At East Royalty at one o'clock yesterday morning, Mr. James MacDonald Roper, well known veteran farmer and dairyman, passed peacefully away at the advanced age of eighty-eight years, just three days before his eighty-ninth birthday. He started his herd shortly after his two sons, John B., and James F., acquired their stock from Mr. E. R. Brow, and began their career as breeders under the name of Roper Brothers, other members of the family being associated with them for a time. John B. retiring some years ago. By their industry and intelligence they achieved fame and success as the many awards in the show rings in Canada will testify.

Mr. Roper, senior, established an extensive milk vendish business now being conducted by his youngest son Louis W. A man of honour and integrity, in all his dealings with his fellow men, hardworking and industrious, skilled in the handling of live stock a good neighbour, a loving husband and father was James MacDonald Roper, and he was highly esteemed by a very wide circle of friends.
