STOCK QUOTATIONS

Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, March 18—News despatches from London says that the political atmosphere is brighter. Domestically news is rather favorable. Elec. Pow output for last week. Income tax collections the first quarters are estimated to be 45.6 per cent above the amount collected last year. Eastman Kodak reported $6.96 for 1935 against $6.-98 for 1934. Driver Harris declared 25 cent dividend on the common. Elec. Bond and Share directors are scheduled to meet on the preferred dividend this afternoon. Yesterday's market undoubtedly won friends for itself and we would look for an irregular firm market again today with higher prices for steels, including U. S. Steel, Beth., Republic also General Motors,. S. O. of New Jersey, Skelly Oil, Elec Bond and Share, North American, Am. Waterworks, Northern Parific and probably the food stocks.

NEW YORK, March 18—The stock market is swinging back to domestic influences unless there is a very unfavorable turn to the European news, it is not likely to exert any further effect on stocks. With steel production expanding, motors production likely to expand further, and with several important groups of companies such as the oils, and the utilities facing a considerable gain in earning power the trend of price is likely to continue upward. A few days ago we referred to special selling that had been going on in National Steel and depressing it considerably below the high of the year while other steels were about at their highs. The stock seems to have absorbed this selling and its advance yesterday indicates it can get back to its old high or higher. Utilities are apt to play a more important part in the immediate future of the market with Consolidated Gas and Columbia Gas as good speculative buys as any.

Dull Trading On Montreal Stock Market

(C.P. By Guardian's Special Wire)

MONTREAL, March 18—Prices worked quietly higher in dull trading on Montreal Stock Exchange today.

Price changes were narrow with upturns prevailing for banks, utilities and liquors. Metals and constructions were unsettled by alternate buying and selling waves.

Bruck Silk found a little buying support and firmed 3-4 to 14 1-2 after directors declared a dividend of 30 cents per share, payable April 15 to stock on record March 25. Canadian Celanese, however, lost 1 1-2 points.

Light profit taking depressed International Nickel and the price finished off about a point at 49 1-2. Hollinger firmed 15 cents on a few sales and Smelters held even.

Late selling left Brazilian off a minor fraction at 13 but Canadian Hydro-Electric preferred gathered three points. Up fractionally were Montreal Power and Canada Northern.

Higher prices ruled for Distillers Seagrams and National Breweries while Canadian Industrial Alcohol and Associated Breweries preferred held even.

Total sales were 16,354 shares; bonds $6,500.

THE WAY OF FAME

Author—Well, sir, the upshot of it was that it took me ten years to discover that I had absolutely no talent for writing literature.

Friend—You gave up?

Author—Oh, no; by that time I was too famous.

Miriam, recently returned home from a visit with friends, was describing to the family what a lovely home she had visited.

"Mother, it was beautiful. One room was all in black and white; real modernistic, everything streamlined."

Little Brother listened attentively and suddenly exclaimed.

"Boy, that's swell! Does it have a zipper?" —Indianapolis News.

He had just been worsted in a business deal and he was very angry.

"I look upon you, sir, as a rascal!" he said.

"You are privileged," said his rival, "to look upon me in any character you care to assume."—Montreal Star.

Quiet Trend On New York Stock Market

(By Frank MacMillen)
(Associated Press Financial Writer)
(A.P. By Guardian's Special Wire)

NEW YORK, March 18 — The stock market soft-pedalled wars and accemted floods in today's session.

With high waters sweeping over many districts in the east, wreaking damage on transportation, communications and other links of industry, many of yesterday's bullish proponents decided to stand aside for the moment.

At the same time the European situation was indicated in cable advices as steadily improving, thus bearing out Wall Street's forecasts at the beginning of the Rhineland reoccupation that Franco-German hostilities would somehow be avoided.

Extreme dullness marked both buying and selling. Transfers totalled 1,770,530 shares, the smallest volume for a full session since Jan. 21, last. The Associated Press average of 60 stocks backed up .4 of a point to 61.9.

Bonds, on the whole, were much steadier than stocks. Italian obligations exhibited strength.

