

# THE TELEPHONE COMPANY OF PRINCE EDWARD ISLAND

## List of Subscribers in Charlottetown Corrected to Jan. 23rd, 1906.

Is your name here—if not—why not? Are you aware that practically 3000 conversations are held over telephones in Charlottetown alone, every day of the week? THE TELEPHONE can no longer be considered a luxury. It is a prime necessity, both in business and social life. THE TELEPHONE is a door to your customers. DO NOT KEEP IT SHUT.

**CONSIDER!** A business telephone costs roughly 10c for every business day. Does not the volume of your business and the saving of time to yourself, warrant the expenditure?

A long distance "extension" set on your desk costs 5c per day, and you can stay right by your business. A telephone in your house costs 6c per day. Remember, besides its convenience as a messenger, the protection it affords you. In exchange for the above reasonable charges, the telephone is a "servant" at your disposal for 365 days in every year. Don't leave your business to go "out of town." Send your out of town business over the long distance wires. It will pay you. If you are considering the question of installing a telephone, call up telephone 300, and we shall be glad to give you further particulars, and afford you the benefit of our advice and experience as to the best methods of handling your "telephone" business. Subscribers are invited to use our "Equity Bureau" for obtaining any information needed, telephone 278. If your telephone service is not satisfactory, please advise the "Trouble Clerk", telephone 200.

There cannot be different degrees of purity any more than there can be different degrees of honesty. If a man be honest, that is all he can be. There is no superlative. One flour cannot be purer than another. It can only be more nearly pure. In these times when all flour manufacturers are claiming purity you should remember these two things: Actual purity in flour can only be secured by the use of electricity.

### A Siege

The matrons of the Edison Orphanage at Lowell, Mass. U.S.A., wrote they had a siege of whooping-cough in their institution. They said that every case was promptly relieved by Vapo-Cresolene. Write us for a book that tells all about it.

Vapo-Cresolene is sold by druggists, or sent express prepaid on receipt of price. A Vapo-Cresolene outfit including a bottle of Cresolene, complete \$1.00. Send for free illustrated booklet, LEADING MILLS CO., Ltd., Agents 289 St. James Street, Montreal, Can.
