'Come On, Tarzan' "Silver Dollar" Spectacular Romance

There has been plenty of conversation about the cowboys acting in the western films from Hollywood. In fact, sneering comment about the "drug-store" cowboys is quite prevalent, the inference being that they are merely a synthetic product of the film city.

There can be no doubt, however, in the minds of audiences at the Capitol Theatre this week that the cowboys in "Come On, Tarzan," Ken Maynard's latest western for World Wide Pictures, are the real thing.

These movie cowboys are obviously the genuine article, recruited from the many ranches in California and the west whence they have drifted to Hollywood and what work they can pick up in the western pictures. No "drug-store" variety cowboy could stand the grueling cross country riding, the actual hard work that is required in the making of western pictures.

Ken Maynard is recognized as one of the greatest riders in pictures today, having served his apprenticeship on a Texas ranch and in circus and rodeo shows, and giving his audiences their money's worth of thrills in every one of his pictures.

In "Come On, Tarzan," with Maynard are Merna Kennedy, Niles Welch, Roy Stewart, Kate Campbell, and many others directed by Alan James.

Newspapers And Periodicals In U.S. And Canada

(Associated Press)

PHILADELPHIA, Jan. 26.—There were 21,109 newspapers and periodicals published in Canada and the United States at the beginning of 1933, or 82 less than last year, it was announced today in a statement released with the annual edition of N. W. Ayer & Son's directory of newspapers and periodicals.

At the beginning of 1933, said the statement, there were 2,368 dailies with an aggregate circulation of 38,826,000, and 11,970 weekly newspapers, as against 2,415 dailies and 11,979 weeklies a year ago.

"Trade publications," the statement said, "vary in gains and losses, remaining on the whole fairly constant. There have been slight increases in the listing of agricultural, financial and baking, advertising, automobile and insurance publications. On the other hand, drug, electrical architecture and building, and radio publications show a slight loss in numbers."

The highest number of newspaper and periodicals ever published was in 1917 when there was a total of 24,868.

Lost \$760,000

(Canadian Press)

MONTREAL, Jan. 25.—Losses to the funds of the Anglican Church in Western Canada as a result of the maladministration of John A. Machray exceeded the \$760,000 mark set as the goal for a three-year campaign throughout Canada to rehabilitate the funds, declared Most Rev. I. O. Stringer, Archbishop of Rupert's Land, as he passed through Montreal today enroute to Campbellton, N. B.

At Campbellton Archbishop Stringer will start a month's hard work during which he will ask Anglicans in the four eastern dioceses to help in making up the money lost by Machray.

Wage And Salary Reductions Are Rejected

LONDON, Jan. 26.—(C.P.)—Cable — C. T. Cramp, General Secretary of the National Union of Railwaymen, wrote British railway companies today that the union was not prepared to accept wage and salary reductions of 4-6 per cent authorized in the report of Sir Harold Morris, chairman of the National Wages Board, last Friday.

Executives of the union, Mr. Cramp's letter said, already have approved the stand taken by their representatives on the board against reductions in pay, and, unless they reverse their decision, the union will decline to accept the chairman's findings.

Sir Harold rendered his decision, conceding about one-quarter of the companies' demands, after members of the board split evenly for and against reductions. The board turned in six different reports, those of the company representatives favoring reductions and those of the union delegates rejecting them.

The chairman specified pay cuts should not reduce any salary below 40 shillings a week, and called for reductions among the higher paid clerks and office workers.

Union officials felt there was little chance that the railways would attempt to enforce the cuts in the face of unanimous opposition among the workers.

There was no suggestion, however, that if they did so the workers would resort to a strike.

LEFTY GOMEZ FOLLOWS RUTH EXAMPLE

(By Alan Gould, Associated Press Sports Editor)

NEW YORK, Jan. 26.—While Babe Ruth was still sputtering today about the ingratitude of the Yankees in asking him to take a \$25,000 salary amputation, Vernon (Lefty) Gomez added to the gayety of the payroll situation by returning his contract, unsigned, because he didn't think the increase offered him by the world champions for 1933 was quite enough.

Gomez, Secretary Ed Barrow disclosed, was one of two Yankees, both pitchers, conceded a salary boost for the coming season. The other is Johnny Allen. The south-paw star won 24 games and lost 7 last year. Allen, a freshman sensation, showed 17 victories and only 4 defeats. Charles (Red) Ruffing, who was not offered a raise, topped both his team-mates in pitching effectiveness, in which he was second only to Bob Grove.

It is believed Gomez received \$11,000 last season and was offered \$12,000 for 1933.

As for Lou Gehrig, the junior member of the firm of Yankee home run holdouts, Barrow is optimistic. The first baseman will

Pouring a healing, sweet soothing balm;
Changed are the robes of forest and lea,
Dressed like a bride in her hour of glee;
Pale shines the moon, your diadem light,
Wonderful, magical Autumn night!
Beautiful wonderful, Autumn night!

