MILD DYSPEPTIC CONDITIONS.

Are a common result of constipation. Foul matter forms in stomach and bowels. In consequence stupid heaviness and the bluest sort of feeling takes hold of one. Work is difficult, sleep ceases to be refreshing, appetite lags. Soon positive ill health is established. Hamilton's Pills are the most prompt and efficient remedy, both for faulty digestion and sluggishness. These pills act as nature does upon the secreting glands. All the stomach secretions of digestion and the intestinal juices are increased. The bowels are not irritated but healed. Hamilton's Pills are not a purge but a curative vegetable compound which restores natural conditions and permanently cure all forms of indigestion, dyspepsia and stomach weakness. Try a 25 ct. box of Dr. Hamilton's Pills.

THE CALL of the HOUR

Ring Out the Old--Ring in the New

Stop working for a small salary, and start earning a large one. Get the Salary Raising Spirit—Make the Move To-Day. You have been working long enough for a small salary and it is time you were earning more. You cannot afford to wait longer for an education that will advance you to a Better Position and a Better Salary.

If you had commenced a course when you first thought of it, you would have finished it by this time and you would be earning a larger salary.

DECIDE NOW—DON'T PROCRASTINATE

Procrastination is a thief of time—Time is Money You are Losing Money every day that you let Procrastination get the best of you. The argument is simple---if you were studying you would not be spending so much money and besides you are not preparing to earn more. The Candle Burns at Both Ends.
