In Memoriam

SISTER MARY DUNSTAN, C.S.M. In the early morning of Monday, March 31, the soul of Sister Mary Dunstan, a valued member of the Congregation of the Sisters of St. Martha of Prince Edward Island, passed to its eternal reward after a long illness borne with cheerfulness and Christian fortitude. Sister Mary Dunstan, the daughter of Edward Walsh and the late Jane Curran, was born at Summersville forty-nine years ago. The greater part of her youth she spent with her beloved uncle, the late Reverend Thomas Curran, from whom she learned so well the great truth of the primacy of the spiritual. In 1920 she entered Mount St. Mary's Novitiate, and since that time had laboured with unremitting energy and zeal in the various Houses of the Institute. Her loyalty and devotion to her Community, her ever increasing zeal for God's glory, her strong faith, and deep spirit of prayer all serve to prove how sacred she ever regarded the solemn promise she had made on that memorable morning. Just twenty-five years ago when she

In Memoriam

In loving memory of Douglas Malcolm MacArthur, who passed away April 4th, 1941. As a wonderful son we think of you in memories that are fond and true. There wasn't a thing too big or too small. That you wouldn't try to do for all. It seems so strange and we wonder why. The best are always the first to die. So quickly and quietly came the call. Your sudden death surprised us all. We have lost but "God" has gained. One of the best of the world contained. Sadly Missed but Always Remembered by His Father, Mother, Brother and Sisters. In loving memory of our dear son and brother PTE. M. JOSEPH MCKENNA Greenfield who was killed in Holland April 6, 1945. Sweet memories will linger forever. Time cannot change them, it's true; Years that may come cannot sever Our loving remembrance of you. Ever Remembered by Father, Sisters and Brothers. In loving memory of Charles H. Sheppard, who passed away April 4th, 1944. Not just today, but every day in silence we remember. Lovingly Remembered by His Wife, Son, Mother, Sisters and Brothers, Toronto, Ont.

VALUABLE COW - A valuable animal is Kirkside Lucky Rose (Reg. 225968) an Ayrshire cow owned by George P. Matheson & Son, Wheatley River, P. E. I. The cow, which is 7 years old and milked twice daily, had a total production for 365 days of 16,650 lbs. of milk of which 681 lbs. were butter fat. To qualify a cow in this age group must produce 10,000 lbs. of milk testing 4% butter fat (400 lbs.). A full sister of this cow, Kirkside Lucky Lass yielded 15,319 lbs. of milk and 652 of butter fat for the same period of time some years ago.

Bedoune is quite prepared to sit back as long as his Government makes \$600,000 a year on the traffic. Mr. Wright: "You will hear from me, all right, in a while." Mr. Bell: "We heard from you two years ago in no uncertain terms. Perhaps we will hear from you again."

Payments to Ottawa Mr. Bell noted that one Liberal speaker had said that this Province was a liability to the Dominion. That was the right attitude to take. "We were coaxed into Confederation, and since that time we have been going further and further behind," he said. We now pay the Dominion almost \$3,000,000 in income taxes. Over \$10,000,000 goes out of this Province in various taxes to Ottawa. Mr. Bell said he was quoting from an article published in the Summerside Liberal press by Mr. B. Graham Rogers, an employee of the Government. Mr. Rogers figured that we pay approximately \$63.50 per capita in taxes and about \$40 per capita in freight; and all we are getting back under this agreement is \$15 per head.

Premier Jones: "I was not under the impression that the freight goes into the Dominion exchequer." Mr. Bell: "It is all the same thing. It all comes out of one pocket." The Government, Mr. Bell maintained, should spend more on Agriculture. The comparatively small grant last year had not all been expended. No one would find fault with the Minister of this department if he had exceeded his estimates. Cattle breeders might be assisted to the extent of giving them loans for the purchase of purebred cattle.

Premier Jones: "The banks will do that." Mr. Bell: "Yes, at three months." Premier Jones: "No, long terms." Mr. Bell: "Not at all. That provision never functioned properly here. I have always preached that the Government should do this because the Government couldn't lose on it. It is no use giving a farmer a loan for three or six months of the year. He needs it for five years."

Premier Jones: "He can get it right now." Mr. Bell: "The Act is there, but it has not worked out satisfactorily. I think that now is the time, within the next year or two, to encourage farmers and to aid them in a financial way if necessary. One of the great troubles of course, is that farmers are not raising their hay crops and pasture. Farmers cannot afford to go out and pay \$27 a ton for hay."

Premier Jones: "\$24 is the top price." Mr. Bell: "In Charlottetown it is \$1.40 a 100 lbs. I know. But even at \$20 the farmer can't afford to buy it. If we have another dry year such as we had last year, we are going to have serious trouble in this Province."

Brighton Bridge Premier Jones: "Why don't you say something about Brighton Bridge?" Mr. Bell: "Brighton Bridge is something that will come. Even as an employment project it would be worth while. There are not too many veterans going back on the farms; new towns are growing up around Charlottetown, largely composed of veterans who built there on government grants with the hope of finding employment in Charlottetown. The Government has got to help out these men with employment, and that is it doing about it?"

In his opening remarks Mr. Bell noted that within the last three months the Second District of Queen's had lost four venerable citizens. Mrs. Ada Stevenson, aged 90, of North River; Mrs. Thomas Doyle, aged 94, of North Rustico, and Mrs. Pavner and Mr. Philip McLure, both approaching 90, also of North Rustico.

The National Life Assurance Company of Canada

Home Office Toronto Established 1897 1897 - A HALF CENTURY OF SERVICE - 1947 with Mr. and Mrs. Hunter and other relatives in town. The happy occasion was the passing of another milestone in Mr. White's life journey. The delightful affair was arranged as a complete surprise to the guest of honor, who had been out the first part of the evening, and upon arriving home the living room, which had been in darkness, was immediately flooded with light, and the strains of "Happy Birthday" "Surprise! Surprise!" pealed forth from several of his friends and neighbors, who had gathered there to celebrate his birthday. The guest of honor received many useful gifts, accompanied by good wishes and birthday greetings. The recipient though momentarily amazed made a fitting reply and thanked them all for thus remembering him on this occasion. The supper table was nicely arranged, the central decoration being the prettily decorated birthday cake. The hostess served a delicious luncheon. - New Glasgow News.
