IN MEMORIAM

BENJAMIN KEEPING

Benjamin Keeping, for nearly 12 years in the composing department of the Boston Transcript, died suddenly of heart disease on Friday night at his home in Revere. He had not been in good health for some time. Mr. Keeping was 62 years of age and a native of Newfoundland. He learned the printer's trade in Charlottetown, P. E. Island and came to Boston when 20 years old, first associating himself with the printing establishment conducted by George H. Simonds who at that time printed the Youth's Companion. Later he was in charge of the composing room of the Christian Endeavor World, where he remained for nearly 20 years.

Mr. Keeping had been prominent in politics in his home town where he was chairman of the board of selectmen several years and a member of the finance commission.

He is survived by his wife, who was Bertha Walking, three daughters; Mrs. William Graf and Miss Ruth and Miss Doris Keeping and a son, Paul Keeping. He was a member of the Boston Typographical Union and the Transcript Mutual Aid society. He also had been active in the Oddfellows and was past grand of Neptune lodge of Revere.

Babe Ruth Wins Game

WINSTON, Salem, N C, April 8.—Babe Ruth's mighty ash was the deciding factor in the 12th game of the New York Americans-Brooklyn Nationals series yesterday. The Yankees registered their eighth victory of the set, this time by the score of 5 to4 and the worst they can get now is an even break.

Ruth drove a trifle into right centre field in the opening inning and later carried the run over the plate. In the eighth, with runners on the second and third bases, he got a single.

Red Sox Recover

BOSTON, April 8.—The 8 to 0 defeat which the Boston Americans registered to the Rochester Internationals, at Charleston, S. C., yesterday, was hailed here today as a sign that the Red Sox have recovered from the slump since they left Hot Springs.

The Boston Nationals yesterday defeated the second team, 10 to 3, at Columbia, Tenn.

MONTREAL April 7

The receipts of butter yesterday were 313 packages, as compared with 182 for the same day last week, and 123 for the corresponding day year ago. There were no new developements in the market, the feeling in finest grades of creamery being firm on account of the limited supply now available on spot, for which there is a steady demand for small lots to meet actual wants, and sales of finest townships creamery were at 53c to 54-1-2c per lb., and re-graded western creamery at 53c to 531-2c, with the under grades offerings all the way from that down to 49c per lb., and meeting with a slow sale.

The receipts of cheese yesterday were three boxes, as against 38 for the same day last week, and 62 for the corresponding day a year ago. A sale of a carload of new make colored cheese was made for shipment to the west at 27c per lb. and other sales of smaller lots for home consumption at 271-2c, with white at 26c to 261-2c. Supplies of old cheese are very limited and prices are maintained at 291-2c to 30. per lb., for colored, and at 28c to 281-2c for mild white.

New York, April 6.—Butter unsettled. Receipts, packages 9,606. Creamery, higher than extras 50c to 501-2c; creamery extras (92 score) 451-2c to 49c; State dairy, good stock current, make No. 2. 21c. State, whole milk, flats, held specials, 271-2c to 29c; do. average run 25c to 261-2c; State, whole milk, flats, fresh specials, 24c to 241-2c; do. average run, 23c to 231-2c.

Women of Middle Age

May Pass the Critical Period Safely and Comfortably by Taking Lydia E. Pinkham's Vegetable Compound.

Regina, Sask.—"I was going through Change of Life and suffered for two years with headaches, nervousness, sleepless nights and general weakness. Some days I felt tired and unfit to do my work. I gave Lydia E. Pinkham's Vegetable Compound a trial and found good results, and I also find it a very helpful spring tonic and useful for constipation from which I suffer much. I have recommended Vegetable Compound to several friends and am willing you should publish this."—Mrs. Martha W. Lindsay, 810 Robinson St., Regina, Sask.

If you have warning symptoms such as a sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness, inquietude, and dizziness, get a bottle of Lydia E. Pinkham's Vegetable Compound and begin taking the medicine at once. We know it will help you as it did Mrs. Lindsay.

HOTEL VICTORIA

Famed for its cuisine service.

Elegantly furnished, 52 rooms with baths.

Make it your home in Charlottetown.

MONTREAL, April 7—The market for eggs was weaker and prices scored another decline of 1c per dozen, which is attributed to the liberal offerings from the country for prompt and future shipment and the fact that supplies coming forward are in excess of the daily requirements, and in consequence of which most of the dealers are now storing them for future wants. A good trade is passing daily for immediate consumption and the market is fairly active, with sales at 33c to 34c per dozen, as compared with 52c to 53c for this date last year, showing a decline of 19c per dozen. The receipts yesterday were 2,760 cases, as compared with 4,141 for the same day last week and 1,734 for the corresponding day a year ago.

The market for new maple product was without any new feature to note, prices being steady under a fair demand for supplies, which were none too large to meet the requirements, and a good clearance of the offerings were made. Maple syrup sold at $2.25 per tin of one gallon, and in wood at $1.75 per gallon, while maple sugar brought 23c to 25c per lb.

The trade in potatoes showed no improvement, the demand for car lots being still somewhat limited on account of the fact that buyers in most cases were well supplied and the undertone to the market was easy, with car lots of Green Mountains quoted at $1 to $1.05, and Quebec stock at 80c to 95c per bag of 90 lbs., ex-track. The demand in a wholesale jobbing way was reported fair, with sales of the former at $1.10 to $1.15, and the latter at $1. to $1.05 per bag of 80 lbs., ex-store.

CHICAGO, April 4.—Eggs, lower. Receipts, 20,520 cases. At mark cases included, 21c to 23c.

NEW YORK, April 4—Eggs, steady; receipts, 24,856 cases. Fresh gathered, extras firsts, 29½c to 30c; firsts, 26½c to 29c; State Pennsylvania and nearby western hennery whites, firsts to extras, 32c to 38c; State, Pennsylvania and nearby western hennery, browns, extras, 34c; do. gathered browns and mixed colors, firsts to extras, 28c to 32c; storage packed, extra firsts, 31c to 31½c; do. firsts, 29½c to 30½c.