Columbian Carbon shares pushed up around 4 points at one time, but closed only 1 1-4 points higher at 113 3-4. Spicer Mfg. held a gain of 3 1-2 at 23 5-8. Others up slightly to 2 or so included Douglas Aircraft at 73 5-8, United Aircraft at 29 1-4, American Can at 125, International Harvester at 84, and Consolidated Gas at 34 7-8.

Down 1 to 2 or more were U. S. Steel at 64 3-4, Bethlehem at 56 1-2, Chrysler at 96 7-8, Western Union at 86, American Telephone at 168, Pennsylvania Railway at 33 1-4, Westinghouse at 113 1-4, Case at 130 1-4 and International Nickel at 49 1-8.

A majority of minus signs showed among Canadian stocks. International Nickel declined 1 1-4 points to 49 1-8, leading the downturn. C. P. R., Dome Mines, Dominion Stores, McIntyre, Brazilian, Canadian Industrial Alcohol, Ford of Canada, Hollinger, Imperial Oil and Massey Harris were off fractionally. Shawinigan worked upward to show a gain of 1 3-8 at 21 3-4 and Distillers Seagrams, International Hydro Electric preferred and Quebec Power were ahead fractionally.

N.Y. Police Capture Merciless Assassins

(A.P. By Guardian's Special Wire)

NEW YORK, March 18—Raiding a Manhattan rooming house transformed into a powerful arsenal of the underworld, police arrested seven men and three women described by Police Commissioner Lewis Valentine as "merciless assassins" who planned "a series of the most bloody gang killings New York has had."

To various members of the mob authorities charged:

1. A plot to kidnap for ransom Thomas Manville, heir to an asbestos fortune.

2. The brazen, $427,000 holdup of an armored money truck in Brooklyn two years ago.

3. The $15,000 holdup of the Fort Lee (N.J.) Bank and Trust Co. last December.

4. The cold-blooded slaying of Joseph Butler, boss of the Chelsea docks where the largest liners in the world berth, as he walked along busy 34th Street last Saturday night.

5. A series of less spectacular bank holdups, jewel robberies and minor crimes.

"The killing of Butler, we have established, was the initial move of one band of merciless assassins to exterminate all competition," Valentine said. "This is indeed a desperate mob."

Opening a safe in the gang's hideout with acetylene torches, police found six machine guns, a hand grenade, three automatic rifles and a quantity of other arms and ammunition. Additional weapons had been found elsewhere in the house, including repeating rifles, revolvers and sawed-off shotguns. It was the latter type of weapon, fired from a passing automobile, that killed Butler and wounded two of his companions.

Fred Astaire

FRED ASTAIRE, born May 10, 1900, in Omaha, Nebr., attended a private school, then ran away to go on the stage, but as he was only 12 years old, he was sent home.

7 Birth Force

Inspiration as well as imagination are attributes of persons with a Birth Force of "7," according to Numerology, so it would be expected of Astaire that he would be creative and original in his work. It is also the number of mental courage which is reflected in an ability to forge ahead, to overcome tribulations. He and his sister, Adele, who took him into her act, were featured in many Broadway shows; created a sensation abroad on two tours, one in 1923 and again in 1926, and then she married, leaving the stage.

3 Heart

Everyone felt that Fred would be "lost," but he is a "7" by Birth Force and Destiny, too, and so was determined to overcome difficulties. Also that number, Numerology declares, makes him rather disinterested in any affairs of the heart, so at the moment, he remains a bachelor. Should he be thinking of marriage, the science of numbers proves he would be happiest with a girl who is a "9," but never with a "7." He seems happiest, however, in his dancing. It took Hollywood a long time to give him proper consideration, but he finally got his chance and is now one of the biggest of the RKO stars. He is one of the world's greatest dancers.

7 Destiny

He not only creates his own dances, but directs dance scenes. With "7" predominating, Fred is bound to remain a success. The other "lucky" numbers for him are 16 and 25. His best dates are the June 21-July 27 period.

Fred comes under the number vibrations of many creative artists, for Browning, Wilde, Dickens, Wordsworth and Sardou are all "7's."
