

## TOOK THE ADVICE OF HIS FRIEND

Stomach Trouble and Rheumatism Relieved By "Fruit-a-tives"

MR. L. LABRIE

594 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen.

A friend advised me to try 'Fruit-a-tives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me.

LOUIS LABRIE.

"FRUIT-A-TIVES" is the famous medicine made from fruit juices. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

THURSDAY.

**ENTERTAINED.**—Mrs. Fred Ayer, Sackville, entertained a number of friends on Tuesday at the tea hour in honor of her guest, Miss Baker, of Charlottetown, P. E. Island.

**TOWN COUNCIL.**—It was decided at an adjourned meeting of the Summerside Town Council, to extend the concrete sidewalk on Water St. East, to the eastern boundary of Mr. John M. Clarks property. This long needed improvement will be much appreciated by the citizens. H.

**AN ACCIDENT.**—A serious accident happened to Mr. Joseph Bonin of Rustico a few days ago. Mr. Bonin was on horseback taking the horse home from pasture when the animal took fright and started to run. As the horse had no bridle on Mr. Bonin saw that it was useless to try to stop him and jumped off to save himself, but unfortunately with the consequence already referred to. H.

**MT. CARMEL.**—The people of Mont Carmel are becoming greatly interested in the subject of drainage. Whilst open draining is more or less satisfactory in ordinary years, some-thing of a different nature is needed during a period of drought, as was experienced in the last season. The draining and only that will prove satisfactory in this section, for it is the only remedy that will enable the farmers to get full yield every year, and that is what counts.—R.

**COMPANY DISBAND.**—The Chocolate Soldier Company, that played in Charlottetown recently disbanded after their production in Calais last week. The company met with financial difficulties all through their tour according to reports from Calais, the manager was held up for back salary by one of the members of the company just after his arrival there from Woodstock. The manager did not arrive in Calais with the other members of the company, but came on the evening train. He was met at the station by a number of members who were accompanied by a police officer, armed with a warrant for the manager's arrest, and after some discussion the manager handed over the unpaid salary.

**PATRIOTIC SERVICE.**—A large congregation assembled in Victoria Methodist Church on Sunday evening, Aug. 1st and listened to an able and eloquent sermon by the pastor, Rev. G. M. Young. Mr. Young took his text from Deuteronomy 7th Chap. and 6th verse and referred especially to those closing days of the first year of the great war now raging, the position the British Empire and the Anglo-Saxon race now occupies in the world and their prospects for the future. Mr. Kenneth Dawson of Charlottetown sang two solos very acceptably and the choir was ably assisted by two old members, Mrs. Thomas B. Bell of Cape Traverse and Mrs. Jack Dixon, DeSable.

**WEDDING BELLS.**—On July 28th a pretty home wedding was solemnized at the home of Mr. and Mrs. A. H. Parkman, New Glasgow, P. E. I., when their daughter Miss Gladys Parkman became the bride of Malcolm Ferguson of Kingston. The bride was attended by her sister, Miss Aryza Parkman whilst Mr. Angus McPha acted as best man. The bride was dressed in white embroidered voile and carried a bouquet of white roses and maiden hair fern. Rev. H. R. Bell of Kensington assisted by Rev. H. O. Crow of New Glasgow performed the ceremony. After the ceremony the bridal party and guests were invited to the dining room where a suitable repast was provided. Mr. and Mrs. Ferguson will make their future home in Kingston.

**EGG PRICES.**—A letter received from one of the principal egg buyers in Montreal indicates that they consider the following differences should be made in the prices of the following grades, without taking into consideration the present prices of eggs. For example, if specials were being paid for at the rate of 25c per dozen, Extras would be worth only 22c. No. 1's 18c. No. 2's 16c. No. 3's cracks and dirties 12c. No. 2's cracks and dirties 10c. Of course specials would hardly be regarded as really a commercial grade, because an egg to come up to that standard must be a perfect egg, only a very few days old. The grade formerly known as specials have now been designated Extras. According to the differential given by this firm, it would appear that there is actually quite a considerable loss when slovenly methods are practiced, and it gives one considerable food for thought when some buyers in the country districts are offering to pay 20c per dozen "straight count" for eggs. It must be evident that there is not really the value in the eggs, taking them just as they are gathered.

Don't worry about your complexion—use Pears' Soap

and all that nature, science, or art can accomplish for your complexion will be done—

Though Pears' is the finest of all soaps, it is sold everywhere at not over 15c. (unscented)

Matchless for the complexion!

## When Preserving

Use LANTIC Sugar. Because it dissolves quickly, it will not scorch or burn in the kettle. LANTIC Sugar is refined from cane only, granulated extra fine and comes to you clean and pure from refinery in original packages. 2 lb. and 5 lb. cartons and 10 lb. and 20 lb. bags. 100 lb. bags coarser granulation. Weight guaranteed. Buy in original packages and look for the LANTIC Red Ball on each package.

