WHAT MAKES A GOOD COMPLEXION?

You are just about to commence the season's programme of evening parties, social events, etc. Why not look your best? Why let your complexion suffer by contrast with other ladies? Why not ensure a good complexion? You can do this on sound natural lines by using Zam-Buk, nature's herbal balm. Zam-Buk is a skin food; and complexion is purely a matter of skin health. Zam-Buk aneared lightly over the face, each night, acts as a skin tonic. It stimulates the cells beneath the cuticle to healthy action, makes the capillaries and blood vessels work, and the vigorous circulation, thus started, carries away secret impurities. Waxy, sallow deposits are thus removed. Hard pimply growths are softened and disappear. Zam-Buk cures skin diseases, pimples, ulcers, abscesses, blood-poison, eruptions, cuts, burns, scalds, chapped places, scalp sores, bites, etc. 50c box, all druggists and stores, or Zam-Buk Co., Toronto.

The Willis Piano is Canada's pride

A Willis piano was selected by The Guardian as a Grand Prize in their contest, they were looking for the best and were not satisfied with anything inferior. The Willis has a tone that delights all and enthralled and captivates the musician, it has a handsome finish that will please the eye and for thorough honest worth, it is the best that modern skill can make. No trouble or money is spared in making the Willis a superior instrument. It makes a good impression on first acquaintance, but it's on long and continued use that the Willis proves its worth.

See our fine showing of Willis pianos, among which is the handsome instrument selected by the Guardian. Montague Furnishing Co. Ltd. Montague.
