

# ENO'S FRUIT SALT

Nature's Purifier

EVERYONE is at times subjected to the necessity of breathing bad air, either in stores, on the street cars or elsewhere. And, when one considers that it takes but two and a half minutes for every drop of blood in the body to become affected by this bad air, the importance of a safe and effective purifying agent is apparent.

ENO'S "Fruit Salt" may be safely taken at any time by young or old, for the prevention of disease and the preservation of health by one of Nature's own laws.

Order a bottle TO-DAY from your dealer. Prepared only by J. C. ENO, Ltd., "Fruit Salt" Works, London, England. Agents for Canada: Harold F. Ritchie & Co., Limited, 10 McCaul St., Toronto.

## Terrible Dizzy Spells Would Come Over Me

The Nerves Were on Edge--Noise Excited and Irritated--System Restored by Dr. Chase's Nerve Food

Overworking and underresting—these words describe the cause of many a woman's physical breakdown. The body is a delicately-constructed machine, calculated to perform only a certain number of hours without rest. If overworked there is no time allowed for the reconstruction of the wasted cells, and breakdown is inevitable.

Rest is absolutely necessary to every woman who allows herself to become run down from overwork. Dr. Chase's Nerve Food will help wonderfully in bringing back health and strength of mind and body. Women are particularly enthusiastic in praise of this great feed cure because no treatment was ever discovered that will so thoroughly restore vigor energy and vitality to the tired, overworked and run-down nervous system.

Mrs. T. P. Cullen, Fairview Farm, Shephard, Alta., writes: "My nervous system was so run down and exhausted that terrible dizzy spells would come over me, and I would have most peculiar feelings. Every thing appeared as if it was falling on me, and caused me to jump after taking a few steps. While in this frightfully nervous condition I heard of Dr. Chase's Nerve Food, and began using it. This treatment built up my nervous system, and completely cured me, and for this reason I am always glad to recommend it for the sake of those who suffer as I did."

No ailments cause greater suffering than diseases of the nerves, for they affect mind as well as body. You can get the nerves right by using Dr. Chase's Nerve Food, 50 cents a box, 6 for \$2.50. All dealers, or Edman-son, Bates & Co., Limited, Toronto.

# The Premier Silver Black Fox Co., Ltd.

Head Office Bedeque, P. E. I.

Authorized Capital \$180,000.00  
Amount Issued \$90,000.00  
Shares Par Value \$50.00

This Company now owns 5 pairs of Silver Black Foxes, Class A. obtained from the following ranches:—

2 pairs from the	Maglo S. B. Fox Co., Ltd.
1 " " "	Riverside " " "
1 " " "	Diamond " " "
1 " " "	Maritime " " "

These Companies are all among this year's highest dividend payers and the foxes of the Premier Co. should therefore be very prolific.

A new ranch is now being built for these foxes after the most approved modern methods. Much has of late been learned in regard to the building of ranches and dens. Investors in this Company may rest assured that their foxes will have up-to-date and sanitary quarters.

### Management and Care of Foxes

Second only in importance to securing good foxes is that good care be taken of them. In this respect the Premier S. B. Fox Co., is most fortunate as Mr. Thomas Moyses, the President of the Company, will also take care of the foxes. Few men in the fox ranching business today enjoy an equal reputation with Mr. Moyses for integrity and ability to raise foxes. The well-known "Peerless Co." which last year paid a dividend of 900 p. c. had its foxes under his care.

### Cost of Ranching

All expenses in regard to the ranching of the foxes and their young are assumed by Mr. Moyses for 7 p. c. of each year's increase for a period of three years.

### A Word as to the Future

The Silver Black Fox Industry is well established and no doubt is now entertained as to its permanency. The "Premier" with its excellent foxes, moderate capitalization and low ranching rates should rank as one of the high dividend payers of 1915 and following years.

### Special Offer

It is the aim and intention of the Company to have 10 pairs of foxes in its ranch this fall. In order to do this they wish to place the present issue of stock as soon as possible. They therefore offer to those investing on or before July 15th, 1914, a discount of 10 p. c. on above capitalization which places the foxes at \$16,200 a pair.

### Application for Stock

A large amount has been already subscribed and those who wish to take advantage of our special offer should apply at once to any of the officers of the Company:—

Officers PRESIDENT—Thomas Moyses, Central Bedeque, P. E. I. VICE PRESIDENT—Horace Wright, Lower Bedeque, P. E. I. SECY-TREAS—John C. Ballem, M. D. Bedeque, P. E. I.