Forest and meadow, river and stream,
Valley and hillside lie in a dream;
Murmuring breezes sing a new song,

ST. PETERS HARBOR INSTITUTE

The regular monthly meeting of St. Peter's Harbor Women's Institute was held at the home of Mrs. Wentzel Baker on Wednesday evening, Jan 4th meeting opened by singing of Ode followed by creed in unison. Minutes of last meeting read and approved. Roll call answered by sixteen members and seven visitors present, one new member added. Reports from all committees were given and new committees appointed. A discussion took place on the holding of an entertainment, and a committee appointed to take charge of same. Program consisted of singing, reading, recitations and a "Bean Contest", prizes being won by Miss Winnie MacEwen and Mrs. Wentzel Baker. Next meeting to be held at the home of Mrs. Gerald Barry, roll call to be answered by birthstone. Meeting closed by singing National Anthem.

This meeting was followed by a social hour and presentation to the teacher. At this time it was very pleasing to see the gentlemen of the district who had been especially invited for this presentation come marching in. After each and every one had been comfortably seated, a "chair", which had been decorated for the occasion was placed in the middle of the living room, and Miss Hilda O'Donnell was asked to occupy it. But so taken by surprise she was sure it was not meant for her. After she became fully convinced the following address was read by Miss Marion MacEwen and the presentation of a "walnut case of stationery" was made by Miss Mary Squires and the following address read:
Dear Hilda,—Once again we are at the close of another year, and with the passing of the old year and the advent of the new.—We have chosen this evening as a fitting time to convey to you our heart felt thanks and appreciation of your service as teacher of our children, you have always been patient, always taking a keen interest in the welfare of their education, which no doubt called for much labor and work on your part, you have cheerfully pursued your course, summer and winter when roads and weather would be in a most unfavorable condition. And we ask you to remember the words of the poet when he said,
Within the oyster shell unsought
The purest crystals hide,
Trust us, you'll find, a friend sincere
Within the rough outside.

In conclusion we ask you to accept this small gift as a slight token of esteem in which you are held, and as you use it day by day may it be a happy reminder of yours days spent in St. Peter's Harbor School district.

With best wishes for a happy and prosperous new year.
Signed On Behalf of St. Peter's Harbour Women's Institute.
Miss O'Donnell then thanked the members for their kindness, saying she could not find words to express her feelings. It was all so unexpected, not thinking she had reached the climax, she would now even try to do better. She was doubtful if she could have achieved it, but for the splendid spirit of co-operation that existed in the district. A dainty lunch was then served by the ladies. Special violin music was furnished by Ralph and Harry MacEwen accompanied on the piano by Mrs. Emmett Wisner. Several good old time songs were sung by Herman Mosher, and a jolly good time enjoyed by all.

A small storekeeper, to the surprise of his brethren, suddenly decorated his window with a gorgeous new blind.

HOCKEY AT HIGHFIELD

A very interesting game of hockey was played at Highfield Rink between Montague Primroses and Highfield Granites on Thursday the 19th. Highfield defeated the Primroses by the score of 1 to 0 on a splendid sheet of ice, but the snow flurries made the puck carrying and good combination hard. Highfield Granites had the edge of the play throughout the game, although they were short-handed on account of some of their players being sick.

The Montague boys motored up, and before they returned home, they were treated to a very dainty lunch at Mr. Athol Roberts.

The lineup follows:
Granites—Goal, Weeks; Defence, S. Carson, D. Cullen; forwards, Hurry, McKinnon, Stead, P. Campbell, Alward.
Primroses—Goal, McGuigan, defence, P. McCarron, L. Poole; forwards, B. Currie, K. Beer, A. McDonald, N. Grant.
Referee—Lou Campbell.

"Nice blind of yours," quoth his neighbor.
"Yes."
"How paid for it?"
"The customers paid for it."
"What. The customers paid for it?"
"Yes, I put a little box on my counter, 'For the Blind,' and they paid for it."

IT'S LIVER THAT MAKES YOU FEEL SO WRETCHED

Wake up your Liver Bile —No Calomel necessary

For you to feel healthy and happy, your liver must pour two pounds of liquid bile into your bowels, every day. Without that bile, trouble starts. Poor digestion. Slow elimination. Poisons in the body. General weakness. How can you expect to clear up a situation like this completely with mere bowel-moving salts, oil, mineral water, laxative candy or chewing gum, or roughage? They don't wake up your liver.

You need Carter's Little Liver Pills. Purely vegetable. Safe. Quick and sure results. Ask for them by name. Refuse substitutes. 25c. at all drug stores.