Send your address and small Red Ball Trade Mark from bag or top end of carton and we will mail you book of 50 assorted Fruit Jar Labels—printed and gummed ready to put on the jars.

## Lantic Sugar

Atlantic Sugar Refineries Limited, MONTREAL, QUE. ST. JOHN, N. B.

FRIDAY.

**ON LEAVE.**—Corporal Milner Stevenson, one of the Island men at Canso, is in Charlottetown on leave of absence until Monday. He says that the boys are all well. George Douglas, another of the Island men at Canso, and a Government employee, has returned home to resume his duties.

**RETURN HOME.**—Mrs. John A. Gillis and little daughter, Charlotte, left Wednesday on return trip to their home at Little Sands, P. E. I., after a two weeks' visit to relatives and friends in New Glasgow. While in New Glasgow they were the guests of W. J. and Mrs. Flynn, Pleasant St.

**A PLEASANT VISIT.**—Mr. James H. Stevenson, manager of the Bank of Nova Scotia at New Glasgow, N. S., and Mrs. Stevenson, have returned to their home after a vacation of several weeks pleasantly passed in the Island province. Mr. Stevenson learned the banking business in Charlottetown, and his many old friends were glad to have him spend a few days in the capital.

**OFF TO THE FRONT.**—A correspondent writes: "I saw in a recent issue of the Guardian among other overseas names, the name of Murdoch C. McKenzie of Fredericton. Mr. McKenzie resided in United States for five years where he has an only brother serving in the U. S. Militia and only for his father's illness. Mr. McKenzie would have been overseas before now. He gave up his occupation as carpenter to serve his King and country and his friends all wish him God speed and a safe return. He is the son of Mr. and Mrs. M. B. McKenzie, Fredericton, P. E. I."

**FINE GUN PRACTICE.**—The St. John gunners attached to the Royal Garrison Artillery at Halifax were at target practice off Halifax recently and from the reports received the St. John men of the New Brunswick Corps showed off remarkably well. The marks at which they were shooting were moving about twenty knots an hour. Halifax had two corps, one of them made 19 effective hits out of twenty; while the second made nine hits. The Prince Edward Island Corps made 14 effective hits out of twenty, while the New Brunswick boys, who were sent to Halifax from St. John equalled the highest score making 19 hits out of twenty shots.

**PRaises NURSES.**—The St. John Globe publishes the following:—A Prince Edward Island man who has been serving at the front as a despatch rider and has just been discharged from hospital, said, in the course of conversation with a representative of the Canadian Gazette, London, that his province had sent more native-born Canadians to the front, in proportion to population, than any other province. Speaking of his experiences at the front, he said: "The Germans cannot meet our boys with the bayonet, and even when gas is used our boys can hold them. But the gas has caused much suffering." Asked as to his work as a despatch rider he said: "Well, it is a pretty tough job. A despatch rider must be ready to ride anything—a horse, motorcycle or a bicycle; or if the going is too rough for any of them he must go on foot. But deliver his despatch he must. I have had all kinds of experiences. One which I shall not easily forget was being quite close to King Albert, of Belgium. He is a splendid man, tall and soldierly, with a face that it is a pleasure to see. Billieing in a house that has been badly shelled is not very comfortable, but our Army Service Corps looked after us well, and though I am sometimes missed one meal in the day, I never had a day without a hot meal. The people in the Old Country have been most good to us in sending us cigarettes and other things. I was in a French Hospital and the nuns were wonderfully kind. They are indeed good women, and though I am not a Catholic myself, I should guard against anyone who said anything unkind to them. The only drawback was that they were too kind. But what could I do? I could not say in French that it was a bit too thick to wash my face so often, so I put up with it."

**TORONTO MAN INTERVIEWED.**—In an interview with a Guardian reporter Mr. H. C. Christie of the Cawan Cocoa & Chocolate Co., Toronto spoke most highly of the generous response from all classes to the appeals for patriotic purposes and particularly from the leading manufacturers in that City of Toronto. As an instance mentioned his own Company as having already contributed three thousand pounds of chocolate to the Navy at Halifax and Esquimaux and fifteen thousand packages of chocolate to the soldiers. The Company's President, Mr. H. N. Cown, personally donated a machine gun to the 25th Battalion, while Liberal contributions to the Red Cross Societies, York Patriotic Fund, etc., were given not only by the Company but also personally by the Directors, and almost daily contributions are being made to Bazaars, sales of work etc. At the outbreak of the War, it will be remembered almost every line of foodstuffs etc., advanced in price and factories were not only reducing their working staffs but also the wages of those retained. The Cowan's Company was practically then the first to make a public announcement in all the leading newspapers from the Atlantic to the Pacific that the prices of their Cocos would remain the same up till Christmas anyway and that no profit was made; also that there would not be any reduction in their large staff of employees nor of their wages. Since then Mr. Christie informed The Guardian reporter that practically the same conditions still prevail. It is gratifying to learn that, as he above not only a broad-minded and generous policy, but also a spirit of patriotism well worthy of emulation.

