JUST TRY A TEN CENT BOX OF CASCARETS

Inures you for months against a sick headache, Biliousness, Constipation or a Bad Stomach.

Put aside—just once—the salts, Cathartic Pills, Castor Oils or purgative waters which merely force a passage through the bowels, but do not thoroughly cleanse, freshen and purify these drainage or alimentary organs, and have no effect whatever upon the liver and stomach.

Keep your inside organs pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, Biliousness, coated tongue, indigestion, Sour Stomach or Constipated bowels. Cascarets belong in every household. Children just love to take them.

—The Kensington League held an interesting session in the temperance hall, Kensington, last Monday evening, when the following subject was debated:—Resolved, that the Automobile Act be repealed. Dr. Houston opened the debate on the affirmative side, while Dr. McBride took the negative side. The speakers in order named were:—J. F. Profit, Geo. Brown, Dr. Barrach, R. Nicholson, Isaac Lowther, T. W. Bentley, Chas. Ramsay, Chas. Cook, The President Rev. G. A. Sutherland made an eloquent and able review of the debate. The vote being taken the members of the League showed by a large majority that they were quite willing to sacrifice the luxury of the automobile for the protection and safety of the Island people, even though it may be to the paltry disadvantage of summer tourists.

—The annual meeting of the Missionary Association of Prince town, P. E. Island, founded by Dr. John Keir, was held as usual on the second Tuesday of March, the 12th. This was the seventy-fourth meeting under its present name, and we have records to prove that Dr. Keir sent contributions to the Bible Society before 1839, not to mention the fact that a Woman's Missionary Society of Princetown in the year 1827 resolved that \$1100.00, or \$55 be voted to the Synod of the Presbyterian Church, St. John's Scotia for missionary purposes. The offerings in about 30 minutes of this Tuesday afternoon amounted to \$472, with more to come in. The officers hope that the total will reach \$500. Steps were taken to have a supplemental weekly offering from all who might be willing to contribute, also, to endeavor to interest others who have not in the past been attending this annual meeting. Rev. H. J. Fraser, B. D., of Summerside, preached the annual sermon, and gave an admirable set of modern missionary motives.—Presbyterian Witness.
