VISITS CANADIAN GRAVES.—Rev. Principal MacKinnon, chaplain overseas, writing of those Canadian boys who have died in England before reaching the front and whose graves he recently visited at Bramshott, says: "It was not given to these boys to die valiantly on the high places of the field. Their lot was to struggle against damp, chill, fever and the miseries of the army, but in winter that sought out the weakness in their constitution. But they had shown themselves willing; they had responded cheerfully to their country's call, and although neither Concorlette nor Vimy Ridge is inscribed upon their tombstones, they will not fail of a place in the grateful remembrance of Canada." He goes on to say in another paragraph: "Each grave is marked with a simple cross of varnished oak, stating the name and unit of the deceased, except where private contributions have erected more elaborate stones. This can always be done. The graves are well tended. Some unknown hands has strewn lilies on them. I tried to make arrangements to have this regularly performed, but the nearest town where an order could be placed was several miles away and in the present scarcity of labor it was found to be impracticable. In deference to the sad hearts in the home land and in tribute to the brave lives that have been sacrificed I shall do it myself, whenever opportunity occurs."

LETTER OF SYMPATHY.

To Mrs. David McDonald and family:—
Dear Mrs. McDonald,—We, the members of the Ladies' Aid Society, of Peter's Road, take this opportunity of conveying to you our deepest sympathy on the death of your son, Pte. Roy McDonald, who was killed in action at Vimy Ridge on April 9th. We realize that anything we can say would be of little comfort to

you in this year of your time of great sorrow which you have been called upon to bear. But would direct your thoughts to our Heavenly Father and ask for grace to say: "Thy will be done" and to hopefully look forward to a happy reunion in a better land where sorrow is unknown. And we trust that ere long this great conflict may cease and the white dove of peace shall fly over that lonely grave in France, which holds the remains of your loved one. You know your son loved honor more than he feared death, and that is why he is lying low today. "Greater love hath no man than that he lay down his life for his friends." Yours, in behalf of Ladies' Aid Society,

LOU JOHNSTON, Sec'y.

THE HARVESTER SOLD FOR \$3,100.

NEW YORK.—C. K. G. Billings severed his connections with horse racing and horse breeding yesterday by selling all his trotters excepting Urban, 1.58, and Lou Dillon, 2.01. The mares, with few exceptions, brought very low prices, but The Harvester, 2.01, made up for them by commanding \$30,100 under the hammer. This is the highest price paid for a trotting stallion at auction in many years. Mr. Billings' pacing stallion William, 1.58 1/2, brought \$3,000. The horse

went lame in his work last season, and is now under suspicion. Directum J. 1.56 3/4, consigned to the sale by Thomas W. Murphy, was struck off for \$3,200. He is the fastest pacer in the world, but he is ten years old, and his earning capacity is uncertain. Many of the brood mares were sold with foals by The Harvester, 2.01 at their sides. Prices ranged from \$125 for Ariello, a daughter of Bingen and Narion, the latter the first foal of Nance Hanks, 2.04, to \$2,500 for Lucille Bingen, 2.08 1/2, also by Bingen. She was purchased for \$2,500.
