

This morning commences our great annual display and sale of imported Christmas Hdkf's.

Visit our Bazaar of Ties and Hdkf's.

For the special convenience of our lady customers we have opened in the centre of the men's store a great bazaar, under the charge of two young ladies—where we display MEN'S TIES and HANDKERCHIEFS.

The fullest range possible has been placed here—and ladies who are puzzled about a small gift for a man will be served with intelligence and swift care.
Ties from 25c to \$1.25. Handkerchiefs 5c to \$1.25.

DELAYED BY WAR CONDITIONS—by slow freights—by every sort of mischance—this lovely assortment of handkerchiefs has been ready in the mills in Belfast, Ireland, for many a week—until we practically gave up hope of seeing the goods this year.

But to our delighted surprise they came along the other day—and this morning we welcome you to such a showing of Irish Linen Handkerchiefs, as has never before been offered in Charlottetown—or in the Province.

We've only room and time for a few of the prices—there must be well toward a thousand dozen in all—in addition to our enormous supply of ordinary handkerchiefs—you will do well to see the display—even if you only want to buy ONE