**SERIOUS INJURY.**—His friends will regret to learn Mr. Samuel Saunders, of Winsloe, is in the city under treatment of Dr. S. R. Jenkins for injuries received from a horse tramping on his foot. Mr. Saunders is improving as well as can be expected.

**MORE MACHINE GUNS.**—It was intimated yesterday that the people of Stanley intend presenting a machine gun for the overseas forces. At the patriotic meeting in Montague last evening Rev. Mr. Rice intimated that it was the intention to open a subscription list there for the purpose of providing a machine gun.

**THE CAR FERRY.**—Work at Cape Tormentine, N. B., on the Car Ferry contract is being pushed along in great haste. Another dredge, the "Parqueson" was started during the present week with the tug Shannon in attendance. The plant at Tormentine is one of the best in the Maritime Provinces and is the property of Messrs Bealey Bros., who know how to work it.

**COL STANTON BETTER.**—Jere McAuliffe who is now playing at the Opera House, St. John, has received word from Lynn, Mass., to the effect that Col. Willard G. Stanton, who is well known in Charlottetown, and who was seriously ill for days, is now recovered and will shortly be as well as ever. The good news of Col. Stanton's recovery will be heard with great pleasure by his numerous friends in this city.

**IMPORTANT CHANGES.**—Some interesting changes in the Catholic clergy, are reported to be in contemplation. Rev. Dr. McLellan, who has been rector of the Cathedral in St. Dunstan's, is to be transferred to Alberton, and Rev. Maurice McDonald, who has been stationed at the latter place for some time, comes to Charlottetown to become rector of the cathedral. These changes will likely go into force and effect before many weeks.

**IN CAMP.**—The P. E. Island unit, recruiting for which closed yesterday morning at 10 o'clock, is now under canvass at Brighton, upwards of twenty-five tents having been put up.

On the morning of Thursday, July 29th, the Angel of Death visited the home of Mrs. William Carey, China Point, and bore away the fair young soul of her beloved daughter Annie Laurie.

Deceased, who was in the twentieth year of her age, was a bright, intelligent girl of kindly, cheerful disposition, being a favorite with all who had the pleasure of her acquaintance. She was taken ill in the early spring and gradually declined despite the best medical attendance and the loving ministrations of her devoted mother, sister and brothers. During her illness she was attended by her pastor, Rev. P. D. McGuigan who administered the last rites of Holy Mother Church. She leaves to mourn, a sorrowing mother, two sisters and four brothers besides a large circle of friends and acquaintances.

Her funeral, which was largely attended, took place on Saturday morning at St. Joachim's Church, Vernon River, where a High Mass of Requiem was sung by the pastor after which interment was made in the adjoining cemetery. The pall-bearers were Peter McInnis, Sydney McLeod, Wendell Morrissey, Bernard Doyle, Houghton Mutch and James Doyle. May her dear soul rest in peace.

**ISLANDER NAMED.**—Election of officers to the Grand Orange Lodge of British North America brought the annual gathering to a conclusion at Winnipeg on Saturday afternoon. Dr. D. D. Ellis, of Flemming, Sask., was again elected grand master and H. B. Morphy, K. C., M. P., Perth, Ont., continues in office as deputy grand master. Toronto was chosen as the next place of meeting. Among the Deputy Grand Treasurers, Mr. R. K. Brace, Charlottetown, was appointed for P. E. Island.

**CAPT. GALWAY LEAVING.**—Capt. Galway, who has been in command at the Salvation Army barracks here since the Sydney Record, for the past fifteen months, leaves on Wednesday week for Charlottetown, where he will succeed Ensign and Mrs. White. Capt. Galway's activities were noted last winter in connection with relief work and he has taken considerable interest in general affairs. The departure of Capt. Galway will be generally regretted.

**NORTH AMERICAN HOTEL.**—The following registered on August 5th.—Neil Nicholson, Montague; Thomas Clark, Summerside; James McWilliam, Eldon; Wendell Morrissey, Earncliffe; Florence Morrissey, Bos James Mahar, St. Mary's Road; Bruce McAulay, Hope River; James McInnis, Grand Tracadie; P. J. Simons, Dunstaffnage; E. J. Rockwell, Ocean View; Jacob Sark, Lennox Island.

A new idea for a fascinating dish! Ice Cream and Kellogg's TOASTED CORN FLAKES 10c. per pkg. Place a cone of ice cream in the dish and smother with CornFlakes at serving. You will find this delightfully refreshing. Made in Canada, at London, Ontario 27
