., his address will be Hampton, instead of St. John. Judge Wedderburn is well known to Charlottetown Foresters having organized the High Court of P. E. Island.

Since the last issue of the Wesleyan the following names have been received from persons of P. E. Island as competitors in the prize Bible Contest; Helen M. Smith, Hampton; Carrie A. Wass, Vernon River Bridge; John M. Turner, Vernon River Bridge; Ernest W. Lane, Cherry Valley; Edna Moyle, Central Bedouge; W. Gordon Irying, Vernon River Bridge.

THE Normal Class closed for the season last evening. At the close Rev. Mr. Raymond as leader of the class was presented with a very handsome and useful Morris chair, also a neat and pretty sewing chair for Mrs. Raymond accompanied by the following address:

TO REV. G. P. RAYMOND.

DEAR SIR,—We who have enjoyed the benefit of your time, labor and experience, in studying the course of Normal Lessons of Bible study during the past winter cannot permit the class to close for the season without expressing our appreciation of your untiring efforts to make the lessons not only interesting but also instructive. We can confidently assure you that because of your unselfish labor, and your wisdom and tact in conducting the class that we will during future years read the Book of Books with a much clearer comprehension of the wonderful events in their historic and physical relation in the narrative of God's plan of perfecting a peculiar people unto Himself.

And in token of our appreciation and esteem permit us to present you with this Morris Chair, and realizing that your better half is entitled to a great deal of credit for your always punctual attendance, we ask that you will as our medium be so kind as to present Mrs. Raymond with this sewing-chair and with our kind regards and good wishes.

The intrinsic value of these articles is small yet we hope that in years to come they will be reminders to you of the pleasant evenings we have spent in the Y. M. C. A. Parlor.

We sincerely hope that both you and we be spared to renew our studies next year and from the start made this year may under your leadership go farther afield in our studies of the only theme which always brings its crown of glory and never leaves a sting.

Again wishing you and Mrs. Raymond many years of active usefulness in your noble calling we are yours in bonds of fellowship.

THE MEMBERS OF THE NORMAL CLASS. Charlottetown May 3rd. 1900.

The Foresters of Court Great West intend holding a grand tea party on July 10 at Coleman.

THE GUARDIAN is indebted to Mr. Chas. Chandler for a very useful pocket-map of South Africa.

LAST night the agents of the S. S. Campana received word that the steamer would arrive at 5 o'clock this morning.

It is understood that the Government have received numerous tenders for the running of the Southport. The contract has not been awarded.

YESTERDAY Mr. W. N. Riggs had returned to him by mail a bunch of letters which he had sent to his son Alfred in South Africa previous to his death.

Rather an antique person detained at the Charlottetown depot yesterday afternoon. The small boy was on hand to tender him a royal reception which was not congenial to the recipient and they were quickly dispersed with the old man's magic staff.

THE GUARDIAN has received from Messrs Fennell & Chandler a beautiful pen holder and desk calendar combined which is issued by Gerstendorfer Bros. 143 Park Place, New York and 175 Randolph St. Chicago. Messrs Fennell & Chandler handle a large quantity of goods manufactured by the above firm.

Messrs. Saunders and Newsome have on exhibition two carcasses of very choice beef. On the north side of the market is displayed a heifer fed by John McCallum of Brackley Point which weighed over 700 lbs. On the opposite side is an excellent steer fed by Mr. D. Bullman of Rusticville.

THE readers of the GUARDIAN will regret to learn of the death of Mr. John J. Crawford at Wallace, Idaho, which sad event occurred on April 25th. Mr. Crawford removed from Tryon to the United States last year with his son and daughter. Five children survive, viz: Mrs. C. D. Bell of this city; Mrs. B. Bagnall in the United States; Rev. E. Crawford in Ontario; Alexander and Hattie Crawford in Wallace.

Mr. J. W. Shipman, representative of the Lyceum Co. has arrived in the city and will open the subscription to-day. And we trust the citizens will give Mr. Shipman a large and encouraging list, as it is seldom we have an opportunity of securing a Shakesperian production, and especially when presented by such a strong and well balanced organization as the Lyceum Company.

THE funeral of the late Mrs. G. D. Longworth will leave her late residence, Hillhurst, at 3 o'clock this afternoon. Service will be held at the house at 2.30 o'clock. The following are the pall bearers and mourners:—
